This World Of Theirs:

Other Worlds and Their Relation to This World Tobias Nicklas, Joseph Verheyden, Erik M.M. Eynikel, Florentino Garcia Martinez, 2010-09-06 Is there a future after death and what does this future look like What kind of life can we expect and in what kind of world Is there another hopefully better world than the one we live in The articles collected in this volume all written by leading experts in the field deal with the question how ancient Jewish and Christian authors describe otherworldly places and situations They investigate why various forms of texts were created to address the questions above how these texts functioned and how they have to be understood It is shown how ancient descriptions of the otherworld are taking over and reworking existing motifs forms and genres but also that they mirror concrete problems ideas experiences and questions of their authors and the first readers

Who Rules the World and What's Their Agenda Pasquale De Marco, 2025-07-27 In a world manipulated by a hidden elite the truth is elusive and the lines between reality and illusion blur This book pulls back the curtain on the clandestine network that wields immense power behind the scenes shaping our lives in ways we cannot fathom Unmasking their agenda this expos reveals the strategies employed by the elite to maintain their dominance From controlling the media and education systems to manipulating the financial and legal systems they orchestrate events to their advantage leaving the rest of us pawns in their game Their ultimate goal is to establish a New World Order a globalized society where they reign supreme They seek to erode national sovereignty dismantle traditional values and create a world where they are the unchallenged rulers But their power is not absolute They rely on our ignorance and apathy to maintain their control By educating ourselves about their agenda and strategies we can break free from their grip By uniting and taking action we can create a more just and equitable world for all This book is not just an expos it is a call to action It is a wake up call to the masses urging us to reclaim our power and shape our own destiny It is a roadmap for a better future a future where the elite s grip on society is broken and we the people take back control of our lives In these pages you will find The hidden history of the elite and their rise to power Their strategies for controlling the media education and financial systems Their plans for a New World Order and how to stop them The path to a more just and equitable society This book is a must read for anyone who wants to understand the hidden forces shaping our world and take action to create a better future If you like this book write a review

Between Their World and Ours Karen Zelan, 2007-04-01 Autism has reached epidemic proportions The latest studies suggest that as many as one in 150 children ages ten and younger may be affected by autism a total of 300 000 children in the United States alone Adults included there are more than a million people in the United States suffering from autistic disorders Since autism has had a bleak prognosis and since the isolation of autistic children is so painful to parents Karen Zelan s accounts of her breakthroughs with autistic children in *Between Their World and Ours* present a particularly hopeful perspective Zelan illustrates how diagnostic labels reflect the preconceptions and prejudices of the diagnostician but reveal nothing about the unique person who carries the label and his potential as a human

being Describing nine of the forty five autists with whom she has worked Zelan documents how psychotherapy with autistic youth helps them to overcome their problems in communicating playing feeling thinking and interacting with people more companionably Her riveting narratives showing her growing understanding of her young patients capture how it is to be autistic She describes the ways these young people meet the challenges of being the way they are Her work demonstrates how the social context in which autistic children find themselves can make a significant difference in their development their self esteem and their ability to think through problems in living Zelan a gifted and intuitive psychotherapist shows how the autistic sense of self emerges during childhood She details how these autistic children's first friendships originate the pitfalls and pleasures they experience in relating to their peers their dreams and their fears of social contact These real life stories reveal what worked with autistic children and why Zelan offers prescriptive suggestions for parents and teachers based on her discoveries demonstrating humane ways of dealing with the often troubling problems of autism and of closing the gap between their world and ours

Demystifying Shamans and Their World Adam J. Rock, Stanley Krippner, 2011-10-14

Shamanism can be described as a group of techniques by which its practitioners enter the spirit world purportedly obtaining information that is used to help and to heal members of their social group Despite a resurgence of interest in shamanism and shamanic states of consciousness these phenomena are neither well defined nor sufficiently understood This multidisciplinary study draws on the fields of psychology philosophy and anthropology with the aim of demystifying shamanism The authors analyse conflicting perspectives regarding shamanism the epistemology of shamanic states of consciousness and the nature of the mental imagery encountered during these states

How Successful Leaders Do Business with Their World Stephen Barden, 2020-12-06 In this rigorously researched book Stephen Barden presents compelling evidence that top leaders learn from a very early age to do business with the world by using their power and authority to partner with it rather than impose themselves on it Based on interviews with military corporate and educational leaders *How Successful Leaders Do Business with Their World* offers powerful insight into how these findings can be applied in practice The book illustrates how the assumptions leaders formed as children and the way they learned to make space for themselves directly links to the way they exercise their leadership as adults Barden uses these findings and insights as well as studies from his own corporate leadership career and coaching practice to describe a set of common assumptions held by successful leaders The book clearly outlines several key concepts the Navigational Stance the Partnering Stance the Oppositional Stance and the Navigational Compass illustrates each with relevant examples and makes recommendations for applying these insights in practice *How Successful Leaders Do Business with Their World* will be a valuable asset for coaches leaders HR and L D professionals and all professionals working with leaders To learn more about the author and his work please visit stephenbarden.org
