This Sporting Life:

This Sporting Life David Storey, 2015-08-11 A rugby player finds fame and fortune in a bleak mining town but he cannot outrun the emptiness he feels inside in Man Booker Prize winning author David Storey's seminal first novel On Christmas Eve Arthur breaks his two front teeth A teammate on the rugby pitch is too slow with a handoff and instead of catching the ball Art catches an opponent's foot right in the mouth When he regains consciousness the match is almost over but he keeps playing regardless Where else would he go His entire life Art has only cared about sports and nothing grabs his attention quite like the lightning fast violence of Rugby League He knows it could kill him but it also makes him feel alive In this hard bitten Yorkshire mining town the warriors of the rugby pitch are treated like gods Through the aggressive sport Art finds money friends and countless women But when his lust for violence begins to fade will he have the courage to leave the game behind

British New Wave B. F. Taylor, 2013-07-19 This book offers an opportunity to reconsider the films of the British New Wave in the light of forty years of heated debate By eschewing the usual tendency to view films like *A Kind of Loving* and *The Entertainer* collectively and include them in broader debates about class gender and ideology this book presents a new and innovative look at this famous cycle of British films For each film a re distribution of existing critical emphasis also allows the problematic relationship between these films and the question of realism to be reconsidered Drawing upon existing sources and returning to long standing and unchallenged assumptions about these films this book offers the opportunity for the reader to return to the British New Wave and decide for themselves where they stand in relation to the films *This*

Sporting Life William Wright Kelly, Atsuo Sugimoto, 2007 **This Sporting Life** David Storey, 2018-10-23 Rugby League football in an industrial northern city circa 1960 is a life of grime mud sweat intrigue and naked ambition In *This Sporting Life* David Storey recounts the fortunes of gladiator hero Arthur Machin from the day of his inclusion in the local team to the match when he begins to feel age creeping up on him Through Arthur we are taken into his raw often brutal world of players backers Saturday crowds bloody noses and broken teeth landladies and communal baths *This Sporting Life* Edward Maurice Gibson, 1950 Sport and the Literary Imagination Jeffrey Hill, 2006 The development of sport in the twentieth

century has been examined from a variety of angles Rarely though has the work of the creative writer been considered in detail This book directs its attention to this neglected area examining a selection of novels in which the subject of sport has featured prominently It highlights the ways in which novelists in the second half of the twentieth century have approached sport explained its place in society and through the sporting subject constructed a critique of the historical circumstances in which their narrative is set The study therefore seeks to complement the increasing body of work on the representation of sport through such media as film television and autobiography It also brings a fresh dimension to the use made by historians of literary sources suggesting that creative fiction can be far more valuable as historical evidence than has customarily been acknowledged

The Plays of David Storey William Hutchings, 1988. This is the first comprehensive play-by-play analysis of the drama of David Storey, one of the most acclaimed and innovative, sometimes controversial writers in the British theatre since World War II. Grouping the plays according to theme, Hutchings demonstrates that the central focus in the drama of David Storey is the devaluation of traditional rituals in contemporary life and the disintegration of the family. A playwright attuned to the poetry in the ordinary, to the profundity, subtle eloquence and dramatic tension in the mundane, Storey explores the ways people cope or fail to cope with complexity, with uncertainty, with constant bewildering flux. He writes about groups, families. In *Celebration*, the Farm rugby teams; *The Changing Room* and construction crews; *The Contractor*. In his plays, individuals seek to overcome isolation and integrate themselves into a significant assemblage that transcends the self. Hutchings notes that Storey frequently deals with working-class parents who cannot understand their grown children's anxieties, their discontentedness with life, their unstable marriages and their inability to enjoy the benefits of the education and advantages they labored so hard for so many years to provide. Storey understands and sympathizes with parents who have paid to educate their children out of their own spheres. He saw it happen in his own family: knew the disapproval of his father. What else could my father think when, nearing sixty, he came home each day from the pit, exhausted, shattered by fatigue, to find me a young man ideally physically equipped to do the job which now left him totally prostrated, painting a picture of flowers or writing a poem about a cloud? There was and there is no hope of reconciliation. Hutchings supplements his thematic analysis of Storey's plays by interweaving into his text 90 percent of a major interview with the playwright, the only such comprehensive interview in existence. Storey, who believes that readers ought to be chary of all interviews, discusses alleged literary influences on his work, the current state of British theatre and his reactions to critics. He also provides insight into various productions and performances in his work.
