Threat Palestinian Political Prisoners In Israel:

Threat Abeer Baker, Anat Matar, 2011-05-06 Palestinian prisoners charged with security related offences are immediately taken as a threat to Israel's security. They are seen as potential if not actual suicide bombers. This stereotype ignores the political nature of the Palestinian prisoners' actions and their desire for liberty. By highlighting the various images of Palestinian prisoners in the Israel-Palestine conflict, Abeer Baker and Anat Matar chart their changing fortunes. Essays written by prisoners, ex-prisoners, human rights defenders, lawyers, and academic researchers analyse the political nature of imprisonment and Israeli attitudes towards Palestinian prisoners. These contributions deal with the prisoners' status within Palestinian society, the conditions of their imprisonment, and various legal procedures used by the Israeli military courts in order to criminalise and de-politicise them. Also addressed are Israel's breaches of international treaties in its treatment of the Palestinian prisoners, practices of torture and solitary confinement, exchange deals, and prospects for release. This is a unique intervention within Middle East studies that will inspire those working in human rights, international law, and the peace process.

Threat Abeer Baker, Anat Matar, 2011-06-15 Palestinian prisoners charged with security related offences are immediately taken as a threat to Israel's security. Palestinian Political Organizations in Israeli Prisons Alyssa G. Bernstein, 2024-06-16 *Palestinian Political Organizations in Israeli Prisons* examines the evolution and changes within the Palestinian Prisoners' Movement and the structural opportunities and constraints that inform collective resistance today. Drawing on observation-based fieldwork and over 40 interviews with ex-prisoners and additional interviews with lawyers and advocates, this book presents a sociological account of Palestinian prisoners in Israel, an important reflection of the wider Israeli-Palestinian conflict. The Oslo Accords, the peace agreements between the Palestinian Liberation Organization and Israel, transformed not only Palestinian politics but the entire prison environment. By exploring issues including the specific characteristics of women's resistance, the effects of the Islamicization of new hunger strike strategies, consumerism within the prison, parenting children, and escapes, *Palestinian Political Organizations in Israeli Prisons* offers a fresh analysis of political resistance in Israeli prisons. Applying a social

movement approach and drawing comparisons to other politically motivated prisoner groups the book traces the effects of changes from the Oslo Accords through to today including the Second Intifada the split between Hamas and Fatah the co option of the Palestinian Authority and increasingly systematic prison management explaining how these factors have affected life for Palestinian prisoners in Israeli prisons and influence conflicts today **The Palestinian Prisoners**

Movement Julie M. Norman, 2021-06-30 Providing a contemporary history of the Palestinian prisoners movement this book illustrates the centrality of the movement in the broader Palestinian national struggle Based on direct interviews with former prisoners and former security sector personnel it offers new insights into the strategies that prisoners employed to gain rights over time as well as the tactics used by prison authorities to maintain control Prisons have functioned as microcosms of the broader Israeli Palestinian conflict for decades with the Israeli state aiming to use mass incarceration for security and Palestinian prisoners seeking to take back the prison space for organizing and resistance Prisoners actions included but were not limited to hunger strikes as prisoners often relied more on everyday acts of noncompliance and developing an internal counterorder to challenge authorities The volume demonstrates how the Palestinian prisoners movement was intertwined with the Palestinian national movement strongest in the popular mobilization era of the 1970s and 1980s and significantly weaker and more fragmented after the Oslo Accords of the 1990s and the second intifada Presenting a fresh analysis of a central but often overlooked aspect of the Israeli Palestinian conflict the volume offers valuable reflections on prison based resistance in protracted conflicts more broadly It is a key resource to students and scholars interested in contemporary conversations on mass incarceration criminal justice Middle East politics and history *Terrorist Minds: From Social-psychological Profiling To Assessing The Risk* Sagit Yehoshua, 2020-10-19 This book s excellent discussion of the theories and concepts involved in profiling terrorists including those who are incarcerated is a major contribution to the academic discipline on these issues Perspectives on Terrorism Terrorist Minds From Social Psychological Profiling to Assessing the Risk explores the process of terrorist behavioural analysis from the social psychological profiling of terrorists to the development of risk assessment tools Most of the research for this book was conducted in cooperation with the Intelligence Department of the Israeli Prison Service via qualitative in depth interviews with leaders of terrorist organisations in Israeli prisons Once social psychological profiles were established terrorist risk assessment tools were developed to allow for better observation and practical management of associated problems This book fills the gaps in existing literature on the psychology of imprisoned terrorist group leaders through the analysis of individuals social professional and personal lives as well as their attitudes and perceptions The book also covers the practical aspects of risk assessment based on social psychological profiling and discusses relevant tools that have been developed in recent years It aims to better inform counter terrorism initiatives and policymaking as well as improve methods of communication counter terrorism and conflict resolution **Prisons, Terrorism and Extremism** Andrew Silke, 2014-02-18 This volume provides an overview of

