Thoughts Ins Ane Ide My Mind:

My Thoughts Become Your Thoughts Tracy Menchenton, 2018-10-24 The existence of life s Presence within you the Kingdom of God was never intended to be a mystery And Eternal life is to be experienced now in this Present moment of life s only reality Your life s Conscious driven purpose was predestined before you were ever born It has always existed within you ready to be revealed you just had to come into the light of awareness of its existence This is the Practice of Awakening Your Mind to Your True Identity Life s Calling and Your Inspired Purpose The Minds Renewal Is the Path to Your New Transformation You are not who you think you are Your mind s false self awareness has separated you from the Presence of life In your separation from life s only reality this Present time you have created a false self identity or ego This ego continues to lead you astray from life s Presence by seeking for more beyond this Present moment the only reality of life s existence Transcend your mind s false self awareness to the higher state of Consciousness the awareness of your Oneness with life s Presence Know your true identity your Oneness with the Author and Perfecter the Creator of all life The end of all suffering You hold the key to your inner peace the end of your mental suffering You are not your thoughts the thinking and rationalizing mind but you are the observing or witnessing Presence within Know your mind s right standing position its correct alignment with Consciousness the awareness of life s Presence in the here and now of reality Learn to become free from the mind s attachment to the intellect and put an end to all your suffering Life has a purpose for you Predestined before the foundation of the earth life s unfolding script had a unique role for you to play You were created with a longing desire within to know your inner purpose something much greater than you could imagine for this life You were created with the secret of your identity and purpose hidden within you waiting to be revealed Life is calling you drawing you inward to an awareness of your true self and to fulfill its destiny and there is no greater time than now The New Beginning Are you ready child To take the journey of life as I have set it out just for you Hold fast for there is much to learn much to teach you Lend an ear to Me I will fill you up for wisdom only comes with reverence Ask and you shall receive I give all to My children who reverence Me Do not go outside of life s existence but remain in the Present with Me I shall surely reveal to you My unfolding plans for your life s purpose your great destiny
