Our own gazette, ed. by mrs. S. Menzies Young women's Christian assoc, **Premillennial Essays of the Prophetic Conference** Nathaniel West, 1879 The three first Gospels. pt. 2. The Gospel of St. John, and the Acts of the apostles, 1875 **The Gospel of the Kingdom of Heaven** Frederick Denison Maurice, 1888 **Life in Christ** William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in its self without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have given His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it

The Paradigm of the Kingdom of God Dan Westerfield, 2023-04-11. The Paradigm of the Kingdom of God. This book traces redemptive history from the Garden of Eden to the New Heaven and Earth through the paradigm of the kingdom of God. Jesus Christ's saving work is the supreme event in all history, but it takes place within the context of the kingdom. When we follow God's plan of salvation through the kingdom's progress, the events unfold like an immense novel because we see God's divine providence revealed through both biblical and secular accounts. God initiates the kingdom paradigm when he tells Adam and Eve to be fruitful and multiply and rule (Gen 1:28). This is a mandate to establish God's righteous kingdom on the earth, and it is repeated to Noah and then Israel. But the story of the Old Testament is that Adam and Eve, Noah and his family, and Israel all sin and rebel and cannot establish God's kingdom. The New Testament tells us about Jesus Christ, the Son of God, coming to earth to become one of us. He begins His ministry by proclaiming, "The time is fulfilled, and the kingdom of God is at hand; repent and believe in the gospel" (Mark 1:15). Jesus begins to fulfill the kingdom mandate. He is fruitful and multiplies through spiritual children. And Jesus begins to rule. He teaches, casts out demons, calms storms, heals the sick, raises the dead, and feeds the hungry. He establishes a kingdom of His faithful followers. But Jesus must also die for their sins and rise again so that they can be declared righteous, fit for God's kingdom. After Jesus ascends to heaven and establishes the Church, the kingdom advances through the Church's ministry. Understanding redemptive history through the kingdom paradigm differs from the long-standing interpretations of Dispensationalism and Covenantalism. These views are considered in this book, but the focus is on how the kingdom is central to God's design for history. Following its progress helps us see our location and roles in the fulfillment of God's divine plan. This can inform our faith and increase Church unity as we glorify God through His amazing plan of redemption.