intervention and management strategies for dealing with terrorist and extremist offenders in prisons The management of terrorist and extremist prisoners has long been recognised as a difficult problem in prisons In most countries such offenders are relatively rare but when their numbers increase these prisoners can undermine the effectiveness and safety of the prison system At a global level there is an increasing recognition of the problem of militant jihadi extremists in prison and their ability to recruit new members among other prisoners The numbers of such prisoners are low but growing and as a result prisons are becoming centres of radicalisation indeed in some cases terrorist plots appear to have been based entirely on networks that were radicalised in prison This volume presents an expertly informed assessment of what we know about terrorists extremists and prison exploring the experience of a wide range of countries and of different political movements Drawing critical lessons from historical case studies the book examines critical issues around management strategies radicalisation and deradicalisation reform risk assessment as well as post release experiences The role that prisoners play in the conflicts beyond the jail walls is also examined with case studies illustrating how prisoners can play a critical role in bringing about a peace process or alternatively in sustaining or even escalating campaigns of violence Written by leading experts in the field this volume will be of much interest to students of terrorism counter terrorism criminology security studies and IR in general

Bioethics and Biopolitics in Israel Hagai Boas,Yael Hashiloni-Dolev,Nadav Davidovitch,Dani Filc,Shai J. Lavi,2018-01-11 Although the Israeli case of bioethics has been well documented this book offers a novel understanding of Israeli bioethics that is a milestone in the comparative literature of bioethics Bringing together a range of experts the book s interdisciplinary structure employs a contemporary sociopolitical oriented approach to bioethics issues with an emphasis on empirical analysis that will appeal not only to scholars of bioethics but also to students of law medicine humanities and social sciences around the world Its focus on the development of bioethics in Israel makes it especially relevant to scholars of Israeli society both in and out of Israel as well as medical practitioners and health policymakers in Israel

Terrorist Deradicalisation in Global Contexts Rohan Gunaratna,Sabariah Hussin,2019-09-26 A collection of case studies of terrorist rehabilitation programmes from around the world this book examines the wide ranging methodologies of terrorist deradicalisation initiatives adopted by different countries globally It contextualises these programmes as they were initiated and explains the factors that led to their relative success failure or continuity The different typology of rehabilitation modes acts as a guide to establishing a framework and a starting point for any deradicalisation and rehabilitation programme These case studies demonstrate practical examples of how the theories can be applied to achieve real results This book is an indispensable resource for researchers practitioners and policy makers in the field of Terrorist Deradicalisation and Rehabilitation

A History of Confinement in Palestine: The Prison Web Stéphanie Latte Abdallah,2022-08-29 This book deals with the contemporary history of the imprisonment of Palestinians in Israeli prisons since 1967 and since the 2000s in Palestinian facilities The prison experience is widely shared in the Occupied

Palestinian Territories It durably marks personal and collective stories Since the Occupation of the Palestinian Territories in 1967 mass incarceration has spun a prison web a kind of suspended detention Approximately 40 percent of the male population has been to prison It shows how the judicial and prison practices applied to Palestinian residents of the OPT are major fractal devices of control contributing to the management of Israeli borders and shape a specific bordering system based on a mobility regime such borders are mobile networked and endless This history of confinement is that of the prison web and of the in between political social and personal spaces people weave between Inside and Outside prison Based on in depth ethnographic fieldwork oral and written sources archives and extensive institutional documentation this political anthropology book deals with carceral citizenships and subjectivities Over time imprisonment has had profound effects on personal experiences on masculinities femininities gender relations parentality and intimacy Woven like a web this story is built around places moments people and their testimonies

Threat Abeer Baker, Anat Matar, 2011-06-15 Palestinian prisoners charged with security related offences are immediately taken as a threat to Israel's security They are seen as potential if not actual suicide bombers This stereotype ignores the political nature of the Palestinian prisoners actions and their desire for liberty By highlighting the various images of Palestinian prisoners in the Israel Palestine conflict Abeer Baker and Anat Matar chart their changing fortunes Essays written by prisoners ex prisoners Human rights defenders lawyers and academic researchers analyze the political nature of imprisonment and Israeli attitudes towards Palestinian prisoners These contributions deal with the prisoners status within Palestinian society the conditions of their imprisonment and various legal procedures used by the Israeli military courts in order to criminalize and de politicize them Also addressed are Israel's breaches of international treaties in its treatment of the Palestinian prisoners practices of torture and solitary confinement exchange deals and prospects for release This is a unique intervention within Middle East studies that will inspire those working in human rights international law and the peace process

