Collectively Americans devour 73.1 million pounds of chicken in a day close to 8.6 billion birds per year. How did chicken rise from near invisibility to being in seemingly every pot as per Herbert Hoover's famous promise? Emelyn Rude explores this fascinating phenomenon in *Tastes Like Chicken*. With meticulous research, Rude details the ascendancy of chicken from its humble origins to its centrality on grocery store shelves and in restaurants and kitchens. Along the way, she reveals startling key points in its history such as the moment it was first stuffed and roasted by the Romans, how the ancients' obsession with cockfighting helped the animal reach Western Europe, and how slavery contributed to the ubiquity of fried chicken today. In the spirit of Mark Kurlansky's *Cod* and Bee Wilson's *Consider the Fork*, *Tastes Like Chicken* is a fascinating, clever, and surprising discourse on one of America's favorite foods.

If you ally obsession such a referred **Southeren Fried Chicken Recipe** books that will have the funds for you worth, get the totally best seller from us currently from several preferred authors.
