Thy Neighbors Wife By Gay Talese Doubleday May 25
1980

Henry V. Sattler

Thy Neighbors Wife By Gay Talese Doubleday May 25 1980:

The #1 New York Times Bestseller John Bear,1992 Lists hundreds of books that have made the famous list and offers facts about the publishing industry authors and the list itself *Max Lerner* Sanford Lakoff,1998-10-15 Max Lerner Pilgrim in the Promise Land is a fair honest and vivid portrait of one of the notable American public intellectuals of the century Sanford Lakoff s perceptive biography illuminates both Lerner s complex life and his turbulent times Arthur Schlesinger Jr 17 halftones *The New York Times Book Review* ,1981 Intimate Matters John D'Emilio,Estelle B. Freedman,2012-12-03 Fascinating chart s a gradual but decisive shift in the way Americans have understood sex and its meaning in their lives New York Times Book Review The first full length study of the history of sexuality in America Intimate Matters offers trenchant insights into the sexual behavior of Americans from colonial times to today D Emilio and Freedman give us a deeper understanding of how sexuality has dramatically influenced politics and culture throughout our history Intimate Matters was cited by Supreme Court Justice Anthony Kennedy when writing for a majority of court on July 26 he and his colleagues struck down a Texas law criminalizing sodomy The decision was widely hailed as a victory for gay rights The justice mentioned Intimate Matters specifically in the court s decision Chicago Tribune With comprehensiveness and care D Emilio and Freedman have surveyed the sexual patterns for an entire nation across four centuries Nation Comprehensive meticulous and intelligent Washington Post Book World This book is remarkable Intimate Matters is bound to become the definitive survey of American sexual history for years to come Roy Porter Journal of the History of the Behavioral Sciences Playboy and the Making of the Good Life in Modern America Elizabeth Fraterrigo,2009 In exploring the history of America s most widely read and influential men s magazine Elizabeth Fraterrigo hones in on the values style and gender formulations put forth in its pages and how they gained widespread currency in American culture **The Publishers Weekly** ,1981

Plural Marriage for Our Times Philip L. Kilbride,Douglas R. Page,2012-08-17 This thoroughly revised second edition offers a child centered international perspective as it urges America to de stigmatize alternate family forms In this book s first edition Philip L Kilbride showed polygamy as the preferred marriage pattern in most parts of the nonwestern world and explained how plural marriage is surfacing in western countries to address economic and spiritual crises In Plural Marriage for Our Times A Reinvented Option Second Edition Kilbride and his coauthor Douglas R Page update and enhance this thesis in light of contemporary circumstances new studies and current legal debates This new edition examines plural marriage s benefits for children It extends the discussion of polygamy and religion especially the Muslim perspective on marriage and family considers the illegal polygamy of immigrants and looks at multiple marriage in African American communities where crisis polygamy is a growing phenomenon The authors suggest Americans consider plural marriage as a viable practice that can help reduce the divorce rate better protect women and children and serve as an alternative to the fractured family so prevalent in America today *The Birth of the Pill* Jonathan Eig,2014-09-29 A Chicago Tribune Best Books of 2014 A Slate

Best Books 2014 Staff Picks A St Louis Post Dispatch Best Books of 2014 The fascinating story of one of the most important scientific discoveries of the twentieth century We know it simply as the pill yet its genesis was anything but simple Jonathan Eig s masterful narrative revolves around four principal characters the fiery feminist Margaret Sanger who was a champion of birth control in her campaign for the rights of women but neglected her own children in pursuit of free love the beautiful Katharine McCormick who owed her fortune to her wealthy husband the son of the founder of International Harvester and a schizophrenic the visionary scientist Gregory Pincus who was dismissed by Harvard in the 1930s as a result of his experimentation with in vitro fertilization but who after he was approached by Sanger and McCormick grew obsessed with the idea of inventing a drug that could stop ovulation and the telegenic John Rock a Catholic doctor from Boston who battled his own church to become an enormously effective advocate in the effort to win public approval for the drug that would be marketed by Searle as Enovid Spanning the years from Sanger s heady Greenwich Village days in the early twentieth century to trial tests in Puerto Rico in the 1950s to the cusp of the sexual revolution in the 1960s this is a grand story of radical feminist politics scientific ingenuity establishment opposition and ultimately a sea change in social attitudes Brilliantly researched and briskly written *The Birth of the Pill* is gripping social cultural and scientific history **New York Magazine**, 1980-04-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **"Soft Porn" Plays Hardball** Judith A. Reisman, 1991 **Literary Journalism in the Twentieth Century** Norman Sims, 2008-11-04 This wide ranging collection of critical essays on literary journalism addresses the shifting border between fiction and non fiction literature and journalism *Literary Journalism in the Twentieth Century* addresses general and historical issues explores questions of authorial intent and the status of the territory between literature and journalism and offers a case study of Mary McCarthy s 1953 piece *Artists in Uniform* a classic of literary journalism Sims offers a thought provoking study of the nature of perception and the truth as well as issues facing journalism today *The Marriage Book* Lisa Grunwald, Stephen Adler, 2015-05-12 Mining centuries and cultures sources and genres bestselling editors Lisa Grunwald and Stephen Adler offer answers from ancient history and modern politics poetry and pamphlets plays and songs newspaper ads and postcards An A to Z compendium exploring topics from Adam and Even to Beginnings Fidelity to Grievances Sex to Triumphs You ll hear from novelists clergymen sex experts and presidents with guest appearances by the likes of Napoleon and Josephine Lucy and Desi Luois C K and Neil Patrick Harris Casanova calls marriage the tomb of love and Stephen King calls it his greatest accomplishment **The Routledge Companion to American Literary Journalism** William Dow, Roberta Maguire, 2019-11-13 Taking a thematic approach this new companion provides an interdisciplinary

