This Chagne Mojito Is The Last Thing I Own:

This Champagne Mojito is the Last Thing I Own Ross O'Carroll-Kelly, 2008-06-05 Ross O'Carroll Kelly thought he had it all. Nice gaff, cool cor, plenty of dosh, a stake in Dublin's trendiest nightclub, and a face that made boyfriends jealous. To say nothing of a beautiful wife and kids. All that remained was for him to totally fock it up. And I mean totally. But did he see it coming? Of course not, too busy using his killer lines on the Seoige sisters. And then it hit me all at once, on a lonely night in the Ice Bar.

Reading Paul Howard Eugene O'Brien, 2023-12-22 Reading Paul Howard's *The Art of Ross O'Carroll Kelly* offers a thorough examination of narrative devices, satirical modes, cultural context, and humour in Howard's texts. The volume argues that his academic critical neglect is due to a classic bifurcation in Irish Studies between high and popular culture, and it will use the thought of Pierre Bourdieu, Sigmund Freud, Mikhail Bakhtin, and Jacques Derrida to critique this division, building a theoretical platform from which to examine the significance of Howard's work as an Irish comic and satirical writer.

Addressing both the style and the substance of his work, this text locates him in a tradition of Irish satirical writing that dates back to the Gaelic bards, and it includes writers like Swift, Wilde, Flann O'Brien, and Joyce. Through textual and contextual analysis, this book makes the case for Howard as a significant and original voice in Irish writing, whose fusion of the three traditional types of satire—Horatian, Juvenalian, and Menippean—has created a parallel Ireland that shines a satirical light on its real counterpart. As Freud suggests, humour is a way of accessing aspects of the psyche that normative discourses cannot enunciate, and Howard, through the confessional voice of Ross, offers a fictive truth on 20 years of Irish society, a truth that is not accessed by discourse in the public sphere or by what could be termed literary or high cultural fiction.

Passages

Maria Beville, Marita Ryan, Maeve Tynan, 2020-07-13 The multiplicity of interpretations available in the word 'passages' is engaged with in this collection of essays that perceptively navigate the ideas of literal and metaphorical crossings, sites of liminality, and interstitial zones, the traversal of boundaries, and the complex notion of rites and rights of passage. This 'passages' topic is elucidated through discussions on writers as diverse as James Joyce and the Palestinian poet Tawfīq Sūyūh and genres that include the novel, short story, poetry, and drama. The diversity of texts is matched by a diversity of theoretical readings that stimulate debate around central ideas such as how are old texts revisited and reimagined in the context of new theories? How do contemporary texts reappropriate the past to critically appraise the present? How is identity renegotiated in cross-cultural texts and in translations? The combination of close textual readings with broader philosophical and cultural deliberations allows for a vigorous examination of texts and theories. The authors, in capturing the cultural moment of their work while acknowledging the ongoing movement of the texts and theory, allow the reader to both contextualise the work and recognise the creative evolution of ideas that are simultaneously at play. Academically orientated, this collection is essential reading for anyone interested in changing theoretical ideas and how they are reinvigorating a reading of literature. It will be of interest especially to students and scholars of English literature, philosophy, and cultural studies. Its close textual analysis

and multiple perspectives will also make it a very useful classroom text in the aforementioned areas **From prosperity to austerity** Eamon Maher, Eugene O'Brien, 2015-11-01 This collection examines the Irish economic phenomenon of the Celtic Tiger and the financial disaster that came in its wake from a socio cultural perspective It focuses on how these financial developments have been reflected in writing film and culture in order to offer a more rounded analysis of the effects of this momentous period on people's lives Employing a wide range of cultural lenses the book critiques the cultural political and aesthetic implications of the progression from prosperity to austerity and the impact this has had on the psyche of Irish culture An eclectic mix of theoretical approaches enables treatment of religion literature popular culture photography gastronomy music gender immigration and film as contributors assess how the Celtic Tiger was represented or misrepresented in these particular spheres of experience In addition the chapters also probe the effects on all of the aforementioned cultural forms and interrogate how the lives of people have been transformed in ways that go beyond the already well documented areas of economics and finance The book will be a valuable resource for academics and students interested in contemporary Ireland and recent Irish history as well as the general reader anxious to understand the effects of this particular period on the real lives of people as expressed through culture It features contributions by internationally acknowledged experts in their fields and offers a comprehensive overview of the cultural consequences of the Celtic Tiger and its aftermath *The Undecidable* Clare Gorman, 2015-09-18 This book offers a detailed engagement between the French philosopher Jacques Derrida and the contemporary Irish author Paul Howard aka Ross O Carroll Kelly The book offers insightful analyses of Derrida's deconstructive theory with all its concepts non concepts and neologisms thus showing how they can be used in order to provide a critique of the socio linguistic realm of Howard's fictional series Through his work Howard set in ink a depiction of Ireland and specifically Dublin throughout the Celtic Tiger era and its aftermath The book promotes a dialogue between Derrida and Howard in order to cultivate a succinct and accessible overview of critical theory *Dublin* Christopher Morash, 2023-03-09 The words of its writers are part of the texture of Dublin an invisible counterpart to the bricks and pavement we see around us Beyond the ever present footsteps of James Joyce's characters Leopold Bloom or Stephen Dedalus around the city centre an ordinary looking residential street overlooking Dublin Bay for instance presents the house where Nobel Laureate Seamus Heaney lived for many years a few blocks away is the house where another Nobel Laureate W B Yeats was born Just down the coast is the pier linked to yet another Samuel Beckett from which we can see the Martello Tower that is the setting for the opening chapter of *Ulysses* But these are only a few Step by step Dublin A Writer's City unfolds a book lover's map of this unique city inviting us to experience what it means to live in a great city of literature The book is heavily illustrated and features custom maps *The Cuban Missus Crisis* David M. Addison, 2015-06-01 In this humorous travelogue round Cuba the hapless author suffers from both urban myths and his Missus aka the Drinks Police The first he debunks as they occur the crises his Missus causes or would have caused but for his

