 Wasting Time on the Internet Against Translation and Theory all published within a year of Goldsmith's controversial reading
 of a poem based on the Michael Brown autopsy report at Brown University in March 2015 These four books address issues of

 who is mid career taking stock of his considerable impact on U S and world poetics at the very moment when critics are
 challenging the ethics of his aesthetic judgment in the wake of the controversy surrounding The Body of Michael Brown The
 author focuses on how Goldsmith stages and in some cases transforms his metamorphic identity as a post humanist
