This Septic Isle A Revised Dictionary For Modern Britain:

This Septic Isle Mike Barfield, 2008 Dictionary A book with a Beginning a Middle and an End but not in that order This Septic Isle is a dictionary that re defines 21st Century Britain in the wickedest and wittiest way imaginable In an age where Spin is King this super cynical irreverant reference book finally tells it like it is not like it isn't and never will be With 2 000 entries ranging from razor sharp satire to the downright silly This Septic Isle is the perfect antidote to our irascible era Politics pop culture sport the Internet TV food the environment journalism sex PR consumerism war religion Royalty terrorism traffic no subject is safe No sacred cow is spared a jaunt to the slaughterhouse Conservation Process by which dwindling areas of natural beauty are preserved for future generations to build Dead Not answering one's mobile phone or responding to emails Empathy The shared understanding between two people on the same pay grade Epidemic The rapid and uncontrollable spread of anything contagious through newspapers Part time employee Full time employee with a smoking habit a FaceBook page and an ebay account Refrigerator Device for keeping salad and vegetables chilled before throwing them away unused Threatening letters MRSA ASBO OHMS GBH HIV etc Wendy House Play home now banned from schools for giving children unrealistic expectations of future home ownership Xenophobia The Englishman's hatred of foreigners from the Latin words xenos and phobos Mike Barfield's updated definitions put the spin in the bin and prove there's one area in which beleaguered Britons can still proudly claim to lead the world laughing at their problems
