Though He Slay Me Seeing God As Good In Suffering:

Though He Slay Me Jamie Freeman, 2014 Biblical view of suffering Personal account of God using suffering for His blessing Inspirational story of God at work [It's Not Where I'm At; It's Where I'm Going!](#) Alisa Bullock, 2019-08-28 Perhaps this is the moment for which you were created Esther 4 14 I saw this in a Christian Book Store and it hit me like a rock I believe we are all created for something but I didn't realize that it would be for me to find beauty in my mom's diagnosis of Alzheimer's Alzheimer's dementia is well known for being a horrible disease that rocks the world of families that must deal with it The elderly is a beautiful group of people I have come to see them in a totally different way with the writing of my book This book is about the love of a daughter that must step into the role of mothering her mom in every area of her life Is it easy No but with God's Word and seeing things through the eyes of the Lord it only opens the door to a brighter future amid all the darkness that I find myself walking in As I have been walking with my mom in this disease I have grown so much spiritually and although there has been so much negative there has been a lot of positive I must continually remember that no matter how I envision the life my mom is living and how I see her declining every day I can find hope in the fact that she can be assured It's Not Where I'm At It's Where I'm Going *The Works of the Rev. laboring under the false notion that God himself is not happy But nothing could be further from the truth God does want us to be happy The Bible is filled with verses that prove that ours is a happy joy filled God who not only loves celebrations but also desperately wants his children to be happy Why else would He go to the lengths He did to ensure our eternal happiness in His presence We know that we will experience unimaginable joy and happiness in Heaven but that doesn't mean we can't also experience joy and happiness here on earth In Happiness noted theologian Randy Alcorn dispels centuries of misconceptions about happiness and provides indisputable proof that God not only wants us to be happy He commands it The most definitive study on the subject of happiness to date this book is a paradigm shifting wake up call for the church and Christians everywhere
