Burke,Graeme Martin,2016-05-13 Increasing media scrutiny global coverage and communication via the internet means corporate reputation can be damaged quickly and failing to successfully address challenges to corporate reputation has consequences Companies generally suffer almost ten times the financial loss from damaged reputations than from whatever fines may be imposed According to Ernst Young the investment community

believes up to 50 per cent of a company's value is intangible based mostly on corporate reputation. So recognizing potential threats or anticipating risks emerges as a critical organizational competence. Organizations can regain lost reputations but recovery takes a long time. Corporate Reputation contains both academic content along with practical contributions developed by those serving as consultants or working in organizations in the area of corporate reputation and its management or recovery. It covers why corporate reputation matters, the increase in reputation loss threats to corporate reputation, monitoring reputation threats online and offline, the key role of leadership in reputation recovery, and making corporate reputation immune from threats. Any book that is going to do justice to a subject that is so complex and intangible needs imagination, depth and range, and this is exactly what the contributors bring with them. Sports Media Bradley Schultz, Edward T. Arke, 2015-10-14. Sports Media covers reporting, anchoring and production and offers thorough descriptions of the sports reporter and anchor's function in sports journalism. Chronicle of Malaysia Philip Mathews, 2014-02-28. This revised and updated edition of the Chronicle of Malaysia brings the full dramatic sweep of Malaysia's history up to date, taking the reader through the nation's first 50 years from the formation of Malaysia in 1963 all the way to 2013. It is packed with illustrated news stories covering hundreds of the nation's key social, political, cultural and sporting events. As a compendium of all aspects of Malaysian life, the book captures the mood of the day with a sense of vividness and immediacy. Concise, accessible articles, revised and rewritten to engage today's readers, are introduced by headlines and liberally illustrated with photographs and specially commissioned cartoons. The book is structured chronologically, with an average of eight pages devoted to each year, beginning with a succinct summary of the year's key events. A host of themes are covered, not just the major political and economic events but also the human side of the Malaysian experience: sports, fashion, music, the arts, architecture, lifestyle, disasters, crime and the social scene. These combine to give readers the feel of each era of Malaysia's past and enable them to draw parallels with the present. The
