Three To Get Ready A Christian Premarital Counselors Manual:

Three to Get Ready Howard A. Eyrich, 1979-11 **A Christian Guide to Sexual Counseling** Mary Ann Mayo, 2003-01-17 Sexual counseling is not a task that pastors and general Christian counselors usually consider theirs If one is to venture into the field he or she must have a solid foundation of reliable information both physiological and psychological and confidence that caring intervention will make a difference This book has been written to provide reliable information and also building a basis of confidence for Christian counselors A Christian Guide to Sexual Counseling offers counselors procedures for helping couples with sexual problems by first exploring the ambivalent messages that church and culture have conveyed about sexuality Because the primary sex organ of both the male and the female is the mind attitudes and concepts must be scrutinized weighed and approved or disapproved As the author so forcefully maintains sexual counseling will always be trying to repair distortions if sound sex education does not become a priority for the church Many contemporary Christians are wary of sex therapy because of the notoriety of charlatans and pop sex psychologists But faddish theories do not comprise the basis for the mainstream of sex therapy There are sound biological and psychological bases for sexual counseling And Christian spirituality is not or should not be disjoined from treatment of sexual problems So Mayo brings body mind and spirit together in her assessment of the common problems and the appropriate treatments The book includes discussions of the following areas attitudes of the church toward sexuality the responsibility of Christian leaders to offer positive teaching normal sexual functioning common sexual problems in a marriage the role and possible outcomes of sexual counseling female problems male problems special concerns for singles premarital education Three to Get Ready Howard A. Eyrich, 1978 **The Biblical Counseling Movement** David Powlison, 2010-02-12 Beginning in the late 1960s a biblical counseling movement sought to reclaim counseling for the church and provide a Christian alternative to mainstream psychiatry and psychotherapy The Biblical Counseling Movement History and Context is an informative and thought provoking account of that movement David Powlison s historical account **Practical Wisdom for Pastors** Curtis C. Thomas, 2001-04-03 As a pastor your job is filled with blessings and satisfaction as well as unique challenges and pitfalls Here a ministry veteran covers virtually all of those areas with a wealth of practical insight culled from 44 years in the pastorate Blending his deep love of the Word and commitment to biblical ministry Curtis Thomas offers a rich source of help and encouragement that will enthuse and benefit you whether you ve pastored for five years or 50 *Singles Ministry Handbook* Douglas L. Fagerstrom, 1988 *Equally Yoked* Matthew R. Akers, 2016-03-03 During the past fifty years Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage As a result more North Americans than ever marry spouses whose ethnicity or culture differs from theirs This trend also is observable in Christian circles Unfortunately few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision The purpose of this volume is to provide such a resource *Equally Yoked* examines the subject of multiethnic

marriage from a biblical perspective before considering a history of the practice in North America over the last four centuries. Additionally, this book surveys the challenges that multiethnic Christian couples frequently encounter and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds.

Thirty Seven Biblical Strategies For Making Marriage Joyful Dr. Howard Eyrich, 2023-09-12. About the Book: Here are proven strategies embedded in the Scriptures with which to unlock the joy and lock out the disappointment and disillusionment that lead to a hurtful and eventually fractured marriage relationship. By setting time aside each week, you will better understand and apply biblical solutions to issues in your relationship and direct your energies toward defeating the problem, not each other. Since God's plan of creation and redemption features marriage—Adam and Eve at the beginning and Christ with the Church at the end—a stable and joyful marriage not only brings God glory, it provides an example for future generations to build on and copy. Use this book as a marriage enrichment tool as a couple, a group study book to work through with other couples, or as a resource to use with a counselor. In doing so, you will stimulate the growth and development of your relationship with God and each other, experience greater joy in your marriage, and ultimately bring Him glory. Throughout, you will find Key Scriptures applied to marriage, Nuggets of wisdom from a biblical counselor who is himself long married, Questions to consider and answer, Practical homework to help you put what you've read into action, Dedicated space to write notes, prayers, or important ideas you want to remember.
