arranged by theme The Rise of the Memoir Alex Zwerdling, 2017 The Rise of the Memoir traces the growth and extraordinarily wide appeal of the memoir Its territory is private rather than public life shame guilt and embarrassment not the achievements celebrated in the public record What accounts for the sharp need writers like Rousseau Woolf Orwell Nabokov Primo Levi and Maxine Hong Kingston felt to write and to publish such works when they might more easily have chosen to remain silent Alex Zwerdling explores why each of these writers felt compelled to write them as that story can be reconstructed from personal materials available in archival collections what internal conflicts they encountered while trying and how each of them resisted the private and public pressures to stop themselves rather than pursuing this confessional route against their own doubts without a reasonable expectation that such works would be welcome in print and eventually find an empathetic audience Reconstructing this process in which a dubious project eventually becomes a compelling product a memoir that will last illuminates both what was at stake and why this serially invented open form has reshaped the expectations of readers who welcomed a vital alternative to the official story **The Truth of Memoir** Kerry Cohen, 2014-12-19 Baring the Truth in Your Memoir When you write a memoir or personal essay you dare to reveal the truths of your experience about yourself and about others in your life How do you expose long guarded secrets and discuss bad behavior How do you gracefully portray your family members friends spouses exes and children without damaging your relationships How do you balance your respect for others with your desire to tell the truth In The Truth of Memoir best selling memoirist Kerry Cohen provides insight and guidelines for depicting the characters who appear in your work with honesty and compassion You ll learn how to choose which details to include and which secrets to tell how to render the people in your life artfully and fully on the page and what reactions you can expect from those you include in your work as well as from readers and the media Featuring over twenty candid essays from memoirists sharing their experiences and advice as well as exercises for writing about others in your memoirs and essays The Truth of Memoir will give you the courage and confidence to write your story and all of its requisite characters with truth and grace Kerry Cohen s The Truth of Memoir is a smart soulful psychologically astute guide to first person writing She reveals everything you want to know but were afraid to ask about telling your life story Susan Shapiro author of eight books including Only As Good as Your Word and co author of The Bosnia List **A Stranger's Journey** David Mura, 2018-08-01 Long recognized as a master teacher at writing programs like VONA the Loft and the Stonecoast MFA with A Stranger s Journey David Mura has written a book on creative writing that addresses our increasingly diverse American literature Mura argues for a more inclusive and expansive definition of craft particularly in relationship to race even as he elucidates timeless rules of narrative construction in fiction and memoir His essays offer technique focused readings of writers such as James Baldwin ZZ Packer Maxine Hong Kingston Mary Karr and Garrett Hongo while making compelling connections to Mura s own life and work as a Japanese American writer In A Stranger s Journey Mura poses two central questions The first involves identity How is writing an exploration of

who one is and one's place in the world Mura examines how the myriad identities in our changing contemporary canon have led to new challenges regarding both craft and pedagogy Here like Toni Morrison's *Playing in the Dark* or Jeff Chang's *Who We Be* A Stranger's Journey breaks new ground in our understanding of the relationship between the issues of race literature and culture The book's second central question involves structure How does one tell a story Mura provides clear insightful narrative tools that any writer may use taking in techniques from fiction screenplays playwriting and myth Through this process Mura candidly explores the newly evolved aesthetic principles of memoir and how questions of identity occupy a central place in contemporary memoir