cross cultural and international study of American literary journalism From the work of Frederick Douglass and Walt Whitman to that of Joan Didion and Dorothy Parker literary journalism is a genre that both reveals and shapes American history and identity This volume not only calls attention to literary journalism as a distinctive genre but also provides a critical foundation for future scholarship It brings together cutting edge research from literary journalism scholars examining historical perspectives themes venues and genres across time theoretical approaches and disciplinary intersections and new directions for scholarly inquiry Provoking reconsideration and inquiry while providing new historical interpretations this companion recognizes interacts with and honors the tradition and legacies of American literary journalism scholarship Engaging the work of disciplines such as sociology anthropology African American studies gender studies visual studies media studies and American studies in addition to journalism and literary studies this book is perfect for students and scholars of those disciplines

American Magazine Journalists, 1900-1960 Sam G. Riley, 1994 p This award winning multi volume series is dedicated to making literature and its creators better understood and more accessible to students and interested readers while satisfying the standards of librarians teachers and scholars I Dictionary of Literary Biography I provides reliable information in an easily comprehensible format while placing writers in the larger perspective of literary history p I Dictionary of Literary Biography I systematically presents career biographies and criticism of writers from all eras and all genres through volumes dedicated to specific types of literature and time periods P For a listing of I Dictionary of Literary Biography I volumes sorted by genre a href pdf facts DBL vol by genre pdf click here a

The Official Washington Post Index , 1982 **World Book Year Book 1980** World Book, Incorporated, 1980 **From the Palmer Raids to the Patriot Act** Christopher M. Finan, 2007 After Upton Sinclair famed author of *The Jungle* was arrested for reading the First Amendment on Liberty Hill in 1923 *The Nation* commented When we contemplate the antics of the chief of police of Los Angeles we are deterred from characterizing him as an ass only through fear that such a comparison would lay us open to damages from every self respecting donkey In this lively history of our most fundamental and perhaps most vulnerable right Chris Finan traces the lifeline of free speech from the War on Terror back to the turn of the last century During the YMCA s 1892 Suppression of Vice campaign muttonchopped moralist Anthony Comstock railed against writings by that Irish smut dealer George Bernard Shaw In the midst of the country s first Red Scare the government rounded up thousands of Russian Americans for deportation during the Palmer raids Decades later a second Red Scare gripped the country as Senator Joseph McCarthy spearheaded a witch hunt for egg sucking liberals who defended Communists and queers Finan s dramatic review of such touchstones as the Scopes trial and Edward R Murrow s challenge to Joseph McCarthy are revelatory many of his narratives are entirely fresh and have as much relevance to our postndash PATRIOT Act world as his final chapter on the twenty first century The story of the fight for free speech in times of war and peace when writers publishers booksellers and librarians are often on the front lines is essential reading Christopher Finan has given us a marvelously readable account of

