The Peoples opinion of Christ Christ in the future which is after the spirit Jesus in the now after the flesh When Jesus came into the coasts of Caesarea Philippi he asked his disciples saying Whom do men say that I the Son of man am And they said some say that thou art John the Baptist some Elias and others Jeremias or one of the prophets He saith unto them But whom say ye that I am And Simon Peter answered and said Thou art the Christ the Son of the living God And Jesus answered and said unto him Blessed art thou Simon Barjona for flesh and blood hath not revealed it unto thee but my Father which is in Heaven Matthew 16 13 17 KJV Then charged he his disciples that they should tell no man that he was Jesus the Christ Matthew 16 20 KJV

Raised with Christ Adrian Warnock, 2009-12-22 Jesus truly is alive today But compared to his atoning death Jesus resurrection sparks relatively little discussion in the church Inadvertently we can become so focused on the good news that Christ died for our sins that we almost forget he was raised for our justification Romans 4 25 In *Raised with Christ* author Adrian Warnock exhorts Christians not to neglect the resurrection in their teaching and experience Warnock takes his cue from Acts where every recorded sermon focuses on Jesus resurrection He stresses that Christians who faithfully proclaim both the death and the bodily resurrection of Jesus and live out the implications of that message in vibrant grace filled churches will be enabled to reach a world that lives in death s dark shadow The power of the risen Christ is active in every true Christian transforming our lives *Raised with Christ* will help you discover afresh the massive implications of the empty tomb Jesus resurrection really has changed everything *John Verse by Verse* Grant R. Osborne, 2018-05-02

John is at once the most complex and the easiest to understand of all the Gospels If we want a young seeker or new believer to read something that is both clear and filled with the gospel and good basic theology we give them the Gospel of John And if we want to study an incredibly deep theological masterpiece that stretches the brightest mind we open the Gospel of John It is the most evangelistic account of Jesus life and ministry and it also gives the mature Christian deep theological truths to chew on In *John Verse by Verse* respected New Testament scholar Grant R Osborne invites the reader to become caught up in the dramatic masterpiece of the Fourth Gospel He writes If I were teaching a course in college or seminary on creative writing John s Gospel would be set alongside Shakespeare as models of brilliant characterization and plot It is perhaps Osborne s favorite book of the Bible and enthusiasm for it shines on every page The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture *Ministry Digest, Vol. 03, No. 04* Witness Lee, In this issue we will continue four lines of ministry The first line The History of the Lord s Recovery contains chapters 14 through 17 of Fellowship concerning the Urgent Need of the Vital Groups which are in volume 3 of The

The Many Faces of Biblical Humor David A. Peters,2007-11-06 The Many Faces of Biblical Humor examines how the Bible writers intentionally used humor irony and sarcasm to argue their points concisely This work begins with the dysfunctional families of Genesis continues delightfully through every book of the Bible and ends with a glorious fulfillment in Revelation Along the way the reader is presented humorous stories pathetically funny characters and poignant quips and quotes from prophets poets and principals The author paraphrases each biblical text in an engaging prose that highlights the humor of that passage humor that may not have been previously noted by the reader Between the paraphrases the author sets the historical and linguistic setting allowing the reader to see how the humor and puns of the text enrich the biblical understanding of God s message Also included are applications of these marvelous passages to our daily lives as we see our own foibles portrayed in the biblical characters In many ways this is a Bible commentary with an accent on the humorous In another sense it is simply a delightful book that makes the Bible come alive through the latent humor of its characters and their stories This revised edition contains corrections of typographical errors in the first edition as well as some clarifying material to make the humor more enjoyable For more information visit the author s website *NIVAC Bundle 6: Gospels, Acts* Michael J.
