The 2000 Year Old Girl Joshua VonGarret, 2025-06-16 What happens when a little girl is cryogenically frozen unfrozen and then damned to live within a post apocalyptic world A wasteland where the cured and surgically altered bodies of children are sold to desperate cannibals for sustenance and each product purchased only strengthens the power of the one at the top of the food chain Eight year old Courtney VanGoodwyn would know the answers to each of those questions After being cryogenically frozen 2000 years ago to cure her stomach cancer nearly being sold to starving survivors and being saved from her demise by a boy named Blake who nearly ended up like her Courtney finds herself in a wasteland where the strong and able feed off of the weak and vulnerable However as the two are hunted down by those serving the mastermind of the market to be purchased and feasted upon one question still remains Will they both wind up on someone s plate or will Courtney and Blake overthrow the facility that nearly sold them and ultimately restore the world *Enchantment* Thorsten Benkel, Thomas Klie, Matthias Meitzler, 2020-11-16 The culture of burial and mourning is presently in a state of flux The idea of using the cremated remains of loved ones to form jewelry no longer belongs to the realm of science fiction but has become a fact of modern life Today many countries are open to allowing the ashes of the dead to be turned into ornamental objects Technically this produces remembrance artifacts representing the dead The new aspect is that the mortal remains continue to exist after death in the form of such an artifact for which previous burial culture has no precedent How do such ash diamonds figure into the mourning process How do relatives deal with this phenomenon What is the role of esthetics How does the social environment react to this metamorphosis And does this represent the renewal of the idea of relics This book is based on interviews held with persons who decided to go this route of remembering their deceased loved ones The authors also visited the production facilities of these precious stones talked with experts about the process and attended the delivery rituals In addition to practical theological and sociological assessments the volume includes case studies that provide a forum for those concerned to voice their opinions Inequality in the 21st Century David Grusky, Jasmine Hill, 2018-05-15 This

book provides selections from the seminal works of Karl Marx Max Weber W E B Du Bois and Charlotte Perkins Gilman that reveal some of the reasons why class race and gender inequalities have proven very adaptive and can flourish even today in the 21st century **Mothers-Sisters/Daughters-Friends** Vanessa Morgan,2014-02-17 Mothers Sisters Daughters Friends is a collection of short stories about eight women living in Hopeville Georgia They are ordinary women with an extraordinary love for each other Although the ladies are confronted with many trials and tribulations in life their love is constant

Daughters of the People Omnibus One Lucy Varna,2015-09-28 An ancient curse a lost prophecy and the deadliest enemy a Daughter can face Her own heart In this three book collection three immortal descendants of the Seven Sisters battle to save their people from a curse laid down upon them nearly ten thousand years ago Book 1 The Prophecy Maya Bellegarde journeys to Sweden on behalf of the People There she meets James Terhune an attractive language expert Together they must uncover the secrets of the grave and protect them from an ancient enemy and Maya must decide whether or not to trust James with her deepest secret Book 2 Light s Bane When Daniella Nehring teams up with Dave Winstead to track down and recover stolen artifacts her task is complicated by the attraction sparking between her and the stalwart undercover FBI agent and by her own sinister heritage Book 3 The Enemy Within Indigo Dupree and Bobby Upton are drawn into a deadly game involving the Prophecy of Light forcing Indigo to choose between her duty and her heart Three women three challenges three loves at a time when the People stand at the crossroads between two paths one leading to their salvation the other to their utter destruction Them's Eve's Daughters Marris R. Dick,2000-10-03 Eve and Don Paul shared a forbidden love over nineteen years ago Through their children Samantha and Blaine they are reunited Upon sight of one another they reminisced of the love they once shared A love if reunited could cause the down fall of both their futures Sam: A Girl's Journey Elizabeth Beverly, This is a story about a young girl who comes to terms with her dysfunctional childhood who learns about trust acceptance and love In her first three years of high school she goes from a shy girl with many secrets and self doubts to discover who she is and of what she is capable With the help of a teacher and a few close friends she accomplishes things she never thought possible Excerpt Sam went to school the next day and found her fellow students even more wary of her There were many whispers behind her back and stares as she walked past The other students weren t sure what to think of her The violence they witnessed yesterday was something very few had seen and certainly none of them had ever seen a girl take a punch from a boy The fact that she took the punch suggested she had not lied that she had taken one before It was a level of ugliness too difficult for most of them to understand However none of this bothered Sam because she was far too familiar with violence and fending for herself She lived in a very dangerous chaotic world that she doubted any of these privileged dilatants could survive for even the shortest of times In her mind the closer you let someone the better chance you give them to hurt you because you rule life by fear and intimidation It was a lesson Frank taught her many times as she thought back to Ms Kean s attempt to help her How dare she try that touchy feely shit on her Sam was never going to let

anyone get close enough to hurt her again She discovered the long break for lunch was also for serving detention and after a quick lunch she walked in the classroom and looked at the teacher sitting at the front desk The teacher looked up at Sam as she walked in the room and even though she knew why she was there she wasn't pleased that she had to babysit one student this early in the school year Congratulations I believe you might have one of the all time records for quickest detention in the history of this school she said as her voice dripped with sarcasm Sam wanted to say something back to her but remembered her mother's request to try to behave and quietly took a seat She sat there quietly counting the minutes until it was time to leave until the teacher broke the silence when she said I heard you like to get in fights with others so perhaps you would like to put that energy into something more productive I am Ms Hamm the girl's junior varsity basketball coach here Sam sighed as she got the teacher's insinuation and sarcastically replied I think I am a bit too small to play basketball The coach ignored the snarky reply as she continued Not all players need to be tall and I assume you will grow some over the next couple years How old are you now Sam answered I will be fourteen in a couple months Ms Hamm then asked Did you start school early It would make sense you would be smaller than the rest of the girls in your class Sam hated always being younger and smaller than the majority of her classmates Sam felt that along with being an only child gave them carte blanche to target her for abuse Yes my mother thought it would be a good idea to make school even more difficult for me she lamented I would like you to come to the gym after school meet with me and a few players and see how you feel about it Ms Hamm requested I'm not very good at anything team related I am much more of a solo sport person Sam answered Is that what you really believe or is that what you want others to believe about you There will come a time where you will have to trust others and let them trust you No one makes it through life alone Ms Hamm finished as it was nearing time to leave They both gathered their things to leave Sam thought to herself just what I need another one giving me I need help and to trust others speech She reasoned with herself the only person Sam needs and should trust is Sam
