Tiger, and Smoke Connie Bailey,2011-07-25 Taken from their families and raised to be assassins Moonlight and Tiger are the perfect weapons and secret lovers Even when they are sent into service with different clans their love remains pure and strong until a more insidious threat divides them When Moonlight realizes his master is manipulating people for his own ends the discovery threatens not only Tiger but their entire society Betrayed by a fellow assassin the men are tortured and broken If their love and their people are going to survive one of them will have to defy everything he knows and stand up for the only thing he believes is real Love *Vital Breath of the Dao* Zhongxian Wu, Master Zhongxian Wu,2012-11-08 Lineage holder Master Zhongxian Wu uses story telling and a wealth of practical examples to introduce this powerful 24 movement Qigong form which combines the traditions of ancient shamanism Confucianism Daoism classical Chinese medicine and the martial arts Thinking And Destiny Harold W. Percival,2002-04 In Thinking and Destiny something new although older than time is now made known to the world about Consciousness The information is largely about the makeup of the human where man comes from what becomes of him it explains what thinking is it tells how a thought is created and how thoughts are exteriorized into acts objects and events and how they make his destiny Destiny is thus shown to be self determined by thinking and the process of re existence and the after death states are told in detail A single reading of any one chapter of Thinking and Destiny brings rich rewards in new understanding of life s puzzling mysteries To read the entire book is to come nearer to knowledge of one s destiny and how to shape it than is possible through study of anything previously written in the English language Both the casually curious glancer at books and the most avid seeker for knowledge will be intrigued by the index which lists more than 400 subjects in Thinking and Destiny and by the fifteen chapter headings in the Table of Contents which identify the 156 sections The Foreword contains the only pages in which Mr Percival uses the first personal pronoun Here he relates some of the amazing experiences through which he was able to grasp the knowledge he transmits and to acquire the ability to do so **Cultivating Qi** David W.
