State, 1989 *Mapping Transatlantic Security Relations* Mark B. Salter, 2010-04-15 This book examines how legal political
and rights discourses security policies and practices migrate and translate across the North Atlantic The complex
relationship between liberty and security has been fundamentally recast and contested in liberal democracies since the start
of the global war on terror In addition to recognizing new agencies political pressures and new sensitivities to difference it is
important that not to over state the novelty of the post 9 11 era the war on terror simply made possible the intensification
expansion or strengthening of policies already in existence or simply enabled the shutting down of debate Working from a
common theoretical frame if different disciplines these chapters present policy oriented analyses of the actual practices of
security policing and law in the European Union and Canada They focus on questions of risk and exception state sovereignty
and governance liberty and rights law and transparency policing and security In particular the essays are concerned with

charting how policies practices and ideas migrate between Canada the EU and its member states By taking field approach to the study of security practices the volume is not constrained by national case study or the solipsistic debates within subfields and bridges legal political and sociological analysis It will be of much interest to students of critical security studies sociology law global governance and IR in general Mark B Salter is Associate Professor at the School of Political Studies University of Ottawa
