Three Scorching Viking Tales:

Norse Tales Edward Thomas, 1912 Imperial Warriors: Two Scorching Tales of the Roman Empire Regina Kammer, 2016-06-04 Ancient Warriors Muscles flexing under sun burnished skin as thick arms wield swords battle axes or bow and arrow Brawny fierce and intensely loyal to their cause king or god Alpha heroes romanticized through the lens of history of the Roman Empire Legions marching under the banner of Rome for centuries conquering the Mediterranean and beyond from Britannia in the West to Anatolia in the East Imperial Warriors Two Scorching Tales of the Roman Empire offers two sizzling tales of romance between warriors and the women who are inexorably drawn to them Each story is set during a different time and place in the Roman Empire Trajanic Rome and Byzantine Constantinople The Promise of Memory A servant in Rome s imperial palace finds freedom in fantasies of a knight in the imperial guard a warrior who evokes memories of a long lost love Protecting Her A Byzantine noblewoman seeking refuge in a monastery loses her heart to an invader when Constantinople is sacked by the Viking Rus The Promise of Memory and Protecting Her by best selling historical romance author Regina Kammer have been published separately before but are now available together for the first time This mini anthology includes bonus content from Regina Kammer an excerpt from the Roman Imperial epic Hadrian and Sabina A Love Story an excerpt from the Parthian historical romance short story An Unexpected Discovery plus an introductory essay FIC027140 FICTION Romance Historical Ancient World FIC027180 FICTION Romance Historical Viking FIC027080 FICTION Romance Collections Anthologies FIC027260 FICTION Romance Action Adventure FIC027220 FICTION Romance Military FIC027150 FICTION Romance Historical Medieval LCO017000 LITERARY COLLECTIONS Medieval LCO019000 LITERARY COLLECTIONS Women Authors FIC029000 FICTION Short Stories single author **The Viking Bow Tale** Peter Ohs, 2013-11-28 The Icelanders were a wonderful people to escape the tyranny of kings they settled a new land and there built up the laws and customs in which we see the promise of modern civilization The prominence of law in almost every one of the Icelandic sagas has been preserved in the story along with the conditions of life and described as closely as was possible within the limits of the simple narrative form which the sagas customarily employed **The Sampo: A Wonder Tale of the Old North** James Baldwin, 2022-01-17 In The Sampo A Wonder Tale of the Old North James Baldwin intricately weaves a narrative that merges the mystical elements of Finnish folklore with the deeper themes of identity and belonging Drawing upon the rich allegorical tradition of wonder tales Baldwin employs a lyrical and poetic style imbuing the tale with emotional resonance and philosophical depth Set against the backdrop of the Old North the story delves into the human condition questioning the nature of fortune and the pursuit of happiness while engaging with the cultural heritage of the Finnish landscape James Baldwin an acclaimed American novelist and essayist is celebrated for his profound insights into race sexuality and societal norms While Baldwin s enduring works largely center on the African American experience his exploration of universal themes resonates throughout his oeuvre suggesting a deep rooted curiosity about various cultures

and their narratives His keen understanding of marginalized voices likely influenced his approach to this wonder tale as he reflects on his own experiences of exile and belonging in the human tapestry I highly recommend The Sampo to both scholars and general readers who appreciate the confluence of folklore and existential inquiry Baldwin s masterful storytelling invites readers to ponder their own journeys through the lens of myth offering a timely reflection on the quest for meaning in an often chaotic world

In the expansive anthology *Sci Fi Boxed Set 160 Space Adventures Lost Worlds Dystopian Novels Apocalyptic Tales* the reader is transported through a rich tapestry of speculative fiction that traverses time and space. This collection boasts an unparalleled variety of themes from the mysteries of distant planets and the intrigue of forgotten worlds to the stark realities of dystopian futures and the exhilarating suspense of apocalyptic narratives. The anthology captures the essence of science fiction's evolution, showcasing works that have shaped and defined the genre. Particularly striking are pieces that delve into existential inquiries and societal critiques, engaging readers with both imaginative vistas and profound philosophical insights. The contributing authors are a veritable who's who of the science fiction pantheon, featuring prolific writers from the heights of 19th century literature to the pioneers of modern speculative narrative. Names such as Verne Wells and Shelley lay the groundwork with their groundbreaking foresight and creativity, while others like Dick Vonnegut and Forster build upon these foundations with innovative explorations of human nature and technology. This collection reflects the historical and cultural shifts that percolated through the literary movements of their times, resulting in a compiled work that is as culturally enlightening as it is entertaining. *Sci Fi Boxed Set* is an essential acquisition for any reader entranced by the infinite possibilities of speculative fiction. It serves as a gateway into a diverse world of perspectives and storytelling styles, offering an educational journey through the complexities explored by different authors. The anthology invites readers to experience a dialogue across generations of literary giants, each contributing to a broader understanding of humanity's place in the universe and beyond. This collection promises not only a treasure trove of stories but a lens through which to reflect on societal evolution and existential contemplation within a single remarkable volume.

To Walk in the World: Twin Tales of Inception Winnie Winkle, 2021-04-19 REVIEW The truth is that if we choose to be vulnerable and allow others in much less love others we will experience pain Especially when someone we love dearly dies Winkle has written a must read for anyone particularly women who have experienced a profound loss Writing about the loss of her mother does not limit the power of this novel to those experiencing the same loss for Winkle makes it clear that loss is loss How does one move from the shock and pain to a life lived normally This is at once a deeply spiritual read and a psychological journey into grief How can the world around you keep moving as usual when you feel like you are stuck standing still gasping for some relief from the hollowness inside Follow Winkle as she examines life and what makes it worth living The book is beautifully written as two different stories that begin the transformation that must occur to overcome the devastation of loss so that joy can take hold in its purest form I found this book to be truly soul stretching and on point given the last year with losing a family member and so many friends and acquaintances to COVID I am thankful that I found this at such a low point in my life for it gave me a huge boost back into joy and happiness This is definitely the best novel dealing with grief I have ever read Unpacking life's chaos and circles isn't always a choice Before breaking she considered the edge of normal an ideal cluttered with the screw ups who couldn't handle life Now she's engaged in a bonkers conversation with her heart and mind as she and her mental miscreants scrabble through a facetious struggle to figure out life after loss She soon discovers leaping from normal's cliff is a sloppy free fall of rebirth loaded with cosmic oddities and ludicrous miscues Standing on her edge she wonders whether living beyond the boundaries is worth the cost of stepping off the abyss into the unknown She's about to find out Discover what happens in this unique insightful story about when your mind breaks and you
