The Far Edges of the Fourth Genre Sean Prentiss,Joe Wilkins,2014-03-01 Though creative nonfiction has been around since Montaigne St Augustine and Seneca we ve only just begun to ask how this genre works why it functions the way it does and where its borders reside But for each question we ask another five or ten questions roil to the surface And each of these questions it seems requires a more convoluted series of answers What s more the questions students of creative nonfiction are drawn to during class discussions the ones they argue the longest and loudest are the same ideas debated by their professors in the hallways and at the corner bar In this collection sixteen essential contemporary creative nonfiction writers reflect on whatever far dark edge of the genre they find themselves most drawn to The result is this fascinating anthology
