Hayes,Richard E. Young,Michele L. Matchett,Maggie McCaffrey,Cynthia Cochran,2020-10-07 For the most part those who teach writing and administer writing programs do not conduct research on writing Perhaps more significantly they do not often read the research done by others because effective reading of articles on empirical research requires special knowledge and abilities By and large those responsible for maintaining and improving writing instruction cannot without further training access work that could help them carry out their responsibilities more effectively This book is designed as a text in graduate programs that offer instruction in rhetoric and composition Its primary educational purposes are to provide models and critical methods designed to improve the reading of scientific discourse to provide models of effective research designs and projects appropriate to those learning to do empirical research in rhetoric Aiming to cultivate new attitudes toward empirical research this volume encourages an appreciation of the rhetorical tradition that informs the production and critical reading of empirical studies The book should also reinforce a slowly growing realization in English studies that empirical methods are not inherently alien to the humanities rather that methods extend the power of humanist researchers trying to solve the problems of their discipline Princeton Review AP European History Premium Prep, 22nd Edition The Princeton Review,2023-08-01 PREMIUM PRACTICE FOR A PERFECT 5 WITH THE MOST PRACTICE ON THE MARKET Ace the AP European History Exam with this Premium version of The Princeton Review s comprehensive study guide Includes 6 full length practice exams thorough content reviews targeted test strategies and access to online extras Techniques That Actually Work Tried and true strategies to help you avoid traps and beat the test Tips for pacing yourself and guessing logically Essential tactics to help you work smarter not harder Everything You Need for a High Score Fully aligned with the latest College Board standards for AP European History Detailed review of the source based multiple choice questions and short answer questions Comprehensive guidance for the document based question and long essay prompts Access to study plans a handy list of key terms and concepts helpful pre college information and more via your online Student Tools Premium
