This Side Of The Dirt:

There Is a Place Where We Meet Purcell Mark Purcell, Mark Purcell, 2009-10 After over 25 years of working with people and attempting to help them as a psychotherapist trainer and teacher I have not only walked through the joys and struggles of my own life experiences and those of family and friends but I have had the benefits and privilege of learning and living vicariously while listening to untold hours with literally thousands of clients during their own struggling and searching I have been encouraged by and privileged to watch the healing growth and transcendence from life's struggles of thousands of people and I have felt pain and sadness in witnessing the deterioration resistance and self destruction of countless others I have come to believe that the primary determining factor of whether one experiences transcendence or deterioration is a determined willingness to go through the struggles and to develop an attitude that looks courageously into the eye of the storm and says assuredly You will not break me These poems are captured moments of my own experiences and reflections on the journeys of others as we have separately and together enjoyed the sunrises and sunsets while sometimes weathering the storms in between May these poems help you better understand yourself and your fellow travelers and no matter how difficult or deep your own abyss of darkness may you always find Hope THE RHYTHM OF LIFE Today could not have been Without yesterday's haunting wind Blowing by and changing my life Stirring up realities and other sundry strife The happenings of this hour Would rightfully have no power Without the joys and pains of past Shaping and creating me at last Had even one conversation been altered Or one person or event faltered This moment in which I now breathe Would not now be as is conceived There is a Great Choreographer somewhere someplace Who orchestrates my moves and your every pace Matching our steps in infinite perfect time Then this dance once confusing starts to rhyme *This Side of Jordan* Monte Schulz, 2009-10-20 A seductive novel of southern lyricism Monte Schulz's prose novel opens in the spring of 1929 as the 19 year old consumptive farm boy Alvin Pendergast attends an ill fated dance marathon he's too sickly to participate in After a year of his life has been stolen by a sanitarium Alvin knows he's relapsing and dreads not only the drudgery of his family's homestead but a return to the hospital In this state of mind an invitation for a late night slice of pie is too seductive to pass up and before he knows it Alvin crosses the Mississippi River and finds himself working for a slick con artist named Chester Burke Alvin is no match for Chester who's not merely a con man but a gangster from Chicago following the bootleg liquor trade through the small towns of America's middle border With Alvin in tow Chester's insouciant disregard for life serves him well as he embarks upon a series of bank robberies and senseless murders All summer long Chester assumes the role of a dark angel on Judgment day cleansing the scrolls of those whose sad fortune had drawn them across his path Too ill to flee too morally weak to object Alvin resigns himself to what seems like certain doom somewhere down the road Fortunately Alvin finds another companion on his journey a lonely eccentric and grandiloquent dwarf named Rascal whose own infirmity binds his and the farm boy's destiny together Drawn deeper and deeper into Chester's murderous frolic they come across a curious

assortment of characters from small town businessmen and religious kooks to wayward girls and dance contestants spiritualists and sideshow freaks Caught between Chester s villainy and Alvin s own physical deterioration the young farm boy must make a decision stick with Chester who would surely kill him at the slightest hint of betrayal or muster the courage to stake his life on faith in Rascal s clever plan to save them both Tired of being afraid Alvin finally grasps the need not only to outwit the gangster but to find another road to travel What he discovers about the meaning of home offers a solution to escape and freedom This Side of Jordan is a thoroughly American novel told in the voice of a lost generation hurtling toward the Great Depression and evokes a long ago America of crowded Main Streets and tourist camps miles of cornfields rural church es and musty parlors It ends on the fairgrounds of a traveling wagon circus that beckons gangster farm boy and dwarf toward a startling resolution and a hard fought absolution for the two young frightened collaborators The narrative of this novel has the momentum of a freight train but told in the seductive rhythmic tradition of Southern lyricism reminiscent of Flannery O Connor and Truman Capote and filled with vivid outsized literary characters If Jim Thompson and Carson McCullers went on a collaborative bender by kidnapping Holden Caulfield Perry Smith and Ignatius J Reilly they d have come up with something like This Side of Jordan
