

The ant and the grasshopper

A little ant and a grasshopper lived together in a rocky green area. The little ant always got up early to collect and store grains for the winter. However, the grasshopper spent its time flying and jumping in the area. The little ant advised it many times to collect its food before the difficult winter, but the grasshopper didn't care and spent its time playing. The difficult winter came and the grasshopper didn't find enough food to eat.

flattered by such a compliment but not Jessica She has sworn off any interest in men and is less than impressed by a pass being made at her and rudely tells Paul her thoughts on the matter before they part ways The next day the scene between Paul and herself plays in her mind and Jessica wonders if she had been too harsh with her words to him but she puts her feelings of guilt aside taking comfort in the fact that she will never see the stranger again Unfortunately she finds out the hard way that fate sometimes throws people together and to her surprise and horror she meets Paul again at the hotel where she works This time around she becomes aware that the stranger is no other than Mr Paul Truman who is a billionaire What's even more surprising is that fact that Paul seems even more determined than ever to prove that he is just the man for her The Reluctant Damsel in Distress Both Annabel and Gavin find their lives changing the moment they dramatically meet after Gavin nearly runs her over in the middle of the road Gavin insists on taking Annabel home after she is shaken by the event and there he is met by her matchmaking mother just before finding out on the same visit that Annabel is in need of much help as the bailiffs in his presence give her forty eight hours to pay off her debts to them otherwise Annabel's possessions will be confiscated Annabel feels uncomfortable that Gavin is aware of her problem but worse is to come when he takes it upon himself to pay off her debts and she finds that she now owes him instead of the bailiffs and so is at his mercy Now Annabel finds herself working hard to pay back Gavin's money but even more difficult for her is her fight to resist the obvious attraction they share between them
