John A. Chesworth, Franz Kogelmann

Three Swahili Women:

Three Swahili Women Sarah M. Mirza, Margaret Strobel, 1989 This exploration of the lives of three Mombasa women reveals the complexity of Swahili society its ethnic diversity the impact of slavery and the varied reactions to colonialism and Western culture They illustrate the rich interactions within the women s community focused on family and festive or ritual occasions Publisher description *Gender Justice and the Law* Elaine Wood, 2020-11-16 *Gender Justice and the Law* presents a collection of essays that examines how gender as a category of identity must continually be understood in relation to how structures of inequality define and shape its meaning It asks how notions of justice shape gender identity and whether the legal justice system itself privileges notions of gender or is itself gendered Shaped by politics and policy *Gender Justice* essays contribute to understanding how theoretical practices of intersectionality relate to structures of inequality and relations formed as a result of their interaction Given its theme the collection s essays examine theoretical practices of intersectional identity at the nexus of gender and justice that might also relate to issues of sexuality race class age and ability

The Story of Swahili John M. Mugane, 2015-07-15 Swahili was once an obscure dialect of an East African Bantu language Today more than one hundred million people use it Swahili is to eastern and central Africa what English is to the world From its embrace in the 1960s by the black freedom movement in the United States to its adoption in 2004 as the African Union s official language Swahili has become a truly international language How this came about and why of all African languages it happened only to Swahili is the story that John M Mugane sets out to explore The remarkable adaptability of Swahili has allowed Africans and others to tailor the language to their needs extending its influence far beyond its place of origin Its symbolic as well as its practical power has evolved from its status as a language of contact among diverse cultures even as it embodies the history of communities in eastern and central Africa and throughout the Indian Ocean world *The Story of Swahili* calls for a reevaluation of the widespread assumption that cultural superiority military conquest and economic dominance determine a language s prosperity This sweeping history gives a vibrant living language its due highlighting its nimbleness from its beginnings to its place today in the fast changing world of global communication

Voices of Women Historians Eileen Boris, Nupur Chaudhuri, 1999-09-22 The Coordinating Council for Women in History evolved from a cohort of women historians who turned their scholarly focus to the recovery of women s experiences In so doing they created and legitimated the field of women s history The contributors to this volume former CCWH officers mark the 30th anniversary of the organization while commemorating three decades of feminist activism and scholarship Recording the diverse paths women have taken to become historians the essays contained in this book describe how a particular group of women negotiated the often competing demands of being a woman a professional and a political activist from the turbulent 1960s through the challenges of the 1990s But beyond the celebration of personal and professional progress this collection contributes to the emerging historiography of women s history and the literature on

Pastimes and Politics Laura Fair, 2001-10-01 The first decades of the twentieth century were years of dramatic change in Zanzibar a time when the social economic and political lives of island residents were in incredible flux framed by the abolition of slavery the introduction of colonialism and a tide of urban migration Pastimes and Politics explores the era from

the perspective of the urban poor highlighting the numerous and varied ways that recently freed slaves and other immigrants to town struggled to improve their individual and collective lives and to create a sense of community within this new environment In this study Laura Fair explores a range of cultural and social practices that gave expression to slaves ideas of emancipation as well as how such ideas and practices were gendered Pastimes and Politics examines the ways in which various cultural practices including taarab music dress football ethnicity and sexuality changed during the early twentieth century in relation to islanders changing social and political identities Professor Fair argues that cultural changes were not merely reflections of social and political transformations Rather leisure and popular culture were critical practices through which the colonized and former slaves transformed themselves and the society in which they lived Methodologically innovative and clearly written Pastimes and Politics is accessible to specialists and general readers alike It is a book that should find wide use in courses on African history urbanization popular culture gender studies or emancipation **African**

