her next book Publisher s website <http://www.strategicpublishinggroup.com/title/ThroughMyEyes.htm> **Kaleidoscope Through My Eyes!** Helen Winder,2004 **Through My Eyes** Smitha Pillai,2024-09-09 Through my eyes is an anthology of feelings emotions events from past and present all through the author s mind eye Some anecdotal some deeply seared happenings some cherished moments all hold their rightful place here They do not follow patterns or scream for bucketing They could be mundane and yet speak of life They may not all resonate with you but what it aims to give the inner voice a means of release **A Look Through My Eyes** Dawn Vandenberg,2012-11-09 This book begins with the story of a young boy Rem Vandenberg who was born in 1937 in the Netherlands just before the onslaught of the Second World War His youth was a struggle to exist under the German occupation and in combating the depravation of poverty Added to these hardships was the ongoing personal battle he fought daily in accepting the doctrines of the Roman Catholic Church which were heavily imposed on him by the uncompromising adult belief of the time His authoritarian father loaded with the responsibility of caring for the large family was staunch in upholding his strong principles and instilling them into his children Of a less serious nature and with a strong desire to be free of the bonds restricting him from freedom of expression and thought Rem was often on the punitive end of the discipline rod both at school and home Opposing this oppression was the endless love and compassion of his mother who through the strength of her faith was able to engulf the whole family under her mantle of love and bind them together into a caring family unit At a young age Rem had to begin work to help support the family What he was expected to do for a few cents per week was beyond the capability of this small undernourished lad His father insisted on strength of character and allowed him to be pushed to the limit of his endurance Held by the love of his family but tormented with the urge to be free of restrictions Rem finally took his life in his own hands At the age of sixteen driven by the spirit of adventure he left home and joined the merchant navy His first voyage was on a whaling ship to the South Pole which was followed by voyages throughout the world for the next few years On sailing into his first Australian port his desire to stay in Australia took over He jumped ship and went inland where he took a job on the railway After six months as gang worker he was finally picked up by the law and experienced a short jail sentence before being deported back to Holland His love for Australia was strong and within two years he returned as a legal migrant and still lives in his beloved land today *The Light Through My Eyes* Cindy Kupinski,2019-03-15 There is light at the end of the tunnel Cindy for years has been trying to be healthier and stronger after a life of abuse and confusion The fact that she s alive and not locked up somewhere is a miracle Cindy talked and sang to God in her front lawn to a tree when she was only four years old She sang This Little Light of Mine since she was in so much pain and didn t want other people to hurt as much as she was This book is a story that journals Cindy s life that she is an amazing woman of God whose faith and desire to get healthy got her through all the craziness of her life that one day she will be completely healed from all her abuse Cindy s desire is to place this story in the hands of people who believe that God is present even in a life of craziness and abuse that no means no that their choices do

matter that they can end their pain that Cindy's story can give them strength and encouragement when they see no light at the end of the tunnel and that one day they can be healed too

Psychopomp & Circumstance Red Dawn, This is Book Three in the Notte Oscura series Each book in this series is a standalone story with returning characters No one knew what was going on when Persephone showed up at Notte Oscura naked and covered in blood Take from me whatever you want and if you don't believe in fate after the full moon you are no longer obligated to continue our agreement Everything about Edward was an open book and if I'm being honest I was looking for a good read And here I thought hot flashes were the worst of what to expect in my forties Now I'm probably a werewolf I say probably because I have no memory of even seeing a werewolf let alone being attacked by one Still my body is going through some werewolf like changes Edward says he

s here to help me figure out what happened He also believes in things like fated mates and love at first sight But he says he s willing to put all that aside and be a slave to my desires until the next full moon You see my hormones are going crazy Turns out that if you become a shapeshifter in your forties the changes can be more severe As a result my libido is raging and Edward has kindly offered his services A slightly younger man to help unravel the mystery of what happened to me and satisfy my every need This could be interesting Warning This book contains graphic language mostly used by gnomes violence a sense of humor a dash of faerie dust and mature situations involving an insatiable wolfman Prepare yourself for a paranormal women s fiction novel of the spicy variety

The Blackest Shade of Blue Alexandra Skovera,2024-09-03 In Alura sirens take part in the Dive an ancient ritual that places them in one of three tribes the Azora the Voeks or the Draven Each tribe wields different powers and abilities some stronger than others A siren will know which one they join by the color of their hair for it will change to either white gold or black For Amaris the Dive has terrified her ever since she was a youngling From watching fellow sirens take part and her friend Jessenia Amaris only sees what the Dive takes away To her the Dive strips a siren of their personality and vibrance of life No matter how much Amaris tries to avoid it she cannot But unlike her fellow sirens when Amaris breaks the surface her hair isn t the color of any of the three tribes It s a shimmering blue If a siren isn t placed in one of the three tribes they no longer have a place in Alura Amaris quickly finds herself Adrift the first siren sent to live amongst the humans in centuries On the night she is forced to leave she receives a message from her friend Jessenia who is part of the Draven a coven of sirens who have the gift of Seeing Jessenia tells her that she must seek out the Four Mothers powerful beings who are part of the Divine Now suddenly an outcast Amaris is forced to start a search she has no clue where to start from But when an unfortunate encounter leads her to Ford a warlock and a sirens sworn enemy Amaris has no choice but to turn to him as a guide Especially when he reveals he has the information she needs As Amaris and Ford travel together to gather answers Amaris begins to question everything she thought to be true And as they get closer to finding the Mothers Amaris begins to wonder if she was sent Adrift for her own protection or for the protection of Alura
