who may have designs on Marcy next *The Stitching Hour* Amanda Lee,2015-11-03 In the latest mystery from the bestselling author of *Wicked Stitch* the future of Marcy Singer's embroidery shop is dangling by a thread Marcy's shop the Seven Year Stitch is one year old this October so it's time to party in little Tallulah Falls Oregon Aside from the Halloween decorations and festive stitching kits and patterns Marcy's got all sorts of celebratory swag including Seven Year Stitch key rings and goodie bags Unfortunately her new neighbors might spoil the revelry An eccentric couple has opened a haunted house next door and all that screaming will certainly scare off customers But there's even more to be frightened of after a local waitress is found dead on the sidewalk with mysterious markings on her neck and one of Marcy's key rings beneath her With no time to hem and haw Marcy must act fast if she hopes to restore the peace to Tallulah Falls **The Quick and the Thread** Amanda Lee,2010-08-03 First in a new mystery series that will have readers stitching and itching for more When Marcy Singer opens an embroidery specialty shop in quaint Tallulah Falls Oregon she throws a soiree and a Stitch In Soon Marcy's sign up sheet for embroidery classes fills up and everyone in town seems willing to raise a glass or a needle to support the newly opened Seven Year Stitch Then Marcy finds the shop's previous tenant dead in the store room a message scratched with a tapestry needle on the wall beside him Now Marcy's shop has become a crime scene and she's the prime suspect She'll have to find the killer before someone puts a final stitch in her **Wicked Stitch** Amanda Lee,2015-04-07 When murder strikes the small town of Tallulah Falls embroidery shop owner Marcy Singer isn't afraid of getting down to the knitty gritty to clear her name For most small business owners in Tallulah Falls the upcoming Renaissance Faire is a wonderful way to promote their specialty shops For Marcy's nemesis Nellie and her sister Clara it's an opportunity to finally put Marcy and her shop the Seven Year Stitch out of business Apparently the sisters like to make grudges a family affair and have set up competing booths right next to Marcy's at the Ren Faire When Clara is discovered dead in her own booth strangled by the scarf she had almost finished knitting Marcy becomes the prime suspect Now she has to do whatever it takes to keep her reputation from unraveling and get to the bottom of a most deadly yarn *The Stitching Hour* Amanda Lee,2015-11-03 A commercial haunted house next door threatens to scare away business at Marcy Singer's Tallulah Falls Oregon embroidery shop Seven Year Stitch and soon things get even worse when a local waitress is found dead with mysterious markings on her neck and one of Marcy's festive trinkets is in her possession **Thread on Arrival** Amanda Lee,2012-12-04 Embroidery shop owner Marcy Singer gets hung up on a tapestry that may lead to sunken treasure and be the motive for murder When Marcy's friend Reggie Tallulah Falls local librarian asks her to teach an embroidery class as therapy for domestic abuse victims she gladly agrees One of the women wants to flee from her abusive husband but is afraid to leave her elderly father in law behind And she thinks Marcy can help The elderly gentleman shows Marcy a tapestry his grandmother made which he believes reveals the location of pirate treasure off the Oregon coast He'll move to a shelter provided Marcy takes the tapestry to keep it safe But when the police arrive the next day to escort him out they find the old

man murdered and the house ransacked Does someone want that treasured tapestry desperately enough to kill for it

single wrong note But Corvick dies in a road accident before he can write his definitive book on Verekers secret design My study will show the reader that there is a distinct figure in the carpet in the works of Henry James himself But James only uses the figure in a select group of his major novels and tales all six of which we will examine here These major works are all experimental and radical and show James allowing himself the artistic freedom to follow his own arcane and personal path The pattern is fully manifested in *The Turn of the Screw* in 1897 and remains the consistent thread all the way through the Masters final completed novel *The Golden Bowl* in 1904 I began writing about the relation of writing to painting and how James translates structural aspects of the silent art of painting into prose James borrows both silence and simultaneity from the painter his brother of the brush and experiments with their narrative equivalents I saw with increasing clarity that James admiration of the powers of painting led him into depicting nonverbal aspects of consciousness in language Finally I saw the whole system lock into place everything fit The figure in the carpet was revealed as visible silence With only a minute adjustment of focus I suddenly saw that James narrative pictorial structure that I had been tracing all these years constitutes the figure in the carpet itself The pictorial pattern literally governs every line and chooses every word James brings the reader into the full consciousness of his character by taking us into the silent radiation of the visible As readers we experience the silence before language the silence between words and the silence after language In this book I will show my reader how the figure in the carpet operates as the controlling design in every square inch of text in each of James most famous novels and tales