the struggle for free speech in the United States Beginning with the birth of the American civil liberties movement during World War I Finan traces the often grueling battles over free speech in wartime book censorship McCarthyism and freedom of the press that have marked the gradual evolution of American freedom It is a story every American should know for it is our nation's greatest achievement Geoffrey R Stone author of *Perilous Times Free Speech in Wartime* from The Sedition Act of 1798 to The War on Terrorism The Founding Fathers gave us the First Amendment but we have had to fight for free speech Radicals reactionaries feminists religious zealots African Americans Klansmen college students even schoolchildren have played a role in expanding free speech They are all present in Chris Finan's colorful narrative which shows how much progress we have made and how far we have to go Nadine Strossen President of the American Civil Liberties Union and Professor of Law New York Law School In this masterful work Chris Finan deftly chronicles the challenges to free speech in the twentieth century an accessible thought provoking history that not only informs but also engages the reader Joyce Meskis Owner Tattered Cover Book Store Denver Concisely detailed and researched From the Palmer Raids to the Patriot Act reads like high powered fiction Characters as diverse as Roger Baldwin Bernie Sanders Allen Ginsberg Fatty Arbuckle Jane Russell Anthony Comstock John Ashcroft and Dwight Eisenhower share the stage to tell the tale of a nation at odds with its Puritan heritage A timely addition to bookshelves as the United States wrestles with issues of privacy and personal freedoms in an age of terrorism tied to an unpopular war Kenton Oliver Intellectual Freedom Committee Chair the American Library Association American history is marred by recurrent episodes of hate Red scares super patriotism fear of sexual expression Christopher Finan brilliantly paints that record and shows how courageous Americans have fought for freedom Anthony Lewis author of *Gideon's Trumpet* and *Make No Law* Chris Finan is the president of the American Booksellers Association [All about Love](#) Henry V. Sattler, 1985

Pornography F. M. Christensen, 1990-05-07 A unique and important book I have never read any work which analyzes the subject in such a manner This book is more thorough and has a more liberated point of view than others which attempt to tackle this hot potato of the 1980s Men should read this book Women should read this book Karen DeCrow former President NOW This study slices like a laser through all the fog of rhetoric disinformation bias and fear that has long enveloped all discussions of the subject of pornography in the US No argument in favor of the censorship of such material can be considered valid unless the basic arguments of this study are answered This is a valuable resource for all academic libraries and could well become a fundamental weapon in the war to preserve the First Amendment This book should be purchased by all but the smallest libraries it may well be the most honest discussion of the subject ever written Choice In the continuing debate over pornography two arguments stand out that it is evil and should be censored or that it is evil but censorship is a greater evil F M Christensen presents the other side of this debate in what will surely be one of the most controversial books on the subject Pornography The Other Side convincingly argues that anti pornography campaigns are themselves morally evil The author defends this startling claim with a scientific persuasiveness He successfully opens the

pornography debate to include the whole picture allowing the reader to grasp another side to this ongoing debate with concise practical arguments Students and scholars of all the social sciences as well as the informed general reader will find Pornography The Other Side a source of stimulating ideas Christensen concludes that pornography itself is not the fundamental issue for those who oppose it Vehement opposition to pornography according to this book is a symptom of tragically mistaken beliefs about sex What this book is really about writes the author is sex and the evil effects on the lives of all of us which irrational attitudes toward that subject continue to have *The Forbidden Apple* Kat Long,2009 There's a great history of racy entertainment covering itself if scantily in a cloak of righteous education Kat Long describes these protective measures or ruses Long also chronicles the way that initiatives to eradicate vice only helped pave the way for its further evolution in the city New York Times Book Review Kat Long covers the great upheavals that have pushed the advantage in the sex wars one way or the other Village Voice Long's *The Forbidden Apple* is a fast paced and vivid overview documenting the conflicts between evangelical moralists and defenders of sexual expression commercial and otherwise Anyone interested in New York City or sex will have to pick this up Timothy Gilfoyle author *City of Eros* and *A Pickpocket's Tale* Long has provided a fascinating overview of sex in New York City since the Civil War Everything you always wanted to know and a lot you would never have suspected Kevin Baker author of *Strivers Row* *Paradise Alley* and *Dreamland* *The Forbidden Apple* A Century of Sex the women's movement at the turn of the twentieth century the hedonistic roaring twenties the rise of Times Square as the city's sexual epicenter in the 1940s and 1950s the birth of the gay rights movement in the 1960s the decadence and pornography of the 1970s and the AIDS epidemic of the 1980s The first ever comprehensive sexual history of New York City *The Forbidden Apple* shows how many of this country's most important sexual trends got their start in New York and also demonstrates how the repressive forces of morality and decency have waged war against the forces of sexual liberation and freedom throughout the city's history