Women Catherine Coquery-vidrovitch, Beth Raps, 2018-10-08 Over the last century the social and economic roles played by African women have evolved dramatically Long confined to home and field overlooked by their menfolk and missionaries alike African women worked thought dreamed and struggled They migrated to the cities invented new jobs and activated the so called informal economy to become Africa s economic and social focal point As a result despite their lack of education and relatively low status women are now Africa s best hope for the future This sweeping and innovative book is the first to reconstruct the full history of women in sub Saharan Africa Tracing the lot of African women from the eve of the colonial period to the present Catherine Coquery Vidrovitch explores the stages and forms of women s collective roles as well as their individual emancipation through revolts urban migrations economic impacts social claims political strength and creativity Comparing case studies drawn from throughout the region she sheds light on issues ranging from gender to economy politics society and culture Utilizing an impressive array of sources she highlights broad general patterns without overlooking crucial local variations With its breadth of coverage and clear analysis of complex questions this book is destined to become a standard text for scholars and students alike **Slavery and Emancipation in Islamic East Africa** Elisabeth

McMahon, 2013-04-30 This book demonstrates the links between emancipation and the redefinition of honour among all classes of people on the island of Pemba Identity Formation in Globalizing Contexts Christina Higgins, 2011-10-28 The volume explores how new millennium globalization mediates language learning and identity construction It seeks to theorize how global flows are creating new identity options for language learners and to consider the implications for language learning teaching and use To frame the chapters theoretically the volume asserts that new identities are developing because of the increasingly interconnected set of global scapes which impact language learners lives Part 1 focuses on language learners in trans national contexts exploring their identity formation when they shuttle between cultures and when they create new communities of fellow transnationals Part 2 examines how learners come to develop intercultural selves as a

consequence of experiencing global contact zones when they sojourn to new contexts for study and work Part 3 investigates how learners construct new identities in the mediascapes of popular culture and cyberspace where they not only consume but also produce new globalized identities Through case studies narrative analysis and ethnography the volume examines identity construction among learners of English French Japanese and Swahili in Canada England France Hong Kong Tanzania and the United States Courtyards, Markets, City Streets Kathleen Sheldon,2018-03-08 Although women have long been active residents in African cities explorations of their contributions have been marginal This volume brings women into the center of the urban landscape using case studies to illustrate their contributions to family community work and political life The book begins with a rich introduction that discusses how women s work in trade and agriculture has been the foundation of African urbanization The contributors then focus on patterns of migration and urbanization with an emphasis on the personal and social issues that influence the decision to migrate from rural areas women s employment in varied activities from selling crafts to managing small businesses the sometimes unavoidable practice of prostitution when options are limited the emergence of complex new family formations deriving from access to courts and the continued strength of polygyny and women s participation in community and political activities The volume includes material from all regions of sub Saharan Africa and brings together scholars from all the social sciences *African Voices, African Lives* Pat Caplan,2003-09-02 African Voices African Lives explores the world of Mohammed a swahili peasant living on Mafia Island Tanzania Through his own words some written some spoken and those of his relatives including his ex wife and one of his daughters he enables us to see the world through his eyes including the invisibile world of spirits which plays a significant role in his life This information is gathered by Pat Caplan the anthropologist over almost three decades of talking and writing to each other She acts not only as translator and editor but also as interpreter bringing in her own knowledge gathered from field data as well as comparative material from other anthropological work By utilising a mixture of styles narrative and life history ethnographic observation and the diary kept by Mohammed at the anthropologist s bequest African Voices African Lives will make an important contribution to current debates in anthropology by grappling with issues raised by personal narratives authorial authority and with reflexivity Girlhood Jennifer Helgren,Colleen A. Vasconcellos,2010 Girlhood interdisciplinary and global in source scope and methodology examines the centrality of girlhood in shaping women s lives Scholars study how age and gender along with a multitude of other identities work together to influence the historical experience Spanning a broad time frame from 1750 to the present essays illuminate the various continuities and differences in girls lives across culture and region girls on all continents except Antarctica are represented Case studies and essays are arranged thematically to encourage comparisons between girls experiences in diverse locales and to assess how girls were affected by historical developments such as colonialism political repression war modernization shifts in labor markets migrations and the rise of consumer culture Muslim Women in Postcolonial Kenya Ousseina Alidou,2013-11-12 In education journalism

