The Silence of Swastika Swastika Singh, Dead Writers Club, Lin Xun, The swastika is silent But it has so much to say The symbol's many secrets were revealed by the world renowned historian Dr Rex Curry referenced inside Dr Curry's work is endorsed in The Silence of Swastika a video documentary produced by AKTK in India The lead reporter confirmed Dr Curry's discovery stating It is also claimed that one of the reasons for choosing this symbol was the S in Hitler's party name National Socialist which is not unreasonable it is in Hitler's own book at 30 30 The documentarians learned about the swastika from educational outreach programs about Dr Curry's academic achievements They learned that Hitler didn't call his symbol a swastika He called it a Hakenkreuz hooked cross because it was a type of cross from the Christian religion The documentary is a massive adoption and rehashing of Dr Curry's earlier work The video documentary was produced before Dr Curry's latest jaw dropping revelation and that is unfortunate In 2022 Dr Curry discovered the reason why Hitler renamed his political party the DAP to NSDAP National Socialist German Workers Party REASON because Hitler needed the word SOCIALIST in his party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem It is important to note that Hitler didn't rename his party the National Christian German Workers Party nor the Christian Socialist German Workers Party Here are some of the many secrets revealed about the swastika

1 NEW SWASTIKA DISCOVERY The swastika is the reason why Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his

party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem. The party's name had to fit in Hitler's socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc. He was selling socialism by selling flags and related merchandise. It resembled the advertising campaign of the American socialist Francis Bellamy. The new discovery part includes the fact that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist. The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism. The discoveries are from the historian Dr Rex Curry's work 2 NEW LENIN'S SWASTIKA REVELATION. Vladimir Lenin's swastika is exposed herein. The impact of Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency. The swastika became a symbol of socialism under Lenin. Its influence upon Adolf Hitler is explained in this book. 3 Hitler altered his own signature to reflect his S shapes for socialism logo branding. 4 Hitler never used the word swastika in his life. The term swastika never appears in the original Mein Kampf. 5 Hitler and his supporters self-identified as socialists by the very word in voluminous speeches and writings. The term Socialist appears throughout Hitler's book Mein Kampf as a self-description by Hitler. 6 Hitler never called himself a Nazi. There was no Nazi Germany. There was no Nazi Party. Those terms are slang to hide how Hitler and his comrades self-identified SOCIALIST. 7 Hitler never called himself a Fascist. That term is misused to hide how Hitler and his comrades self-identified SOCIALIST. 8 The term Nazi isn't in Mein Kampf nor in Triumph of the Will. 9 The term Fascist never appears in Mein Kampf as a self-description by Hitler. 10 Soviet socialists and German socialists partnered for International Socialism in 1939. They launched WWII invading Poland together and continued onward from there killing millions. Soviet socialism had signed on for Hitler's Holocaust. 11 After Hitler's death, Stalin continued the plan he had made with Hitler for Global Socialism. Stalin took over the same areas that Hitler had captured. He used the same facilities that Hitler had used. Hitler's Holocaust never ended. Stalin replaced Hitler. 12 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag. The pledge was written by an American National Socialist named Francis Bellamy. Francis Bellamy was the cousin of Edward Bellamy, another infamous American National Socialist. They worked together to promote their dogma in the USA. 13 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly. 14 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy. 15 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti. 16 Fascism came from a socialist, e.g. Mussolini. Communism came from a socialist, e.g. Marx. Fascism and Communism came from socialists.