timely intervention are a more serious matter Acutely aware that Cuba is certain to change in the near future and probably radically award winning author David M Addison was anxious to experience the country as it is now under communism and Castro Apart from describing what daily life is like for ordinary Cubans he also delves into Cubas past from the original inhabitants and post Columbian conquest to the Wars of Independence and the Bay of Pigs and its aftermath On the literary trail Addison pays homage to Hemingway as he follows in his footsteps And if that should necessitate a visit to a bar or two that cant be helped Its not a lame excuse for a bar crawl despite what the Drinks Police may think It goes without saying that in Cuba you cant avoid classic cars and cigars but the author also takes a close look at Cubas art and architecture flora and fauna and not least the countrys other most famous product rum Another cause for a crisis as far as the Missus is concerned A mine on all aspects of Cuban culture both past and present this is useful background reading for anyone intending a visit to Cuba as well as being a handy accompaniment to your guidebook when you go Or if armchair travelling is more your thing pour yourself a glass of rum or mix a mojito and learn and laugh your way round Cuba *Books Ireland* ,2007 *No Way Home* Carlos Acosta,2008-05-06 Carlos Acosta the Cuban dancer considered to be one of the world s greatest performers fearlessly depicts his journey from adolescent troublemaker to international superstar in his captivating memoir *No Way Home* Carlos was just another kid from the slums of Havana the youngest son of a truck driver and a housewife he ditched school with his friends and dreamed of becoming Cuba s best soccer player Exasperated by his son s delinquent behavior Carlos s father enrolled him in ballet school subjecting him to grueling days that started at five thirty in the morning and ended long after sunset The path from student to star was not an easy one Even as he won dance competitions and wowed critics around the world Carlos was homesick for Cuba crippled by loneliness and self doubt As he traveled the world Carlos struggled to overcome popular stereotypes and misconceptions to maintain a relationship with his family and most of all to find a place he could call home This impassioned memoir is about more than Carlos s rise to stardom It is about a young man forced to leave his homeland and loved ones for a life of self discipline displacement and physical hardship It is also about how the heart and soul of a country can touch the heart and soul of one of its citizens With candor and humor Carlos vividly depicts daily life in communist Cuba his feelings about ballet an art form he both loves and hates and his complex relationship with his father Carlos Acosta makes dance look effortless but the grace strength and charisma we see onstage have come at a cost Here in his own words is the story of the price he paid **Going Deep Boxed Set** Virna DePaul,2018-07-13 *Going Deep Boxed Set (Books 1-4)* Virna DePaul,2020-12-23 This boxed set collection includes four football romances *Down Deep* *Royally Deep* *Deep Inside* and *Deep Desire* each with a sexy fast paced and emotional romance inside *Down Deep* In high school Heath mistook Camille for the water boy Now ten years later Camille is a football photographer and single mother and her old crush returns with a vengeance when she sees Heath again In *Royally Deep* sparks fly between NFL quarterback Kyle and princess in disguise Bella but is happily ever after in the cards for these two lovers from different worlds *Deep Inside*

Smith, 2010-12-30 I had always wanted to visit Cuba The mystique surrounding Castro and Che had piqued my curiosity and imagination What was there about this tiny country which lay just 80 miles from Florida that prompted our government to treat it as a threat to our way of life Why had we backed a poorly organized band of mercenaries in an aborted invasion attempt Why had American celebrities and fun seekers flocked there in pre Castro days Why is Cuba still a mecca for millions of tourists from all over the world Why does our government make it so difficult for United States citizens to visit there Well I found a way to go to try to find some answers to those questions and many others This is the story of my visit and an account of what I found **The Worlds of Langston**

Hughes Vera M. Kutzinski, 2012-09-18 The poet Langston Hughes was a tireless world traveler and a prolific translator editor and marketer Translations of his own writings traveled even more widely than he did earning him adulation throughout Europe Asia and especially the Americas In *The Worlds of Langston Hughes* Vera Kutzinski contends that for writers who are part of the African diaspora translation is more than just a literary practice it is a fact of life and a way of thinking Focusing on Hughes's autobiographies translations of his poetry his own translations and the political lyrics that brought him to the attention of the infamous McCarthy Committee she shows that translating and being translated and often mistranslated are as vital to Hughes's own poetics as they are to understanding the historical network of cultural relations known as literary modernism As Kutzinski maps the trajectory of Hughes's writings across Europe and the Americas we see the remarkable extent to which the translations of his poetry were in conversation with the work of other modernist writers Kutzinski spotlights cities whose role as meeting places for modernists from all over the world has yet to be fully explored Madrid Havana Buenos Aires Mexico City and of course Harlem The result is a fresh look at Hughes not as a solitary author who wrote in a single language but as an international figure at the heart of a global intellectual and artistic formation