Arab Masculinities Konstantina Isidoros, Marcia C. Inhorn, 2022-01-04 Arab Masculinities provides a groundbreaking analysis of Arab men's lives in the precarious aftermath of the 2011 Arab uprisings It challenges received wisdoms and entrenched stereotypes about Arab men offering new understandings of masculinity across the Middle East and North Africa The 10 individual chapters of the book foreground the voices and stories of Arab men as they face economic precarity forced displacement and new challenges to marriage and family life Rich in ethnographic details they illuminate how men develop alternative strategies of affective labor how they attempt to care for themselves and their families within their local moral worlds and what it means to be a good son husband father and community member Arab Masculinities sheds light on the most private spaces of Arab men's lives offering stories that rarely enter the public realm It is a pioneering volume that reflects the urgent need for new anthropological scholarship on men and masculinities in a changing Middle East

The Elgar Companion to Capital Punishment and Society Benjamin Fleury-Steiner, Austin D. Sarat, 2024-09-06 The Elgar Companion to Capital Punishment

and Society presents a multidisciplinary overview of capital punishment's influences, processes and outcomes across society. A global range of philosophers, social scientists, legal experts, political theorists and historians critically analyse the trajectory of the death penalty in both retentionist and abolitionist countries, underscoring how state killing remains a crucial issue worldwide.

From Apartheid to Democracy Michael Schaeffer Omer-Man, Sarah Leah Whitson, 2025-09-30 A decisive break from the failed Oslo Accords and an innovative plan to create the foundations for peace and self-determination in Israel/Palestine. For more than three decades the illusion of a two-state solution under the auspices of the Oslo Accords has allowed Israel to maintain a one-state reality of permanent occupation and apartheid. Michael Schaeffer Omer-Man and Sarah Leah Whitson challenge this approach, presenting a road map to end these crimes and create a rights-respecting regime for everyone now living under Israeli control. Only once basic safety and legal equality are assured can Jewish Israelis and Palestinians determine their futures in one, two or more states if they choose through an inclusive democratic process. Breaking with the failures of the past, the plan presented here makes clear that ongoing violations of basic human rights must be ended before issues of governance can be equitably addressed. Clear-eyed yet hopeful Omer-Man and Whitson offer proof of concept that democracy and equality are indeed attainable and call on the international community to create the conditions required for them to flourish.

Captive Revolution Nahla Abdo, 2014-08-20 Women throughout the world have always played their part in struggles against colonialism, imperialism and other forms of oppression. However, there are few books on Arab political prisoners, fewer still on the Palestinians who have been detained in their thousands for their political activism and resistance. Nahla Abdo's *Captive Revolution* seeks to break the silence on Palestinian women political detainees, providing a vital contribution to research on women's revolutions, national liberation and anti-colonial resistance. Based on stories of the women themselves as well as her own experiences as a former political prisoner, Abdo draws on a wealth of oral history and primary research in order to analyse their anti-colonial struggle, their agency and their appalling treatment as political detainees. Making crucial comparisons with the experiences of female political detainees in other conflicts and emphasising the vital role Palestinian political culture and memorialisation of the Nakba have had on their resilience and resistance, *Captive Revolution* is a rich and revealing addition to our knowledge of this little-studied phenomenon.

The ABC of the OPT Orna Ben-Naftali, Michael Sfard, Hedi Viterbo, 2018-05-10 Israel's half-a-century-long rule over the West Bank and Gaza Strip and some of its surrounding legal issues have been the subject of extensive academic literature. Yet to date there has been no comprehensive, theoretically informed and empirically based academic study of the role of various legal mechanisms, norms and concepts in shaping legitimizing and responding to the Israeli control regime. This book seeks to fill this gap while shedding new light on the subject. Through the format of an A-Z legal lexicon, it critically reflects on challenges and redefines the language, knowledge and practices surrounding the Israeli control regime. Taken together, the entries illuminate the relation between global and local forces, legal, political and cultural, in Israel and Palestine. The study of

the terms involved provides insights that are relevant to other situations elsewhere in the world particularly with regard to belligerent occupation the law's role in relation to state violence and justice **Voices from Captivity** J E

Thomas, 2018-07-19 Offering insight into the unseen world of life in prison this book presents a broad range of first hand testimonies of people writing from prisons and concentration camps over a number of centuries and from different countries Organised thematically it covers feelings on being locked up how to deal with staff and sex in captivity **Traces of Racial**

