Warped Dueling Devils 4:

Duelling, the Russian Cultural Imagination, and Masculinity in Crisis Amanda DiGioia, 2020-10-12 This book written from a feminist perspective uses the focus of duelling to discuss the nature of masculinity in Russia It traces the development of duelling and masculinity historically from the time of Peter the Great onwards considers how duelling and masculinity have been represented in both literature and film and assesses the high emphasis given in Soviet times to gender equality arguing that this was a failed experiment that ran counter to Russian tradition It examines how duelling continues to be a feature of life in contemporary Russia and relates the situation in Russia to wider scholarship on the nature of masculinity more generally Overall the book contends that Russia's valuing of a strong militaristic form of masculinity is a major problem

Windows into the Heart of God Preston Parrish, 2007 From a man who has served as executive vice president of the Billy Graham Evangelistic Association an intimate and life changing look at the person of Jesus Christ who He is and what He offers to us Apart from Jesus even our highest achievements fall short and ring hollow It's only when we draw near to Him and become transformed by Him that we experience true contentment in every circumstance enjoy life the way God means for us to experience it bear lasting fruit in our Christian walk In *Windows into the Heart of God* readers will take a 31 day journey that encourages builds up and challenges them to flourish in their personal relationship with the Lord Jesus Christ Through this book that's both biblical and personal they'll laugh they'll cry they'll learn they'll grow in fact they'll be forever changed *Did the devil make me do it?* Mike McKinley, 2011-10-01 An introduction to what the Bible says about the devil evil spirits and demon possession When Jesus walked the earth he cast out demons and had powerful encounters with the devil But who exactly is the devil and where did he come from And what is he up to in the world today This short readable book explains clearly and simply what we can say with certainty from the Bible and Satan demons and evil spirits Suitable for all Christians especially those who are struggling with questions about Satan Part of the Questions Christians Ask series a range of short simple books designed to help Christians understand what God has said about these questions and many more in the Bible **The Weird World of Eerie Publications** Mike Howlett, 2010-11-30 Eerie Publications horror magazines brought blood and bad taste to America's newsstands from 1965 through 1975 Ultra gory covers and bottom of the barrel production values lent an air of danger to every issue daring you to look at and purchase them The *Weird World of Eerie Publications* introduces the reader to Myron Fass the gun toting megalomaniac publisher who with tyranny and glee made a career of fishing pocketbook change from young readers with the most insidious sort of exploitation You'll also meet Carl Burgos who as editor of Eerie Publications ground his axe against the entire comics industry Slumming comic art greats and unknown hacks were both employed by Eerie to plagiarize the more inspired work of pre Code comic art of the 1950s Somehow these lowbrow abominations influenced a generation of artists who proudly blame career choices and mental problems on Eerie Publications One of them Stephen R Bissette *Swamp Thing Taboo Tyrant* provides the introduction for this

volume Here s the sordid background behind this mysterious comics publisher featuring astonishingly red reproductions of many covers and the most spectacularly creepy art *Christ* Jack Miles,2002-11-05 With the same passionate scholarship and analytical audacity he brought to the character of God Jack Miles now approaches the literary and theological enigma of Jesus In so doing he tells the story of a broken promise God s ancient covenant with Israel and of its strange unlooked for fulfillment For having abandoned his chosen people to an impending holocaust at the hands of their Roman conquerors God in the person of Jesus chooses to die with them in what is effectively an act of divine suicide On the basis of this shocking argument Miles compels us to reassess Christ s entire life and teaching His proclivity for the powerless and disgraced His refusal to discriminate between friends and enemies His transformation of defeat into a victory that redeems not just Israel but the entire world Combining a close reading of the Gospels with a range of reference that includes Donne Nietzsche and Elie Wiesel *Christ A Crisis in the Life of God* is a work of magnificent eloquence and imagination *The Down Days* Ilze Hugo,2021-06-22 In the aftermath of a deadly outbreak bearing similarities to the Tanganyika Laughter Epidemic a city at the tip of Africa is losing its mind complete with hallucinations paranoia and good old fashioned ghost sightings Is it the result of secret government experiments an episode of mass hysteria the effects of trauma a sign of the end times In a quarantined city in which the inexplicable has already occurred rumors superstitions and conspiracy theories abound In these strange days Faith works as a full time corpse collector and a freelance truthologist putting together disparate pieces of information to solve others problems But after Faith agrees to help an orphaned girl find the girl s abducted baby brother she begins to wonder whether the boy is even real Meanwhile Sans a ponyjacker in the human hair trade is so distracted by a glimpse of his dream woman that he lets a bag of money he owes his gang partners go missing leaving him desperately searching for both and soon questioning his own sanity Over the course of a single week the paths of Faith Sans and a cast of other hustlers including a data dealer a drug addict a sin eater and a hyena man will cross and intertwine as they move about the city looking for lost souls uncertain absolution and answers that may not exist Part ghost story part whodunit part palimpsest *THE DOWN DAYS* is a rollicking exploration of the mutability of memory the subjectivity of perception and the notion that truth is ultimately in the eye of the beholder **Heavy Metal Music in Britain** Gerd Bayer,2016-04-22 Heavy metal has developed from a British fringe genre of rock music in the late 1960s to a global mass market consumer good in the early twenty first century Early proponents of the musical style such as Black Sabbath Deep Purple Judas Priest Saxon Uriah Heep and Iron Maiden were mostly seeking to reach a young male audience Songs were often filled with violent sexist and nationalistic themes but were also speaking to the growing sense of deterioration in social and professional life At the same time however heavy metal was seriously indebted to the legacies of blues and classical music as well as to larger literary and cultural themes The genre also produced mythological concept albums and rewritings of classical poems In other words heavy metal tried from the beginning to locate itself in a liminal space between pedestrian mass culture and a rather

elitist adherence to complexity and musical craftsmanship speaking from a subaltern position against the hegemonic discourse This collection of essays provides a comprehensive and multi disciplinary look at British heavy metal from its beginning through The New Wave of British Heavy Metal up to the increasing internationalization and widespread acceptance in the late 1980s The individual chapter authors approach British heavy metal from a textual perspective providing critical analyses of the politics and ideology behind the lyrics images and performances Rather than focus on individual bands or songs the essays collected here argue with the larger system of heavy metal music in mind providing comprehensive analyses that relate directly to the larger context of British life and culture The wide range of approaches should provide readers from various disciplines with new and original ideas about the study of this phenomenon of popular culture
