On a glorious if blisteringly hot Saturday in August 2010 Margaret Thomson s world is suddenly shattered by the incomprehensible news that her twenty two year old son a medic in the army has taken his life In a deep state of shock Thomson and her husband immediately travel to Fort Bragg North Carolina where their son Kieran was stationed in an effort to assist their daughter in law Upon their arrival though the couple find themselves plunged into a labyrinthine and at times seemingly bizarre world of military rules and regulations Eventually after the funeral and the memorial services are over an even more challenging journey emotionally as well as geographically ensues especially for Margaret who as a former journalist is determined to find out more about the circumstances surrounding her son s death no matter how high the cost As she enters her second year of grieving Thomson receives an unexpected invitation from an unlikely source the army which she s often blamed in many ways whether fairly or not for her son s death Seizing upon this opportunity Thomson finds that her perspective is changed literally and that as a result the world does indeed look different now      **Seas Aflame** Derek Hart,2005-12 Nathan Talbot participated in the 1936 Olympics as captain of the Tyrian Tempest representing the United Kingdom in the 6 Meter Class Yachting races The competition was fierce and even though Talbot was a skilled sailor he was disappointed with only winning the Bronze Medal outmaneuvered by the German sailing master Werner Grossman However there were other darker issues plaguing the young Englishman once he returned from Nazi Germany Something sordid and dangerous was simmering underneath all the pomp and circumstance of the new Fatherland Less than four years later Nathan s concerns were realized as Germany plunged the world into yet another war This time Talbot took command of a Motor Torpedo Boat MTB and this time set sail for combat in the English Channel Nathan was soon to discover that his old nemesis Werner Grossman had been given command of an entire E boat flotilla operating in the same area Then one night while Talbot was sneaking about Occupied France he literally ran into 19 year old Elise Dub and it was love at first sight While taking daring risks to keep the flames of romance burning Talbot was also assigned to British Intelligence It seemed that the former yachtsman s first hand experience with French ports would come in handy for more covert reasons There was just one problem It also became obvious that Herr Grossman had also been captivated by Elise Dub s charms and planned to seduce her Failing that the German officer had every intention of forcing himself upon her While the war at sea was often decided with lightning speed and brutal results World War Two became incredibly personal for Nathan
