Thunder And Ashes Morningstar Strain:

Thunder and Ashes Z.A. Recht, 2010-11-23 A LOT CAN CHANGE IN THREE MONTHS Wars can be decided nations can be forged or entire species can be brought to the brink of annihilation The Morningstar virus has swept the face of the planet infecting billions Its hosts rampage its victims don't die but are reborn as cannibalistic shamblers SCATTERED ACROSS THE WORLD EMBATTLED GROUPS HAVE PERSEVERED For some survival is the pinnacle of achievement Others hoard goods and weapons And still others leverage power over the remnants of humanity with a mysterious cure Francis Sherman and Anna Demilio want only a vaccine but to find it they must cross a ravaged landscape of the infected and the lawless living THE BULK OF THE STORM HAS PASSED leaving echoing thunder and softly drifting ashes But for the survivors the peril remains and the search for a cure is just beginning Returning to the terrifying vision of his awesome zombie novel David Moody Plague of the Dead Z A Recht will once again make you turn your lights on J L Bourne with this chilling apocalyptic thriller

Survivors Z.A. Recht, 2012-06-19 The long awaited finale of Z A Recht's action packed zombie extravaganza Ryan C Thomas that began with the acclaimed novels Plague of the Dead and Thunder and Ashes THE MORNINGSTAR STRAIN WAS THE END OF THE WORLD In the wake of the zombie apocalypse two separate bands of survivors journey across a decimated America each with the desperate goal of finding the cure for the virulent plague that threatens the existence of humankind or what's left of it Now it's up to these inheritors of the future to outlive their waking nightmare any way they can BUT FOR THESE SURVIVORS IT IS JUST THE BEGINNING One group includes a brilliant virologist for the other an immune soldier proves invaluable Battling infected and marauding raiders at every turn the teams soon uncover the devious plans of Sawyer an agent of the Chairman of the Reunited States of America who believes that Dr Anna Demilio already has the cure and he will stop at nothing to find her Now with the salvation of the world and their own souls on the line how far will the survivors go to emerge victorious

Sentinels Van Allen Plexico, 2008-05 The power mad Warlord stands poised to conquer or destroy the universe itself Can anyone stand in his way Enter the Sentinels College student Lyn Li brilliant inventor and smart Alec Esro Brachis beloved hero Ultraa flamboyant showman Damon Sinclair and mysterious alien powerhouse Vanadium When at last they all clash atop the Warlord's floating city can the world itself survive

Bestial William D. Carl, 2008-06 Beneath the dim light of a full moon the population of Cincinnati mutates into huge snarling monsters that devour everyone they see acting upon their most base and bestial desires Planes fall from the sky Highways are clogged with abandoned cars and buildings explode and topple The city burns Only four people are immune to the metamorphosis a smooth talking thief who maintains the code of the Old West an African American bank teller who has struggled her entire life to emerge unscathed from the ghetto a wealthy middle aged housewife who finds everything she once believed to be a lie and a teen aged runaway turning tricks for food Somehow these survivors must discover what caused this apocalypse and stop it from spreading In their way is not only a city of beasts at night but in the daylight hours the same monsters returned

to human form many driven insane by atrocities committed against friends and families during Now another night is fast approaching And once again the moon will be full **Healers** Brad Munson,Z.A. Recht,2016-09-20 Civilization on Earth has collapsed in the wake of the most virulent epidemic ever known 95% of the population has died or been transformed into zombies and petty tyrants vie for control of the remaining resources Twelve months after the outbreak a message is sent out by the U S President who has been quartered in a secure location that a vaccine has been developed Is it true Or is it a ploy

After Twilight Travis Adkins,2008-12 At the start of the apocalypse a small resort town on the coast of Rhode Island fortified itself to withstand the millions of flesh eating zombies conquering the world With its high walls and self contained power plant Eastpointe was a safe haven for the lucky few who managed to arrive Trained specifically to outmaneuver the undead Black Berets performed scavenging missions in outlying towns in order to stock Eastpointe with materials vital for long term survival But the town leaders took the Black Berets for granted on a whim sending them out into the cannibalistic wilderness Most did not survive Now the most cunning most brutal most efficient Black Beret will return to Eastpointe after narrowly surviving the doomed mission and unleash his anger upon the town in one bloody night of retribution After twilight when the morning comes and the sun rises will anyone be left alive **Eden** Tony Monchinski,2008 Overnight the world transforms into a barren wasteland ravaged by plague and overrun by hordes of flesh eating zombies A small band of desperate men and women stand their ground in a fortified compound in what had once been Queens New York They ve named their sanctuary Eden Harris the unusual honest man in this dead world races against time to solve a murder while fighting to maintain his own humanity Ultimately the danger posed by the dead and diseased masses clawing at Eden s walls pales in comparison to the deceit and treachery Harris faces within **Plague of the Dead** Z.A. Recht,2009-12-29 The zombie apocalypse once on the fringes of horror has become one of the most buzzworthy genres in popular culture Now in *Plague of the Dead* Z A Recht delivers an intelligent gripping thriller that will leave both new and die hard zombie fans breathless The end begins with a viral outbreak unlike anything mankind has ever encountered before The infected are subject to delirium fever a dramatic increase in violent behavior and a one hundred percent mortality rate But it doesn t end there The victims return from death to walk the earth When a massive military operation fails to contain the living dead it escalates into a global pandemic In one fell swoop the necessities of life become much more basic Gone are petty everyday concerns Gone are the amenities of civilized life Yet a single law of nature remains Live or die Kill or be killed On one side of the world a battle hardened general surveys the remnants of his command a young medic a veteran photographer a brash Private and dozens of refugees all are his responsibility all thousands of miles from home Back in the United States an Army colonel discovers the darker side of Morningstar virus and begins to collaborate with a well known journalist to leak the information to the public and the Morningstar Saga has begun *Le virus Morningstar T02* Z. A. Recht,2013-04-17 Le virus Morningstar a ravag toute la plan te et contamin des milliards d habitants Les sujets infect s ont perdu tout contr le et

attaquent les individus encore sains. Même la mort n'arrête pas le virus: ses victimes se transforment en zombies cannibales. Quelques groupes de survivants résistent aux quatre coins du globe. Pour certains, la survie est le seul objectif; pour d'autres, c'est l'accumulation de biens et d'armes. De leur côté, Francis Sherman et Anna Demilio ne souhaitent qu'une seule chose: découvrir un vaccin. Pour y parvenir, ils vont devoir traverser un pays en ruine et chapper non seulement aux infectés, mais également aux très humains sans foi ni loi. Pour les survivants, le péril demeure et la question du remède n'est que le commencement.
