yatra Though the move could limit BJP's wild dream of 400 seats beyond that subsequently he failed to deliver anything constructively to hold Prime Minister Modi from his frantic drive. Within his coalition Modi is engaged himself with the mission of de-ideologising India, a mission to erase national history heroes and reject the very idea of India. In this juncture how to set the house in order and regain India's liberal and secular fabrics back to its normalcy. The political experience of the civil society progressive forces and intellectuals along with the larger opposition parties can unitedly defeat the foes of democracy and freedom.
