Sadiku, 2015-06-30 Every serious student of the Bible desires to understand the text discover the biblical principles and apply the truths to his her life This commentary is designed to help students pastors and Bible teachers understand the gospel of John in a simple manner Working from the popular New International Version NIV the author provides helpful commentary on the text verse by verse This verse by verse commentary is different from others in two respects First it is brief while some commentaries are unnecessarily wordy and verbose Second it is Pentecostal in outlook This implies that we generally adhere to the doctrine of biblical inerrancy and adopt a literalist approach to the interpretation of the Bible The fourth gospel has been called the gospel of belief It is different from the other three gospels Johns gospel is a profound witness to Christ as the Son of God Yet it is easy to read the reason new Christians are asked to begin reading the Bible by starting with John John is the deepest gospel of all it brings us closer to Jesus than any other Those who study it reap great rewards **John** Harv Black, 2005-09 **Origins** Derrick McC Carson, 2015-12-10 The creation story has been hijacked The subtle deceptions of the Serpent have caused skeptics and even believers to look upon the opening chapters of Genesis with a cynical eye As a result many believe that Earth is a cosmic accident and that humanity is merely a product of time matter and chance However Derrick McC Carson counters the critics of the Bible with powerful new evidence from the world of astronomy microbiology and physics which all point to the undeniable fact that we are here by Divine design In Origins you will be challenged with fascinating information that confirms Genesis 1:1 and following Content Includes Deep space discoveries which reveal the first moments of creation Wonders of the universe which point to a super intelligent Creator The reason why evil and suffering entered the world DNA the language of God The amazing ingenuity of Noahs Ark **The Complete Reference Guide to Bible Prophecy** Ron Rhodes, 2024-09-03 The Ultimate Bible Prophecy Resource In a world gripped by growing conflict and chaos it s hard to know where to turn for reliable guidance But God didn t leave us empty handed His gift of Bible prophecy offers hope for the future and purpose in the present The Complete Reference Guide to Bible Prophecy is your all in one resource for understanding Bible prophecy and the end times With his signature clarity and conversational tone Dr Ron Rhodes makes complex topics simple providing you with a composite survey of the end times from the rapture to eternity concise overviews of all the major prophetic viewpoints topics trends and commonly debated issues visual charts fast facts historical insights helpful quotes linguistic observations answers to FAQs and many other engaging features throughout every chapter This authoritative work is sure to become your go to prophecy guide for years to come Equipped with this invaluable resource you will become more inspired than ever in the hope wisdom and encouragement God provides through Bible prophecy **The Tower of Babel: A New Translation and Commentary of Genesis 11:1-9** Richie Cooley, 2020-02-08 This is a new translation commentary of the Tower of Babel account It is written from a fundamental Christian perspective with special emphases on archaeology and creation science On the Writing of New Testament Commentaries Stanley E. Porter, Eckhard J. Schnabel, 2012-09-28 The

essays in *On the Writing of New Testament Commentaries* discuss historical hermeneutical methodological literary and theological questions that shape the writing of commentaries on the books of the New Testament While these essays honor Grant R Osborne they also represent the first sustained effort to systematically address commentary writing in the field of New Testament studies **Unlocking the Scriptures** Jeff Lasseigne,2019-09-17 With clarity and wit pastor and Bible teacher provides an easy to use guide to the Bible highlighting its origin history trustworthiness and significance as well as key aspects of every book from Genesis to Revelation *Jesus Everlasting* Wendy Pope,2021-09-01 From the bestselling author of *Wait and See* this interactive book explores the powerful conversations Jesus had with five women Mary Magdalene Mary and Martha the woman caught in adultery and the woman at the well reminding readers that Jesus is with them always When stress and fear feel overwhelming women want to know that they are not alone and that they can still hold on to hope With her approachable style and passion for God's Word author Wendy Pope calls readers to know Jesus more deeply as a Counselor who truly knows them Defender who protects them Father who brings healing and hope Friend who will never leave them *Jesus Everlasting* includes thought provoking questions journaling space and unique explorations of six hymns to draw readers closer to their Savior This is a timely invitation for women to understand more of who Jesus is was and will be for every tomorrow *Morning and Evening Meditations from the Word of God* Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God *Living in the Light* Derrick McCarson,2013-05-24 The letters of John are some of the most simple yet profound texts in the New Testament The Apostle John wrote three epistles at the close of the first century to counteract the heresy of Gnosticism and to focus on what it meant to know God by walking in His light He contrasted the Christian life in stark opposites light and darkness love and hatred truth and lies life and death In *Living in the Light* Derrick McCarson reveals the heart of John's message salvation is not found in hidden secret knowledge but in the fellowship of Christ Moreover the evidence of salvation is seen by loving others abiding in the truth and obedience to God's commands *Living in the Light* is a verse by verse commentary on the epistles of John This volume is ideal for believers who are looking to go deeper in their discipleship with Christ With an emphasis on practical application and precise exposition this book will enhance the reader's personal Bible study