legislative politics social justice health law and other arenas Muslim women across Kenya are emerging as leaders in local national and international contexts advancing reforms through their activism Muslim Women in Postcolonial Kenya draws on extensive interviews with six such women revealing how their religious and moral beliefs shape reform movements that bridge ethnic divides and foster alliances in service of creating a just multicultural multiethnic and multireligious democratic citizenship Mwajiri Azara Mudira opened a school of theology for Muslim women Nazlin Omar Rajput of The Nur magazine was a pioneer in reporting on HIV AIDS in the Muslim community Amina Abubakar host of a women's radio show has publicly addressed the sensitive subject of sexual crimes against Muslim women Two women who are members of parliament are creating new socioeconomic and political opportunities for girls and women within a framework that still embraces traditional values of marriage and motherhood Examining the interplay of gender agency and autonomy Ousseina D Alidou shows how these Muslim women have effected change in the home the school the mosque the media and more and she illuminates their determination as actors to challenge the oppressive influences of male dominated power structures In looking at differences as opportunities rather than obstacles these women reflect a new sensibility among Muslim women and an effort to redefine the meaning of women's citizenship within their own community of faith and within the nation

Gender and Culture at the Limit of Rights Dorothy L. Hodgson, 2011-05-17 An interdisciplinary collection Gender and Culture at the Limit of Rights examines the potential and limitations of the women's rights as human rights framework as a strategy for seeking gender justice Drawing on detailed case studies from the United States Africa Latin America Asia and elsewhere contributors to the volume explore the specific social histories political struggles cultural assumptions and gender ideologies that have produced certain rights or reframed long standing debates in the language of rights The essays address the gender specific ways in which rights based protocols have been analyzed deployed and legislated in the past and the present and the implications for women and men adults and children in various social and geographical locations Questions addressed include What are the gendered assumptions and effects of the dominance of rights based discourses for claims to social justice What kinds of opportunities and limitations does such a culture of rights provide to seekers of justice whether individuals or collectives and how are these gendered How and why do female bodies often become the site of contention in contexts pitting cultural against juridical perspectives The contributors speak to central issues in current scholarly and policy debates about gender culture and human rights from comparative disciplinary historical and geographical perspectives By taking gender rather than just women seriously as a category of analysis the chapters suggest that the very sources of the power of human rights discourses specifically women's rights as human rights discourses to produce social change are also the sources of its limitations

Women's Oral History Susan Hodge Armitage, Patricia Hart, Karen Weathermon, 2002-01-01 Women's Oral History The Frontiers Reader is an essential guide to the practice of gathering and interpreting women's oral accounts of their lives During the 1970s when women's history was just developing the lack of historical information about

women's lives was glaring Oral history quickly emerged as a vital and necessary tool for documenting the lives and experiences of women who rarely recorded it for themselves much less for posterity Standard models of practicing oral history however were inadequate to the job of organizing and interpreting women's lives and new models that addressed the distinctiveness of the lives of women in all of their diversity were needed As one of the earliest journals devoted to feminist scholarship in the United States *Frontiers A Journal of Women Studies* was in the vanguard of the emerging field of women's oral history when it published its first landmark issue on the subject in 1977 Three subsequent issues exploring the evolving field has secured *Frontiers* reputation at the forefront of women's oral history *Women's Oral History* includes nineteen essays each addressing the particularity of women's lives and experience The collection provides both how to interview guides and examples of current research in sections covering basic methodology and rationale the myriad uses of women's oral history and discoveries and insights gained from oral history applications The essays raise thought provoking questions glean original insights about the lives of women and the practice of history and call for women to write and record their own histories
