Publishers' circular and booksellers' record , 1865 **Dr. W. Smith's Dictionary of the Bible ... Revised and Edited by ... H. B. Hackett, with the Coöperation of E. Abbot** William Smith, 1869 *Orthodoxy and Heresy in Early Christian Contexts* Paul A Hartog, 2015-08-27 Eighty years ago Walter Bauer promulgated a bold and provocative thesis about early Christianity He argued that many forms of Christianity started the race but one competitor pushed aside the others until this powerful orthodox version won the day The victors rewrote history marginalizing all other perspectives and silencing their voices even though the alternatives possessed equal right to the title of normative Christianity Bauer s influence still casts a long shadow on early Christian scholarship Were heretical movements the original forms of Christianity Did the heretics outnumber the orthodox Did orthodox heresiologists accurately portray their opponents And more fundamentally how can one make any objective distinction between heresy and orthodoxy Is such labeling merely the product of socially situated power Did numerous valid forms of Christianity exist without any validating norms of Christianity This collection of essays each written by a relevant authority tackles such questions with scholarly acumen and careful attention to historical cultural geographical and socio rhetorical detail Although recognizing the importance of Bauer s critical insights innovative methodologies and fruitful suggestions the contributors expose numerous claims of the Bauer thesis in both original and recent manifestations that fall short of the historical evidence Monthly Catalog, United States Public Documents , 1935
The Scroll of the War of the Sons of Light Against the Sons of Darkness Yigael Yadin, 2020-03-01 The Mystery and the World Maria Clara Bingemer, 2017-02-23 In *The Mystery and the World* Maria Clara Bingemer explores how the place of religion in society has dramatically shifted since the Enlightenment The modern era is characterised by a major change in humanity s fundamental desires that means that reason has taken the place of faith Human beings in their ongoing search for a scientific understanding of the world have drifted away from seeking any essence of transcendence in their lives Bingemer

examines this transition and how especially in the postmodern era it has led to technology and superficial happiness becoming all important as opposed to the more sacred sense of contentment that governed us for centuries prior to the Enlightenment. In her discussion however Bingemer demonstrates that we as humans have not lost our innate desire to believe in a higher power and that even in our world of instant satisfaction we still need to fill the void left by religion. Through well researched analysis of the modern era and discussion of some of the mystics of more recent times she reveals to readers how our religious belief whilst changed is not dead and is still an important aspect of our existence. Esoteric Studies Ita Wegman, 2013-05-14 After Rudolf Steiner's death she remained filled with the great impulses of the Christmas Foundation Meeting impulses hopes also anxieties on behalf of mankind which he had shared with her in many an intimate conversation. George Adams on Ita Wegman Following the death of Rudolf Steiner in 1925 Ita Wegman one of his closest esoteric students began to publish regular letters to the members of the Anthroposophical Society. As Steiner's had done her letters were appended with leading thoughts guiding principles. Esoteric Studies collects many of those letters to friends along with various articles reports and addresses by Ita Wegman on subjects such as the Christmas Foundation Conference the Goetheanum building and the festival of Michaelmas. Featuring an informative foreword by Crispian Villeneuve and a commemorative study by George Adams this book provides a fine introduction to the work of Ita Wegman as well as a rousing call for courage and wakefulness in the spirit of the Archangel Michael. May all those who have the strength and courage not only to bring the Michael thought to manifestation in their souls but to make it living in their deeds become true servants of Michael and bring about his victory and thus lead mankind over the great crisis with which it is now confronted.