Exception Ronit Lentin, 2018-08-09 Positioning race front and centre this book theorizes that political violence in the form of a socio political process that differentiates between human and less than human populations is used by the state of Israel in racializing and ruling the citizens of occupied Palestine Lentin argues that Israel's rule over Palestine is an example of Agamben's state of exception Goldberg's racial state and Wolfe's settler colony the Israeli racial settler colony employs its laws to rule besieged Palestine while excluding itself and its Jewish citizen colonists from legal instruments and governmental technologies Governing through emergency legislation and through practices of exception emergency necessity and security Israel positions itself outside domestic and international law Deconstructing Agamben's Eurocentric theoretical position Lentin shows that it occludes colonialism settler colonialism and anti colonialism and fails to specifically foreground race instead she combines the work of Wolfe who proposes race as a trace of settler colonialism and Weheliye who argues that Agamben's western centric understanding of exception fail to speak from explicitly racialized and gendered standpoints Employing existing media activist and academic accounts of racialization this book deliberately breaks from white Western theorizations of biopolitics exception and bare life and instead foregrounds race and gender in analysing settler colonial conditions in Israel *Environmental Justice, Popular Struggle and Community Development* Anne

Harley, Eurig Scandrett, 2019-06-05 Struggles for environmental justice involve communities mobilising against powerful forces which advocate development driven increasingly by neoliberal imperatives In doing so communities face questions about their alliances with other groups working with outsiders and issues of class race ethnicity gender worker community and settler indigenous relationships Written by a wide range of international scholars and activists contributors explore these dynamics and the opportunities for agency and solidarity They critique the practice of community development professionals academics trade union organisers social movements and activists and inform those engaged in the pursuit of justice as community development and environment interact **The Occupation of Justice** David Kretzmer, Yaël Ronen, 2021 The

book provides a critical analysis of the manner in which the Israeli Supreme Court has dealt with petitions relating to the actions and policies of the Israeli authorities in the West Bank and Gaza which were occupied by Israel in 1967 It offers an exhaustive analysis of the Court's decisions on a variety of topics including civilian settlements the separation barrier

punitive house demolitions and conduct of hostilities **The Wall and the Gate** Michael Sfard, 2018-01-23 From renowned human rights lawyer Michael Sfard an unprecedented exploration of the struggle for human rights in Israel's courts A farmer

from a village in the occupied West Bank cut off from his olive groves by the construction of Israel's controversial separation wall asked Israeli human rights lawyer Michael Sfard to petition the courts to allow a gate to be built in the wall. While the gate would provide immediate relief for the farmer, would it not also confer legitimacy on the wall and on the court that deems it legal? The defense of human rights is often marked by such ethical dilemmas, which are especially acute in Israel, where lawyers have for decades sought redress for the abuse of Palestinian rights in the country's High Court, that is, in the court of the abuser. In *The Wall and the Gate*, Michael Sfard chronicles this struggle, a story that has never before been fully told and in the process engages the core principles of human rights legal ethics. Sfard recounts the unfolding of key cases and issues ranging from confiscation of land, deportations, the creation of settlements, punitive home demolitions, torture, and targeted killings, all actions considered violations of international law. In the process, he lays bare the reality of the occupation and the lives of the people who must contend with that reality. He also exposes the surreal legal structures that have been erected to put a stamp of lawfulness on an extensive program of dispossession. Finally, he weighs the success of the legal effort, reaching conclusions that are no less paradoxical than the fight itself. Writing with emotional force, vivid storytelling, and penetrating analysis, Michael Sfard offers a radically new perspective on a much-covered conflict and a subtle, painful reckoning with the moral ambiguities inherent in the pursuit of justice. *The Wall and the Gate* is a signal contribution to everyone concerned with the Israeli-Palestinian conflict and human rights everywhere.

This Captivating World of E-book Books: A Detailed Guide Unveiling the Pros of E-book Books: A Realm of Ease and Versatility Kindle books, with their inherent mobility and ease of availability, have liberated readers from the constraints of hardcopy books. Gone are the days of carrying cumbersome novels or carefully searching for specific titles in shops. Threat Palestinian Political Prisoners In Israel Introduction

In today's digital age, the availability of Threat Palestinian Political Prisoners In Israel books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Threat Palestinian Political Prisoners In Israel books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Threat Palestinian Political Prisoners In Israel books and manuals for download is the cost-saving aspect. Traditional books and

manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Threat Palestinian Political Prisoners In Israel versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Threat Palestinian Political Prisoners In Israel books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Threat Palestinian Political Prisoners In Israel books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Threat Palestinian Political Prisoners In Israel books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Threat Palestinian Political Prisoners In Israel books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Threat Palestinian Political Prisoners In Israel books and manuals for download and embark on your journey of knowledge?

FAQs About Threat Palestinian Political Prisoners In Israel Books

1. Where can I buy Threat Palestinian Political Prisoners In Israel books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
