

The background of the entire image is a dark, atmospheric illustration of a city street at night. The street is wet and reflective, mirroring the red and orange light from the sky and the buildings. On either side of the street are tall, dark buildings with some lit windows. In the center of the street, a lone figure stands with their back to the viewer, looking down the street towards a bright, glowing light source at the horizon. The overall color palette is dominated by dark blues, greys, and a strong red/orange glow from the sky and the distant light source.
