Thou Shalt Hustle Pushing Past Average:

Thou Shalt Hustle Mike Schmitz, 2015-10-21 We're all busy. We have too much to do and not enough time to do it. Our lives have become increasingly hectic and it's difficult to know if we're making any progress towards our goals because we're constantly hurrying from one thing to the next. All that running around doesn't mean that we're actually more productive though. There are a lot of productivity books out there that try to teach you to do more but this usually just leads to a greater sense of overwhelm as we continue to just bite off more than we can chew. They teach you the processes and systems to make things run more smoothly but not many teach you how to eliminate the clutter which allows you to really sink your teeth into the things that are truly important so you can be both efficient and effective. *Thou Shalt Hustle* is about overcoming obstacles and breaking down barriers in the pursuit of a more meaningful and fulfilling life by focusing not only on doing things right but also doing the right things. It looks at productivity through a Biblical lens and establishes clear, orderly steps that you can follow to discover your YES. By helping you find your purpose, it will enable you to say no to the things that aren't essential and help you take action towards accomplishing your goals even if you don't know what they are yet. In this book, you'll discover the Biblical basis for productivity and why it's important to God. How you can break out of the ordinary by challenging the status quo. Why goals are so important and how you can leverage them to do great things. How you can enlarge your capacity by understanding your mission and pushing the limits that are placed on your life. The compound effect of small actions and how daily routines can help you go further than you ever imagined. How changing the way you think and agreeing with God's Word can help you achieve more than you ever dreamed possible. How you can achieve laser focus on the things that are important and create habits that lead to a lifetime of achievement. Why it's never too late to start chasing your dreams and practical tips on how to hustle even with limited time and resources. By understanding your own passions and skills, you can discover the will of God for your life and leverage whatever resources you possess to push past an average existence and do something awesome no matter where you are or what you have when you start. **Boot and Shoe**
