Andersen, 2022-01-20 What is this Secret And how can one discover what it is and learn to use it U S Andersen calls it THE SECRET OF SECRETS because strangely enough it is within each man and yet can set him free It is a secret that is making itself known over the face of the earth It has become the common meeting ground of all religions Sri Aurobindo says It is the one secure and all reconciling truth which is the very foundation of the universe It is this truth and its application to

your own life that is the theme of THE SECRET OF SECRETS There is in man below the level of his consciousness a vaster mind a mind of enormous power and knowledge a mind universal in scope common to all men but exclusive to none U S Andersen furnishes ample proof that this mind exists and that you can tap it Wise men have learned that the human mind is a magnificent machine with an infinite reservoir of power still untapped by the mass of men The magic moment when you learn to link with this power is the moment when the secret of abundance becomes yours the spiritual equivalent of having a money tree in your own back yard A Light Shines Through Us: A Nun, A Businessman, and the Power of Connection Joe Sweeney,2020-04-28 What happens when a hard charging businessman tries to rent a gym for his youth basketball camp He meets an elderly Catholic nun who holds the keys to the perfect gym And a whole lot more In this beautifully crafted memoir bestselling author and business leader Joe Sweeney weaves a remarkable tale of friendship spirituality and even some of the mischief that characterizes the unlikely 32 year relationship he enjoyed with a modern day saint She had a way about her he said and it was unlike anything he had encountered as a lifelong Catholic with honest questions about his faith spirituality and the meaning of life A Light Shines Through Us guides readers of all religious faiths and those claiming no faith on a journey of spiritual exploration and discovery offering new insights into the age old questions that have intrigued people for centuries Why are there so many different religions How can I stay connected to a higher power How can we grow old gracefully What happens when we die From his regular visits to the convent to Joe and Sister Camille s long discussions on park benches or over special meals to a remarkable visit with a U S president Sweeney weaves his inquisitiveness irreverence and humor into a compelling tapestry of inspiration and enlightenment **Miracle Prayer** Susan Shumsky, D.D.,2006-06-01 MIRACLE PRAYER proposes a systematic approach to focusing one s intention and formulating prayers that get results based on the premise that your thoughts create your destiny Using a prescribed prayer format that will heal and transform your mind you will learn how to accept with full faith that the desired goal can be achieved The powerful field proven system which draws on the Religious Science tradition has produced miracles in the lives of millions of people worldwide A simple to learn nine step technique for results oriented prayer Teaches readers to identify and overcome obstacles preventing them from achieving their desires Shumsky studied under the founder of Transcendental Meditation Maharishi Manesh Yogi and her book speaks to a growing popular interest in intentional prayer I ve never seen a better how to guidebook for fulfilling goals through prayer and visualization Not only does Dr Shumsky help you get what you want she also helps you figure out how to know what you want and how to remove the blockages to getting it You will gain tremendous insight into the workings of your mind Read it now James Van Praagh author of Talking to Heaven *Wishes Fulfilled* Dr. Wayne W. Dyer,2013-12-03 This book is dedicated to your mastery of the art of realizing all your desires The greatest gift you have been given is the gift of your imagination Everything that now exists was once imagined And everything that will ever exist must first be imagined Wishes Fulfilled is designed to take you on a voyage of discovery wherein you can begin to tap

into the amazing manifesting powers that you possess within you and create a life in which all that you imagine for yourself becomes a present fact Dr Wayne W Dyer explores for the first time the region of your highest self and definitively shows you how you can truly change your concept of yourself embark upon a God realized way of living and fulfill the spiritual truth that with God all things are possible and all things means that nothing is left out By practicing the specific technique for retraining your subconscious mind you are encouraged to not only place into your imagination what you would like to manifest for yourself but you are given the specifics for realigning your life so you can live out your highest calling and stay connected to your Source of being From the lofty perspective of your highest self you will learn how to train your imagination in a new way Your wishes all of them can indeed be fulfilled By using your imagination and practicing the art of assuming the feeling of your wishes being fulfilled and steadfastly refusing to allow any evidence of the outer world to distract you from your intentions you will discover that you by virtue of your spiritual awareness possess the ability to become the person you were destined to be This book will help you See with a capital S that you are Divine and that you already possess an inner invisible higher self that can and will guide you toward a mastery of the art of manifestation You can attain this mastery through deliberate conscious control of your imagination *Realizing Our Divinity* Curtis A Vigness, 2013-11 The changes we need today must begin with a realization an understanding of our truest existence Throughout the course of humanity we have been misguided by a false sense of who we are This misunderstanding is the root of all the perceived problems we endure as individuals as well as on a global level The issues we have in our personal lives the struggles we face in our relationships the economic hardships we encounter and all the global dilemmas the violence the greed the hatred all originate from this misperception of who we all are The reason this is not better known is because we have all been deceived in the way we have been taught to interpret the world We have been led to believe in a life of separateness and in an existence that simply isn't real We need to examine what we each believe to be the most fundamental truths about life When we begin to explore deep within ourselves the mystery of life will reveal itself to us The challenges we face and the hardships we endure will not dissipate until we realize the truth When you are ready to make real lasting change in your life you must begin by taking responsibility for it all By becoming the change you wish to see you will realize the truth about life
