Three Bites One Boy Gay Vire Menage Erotica English Edition:

His Threesome with the Guys (Gay First Time Menage Erotica) B.J. Ryder, 2013-11-17 The modeling gig seemed like a dream job to Aidan Carlisle He was struggling to make ends meet and the promised pay seemed too good to be true And maybe it was because what Aidan didn't know was that he had signed on to be a gay model Still the paycheck is too good to pass up and besides just because he's doing gay for pay modeling doesn't mean he isn't straight right Even if he's having more trouble keeping his eyes off his handsome glistening coworkers than he cares to admit But when Aidan stumbles upon a sex scene video shoot it only takes a few words of coaxing from the men to convince him to join in after all he could use the overtime Excerpt Aidan Logan said his eyes wide in shock What are you doing back here I blinked stupidly for a few seconds before I found my voice I forgot my phone Then I got lost I mumbled my eyes straying back and forth between their erections I didn't mean to interrupt The dark haired guy shrugged That's okay So you're Aidan he said looking me over with interest I'm Colin We've got a friend in common he went on aiming a fond glance at the man in front of him Logan hushed him You're going to scare him off he said his tone muted I told you to be tactful I don't do tact Colin retorted For a moment my discomfort was shoved aside by my growing curiosity What did you need to be tactful about I asked injecting myself into their argument I didn't know why It was like I'd crossed a boundary I didn't expect to and now the boundary didn't matter Logan and I wanted to invite you to join our shoot Colin replied gesturing towards the contents of the room Belatedly I noticed a video camera mounted on a tripod and it had been positioned to film everything that happened on a stage that looked like a really upscale bedroom There was a giant four poster bed that took up most of the space with a couple of wooden nightstands attached and a cream shag carpet was stretched over the floor Our original third member quit at the last minute Colin was saying as I turned back to him Something about his finals being more important His eyes narrowed on me in a look that made my skin shiver I think he ran away because he was too scared to see this through The pieces were starting to fit together and I wasn't sure how I felt about the picture it formed Without thinking I blurted out Are you asking me to be that guy's replacement in a threesome video Logan and Colin exchanged quick indecipherable glances Logan nodded I was going to earlier but you seemed I mean Yeah pretty much My stomach was churning in trepidation and I was convinced the back of my neck was on fire I'm not gay I told them bluntly How am I supposed to take someone's place in a gay video when I'm straight Colin raised an eyebrow at me
