Maxford,2018-12-17 A Booklist Starred Review A Booklist Top 10 Reference Book This tome contains everything anyone would want to know about the British company Maxford s love for his subject is palpable Numerous black and white photographs provide a sense of the period and people involved a hefty read The ultimate resource for die hard fans of Hammer Film Productions Library Journal This superb encyclopedia is likely the definitive work on Britain s most celebrated

genre film producer this book covers the entirety of the studio's filmography not neglecting its forays into crime films and comedies Although Maxford is obviously a big fan he doesn't pull any punches about Hammer's missteps and Hammer Complete functions as a guide to film quality as well as a purely factual work tons of illustrations including rare foreign market posters A major achievement Booklist Highly recommended ARBA Ultimate A to Z of everything Hammer excellent Hammer Historical Tome Little Shoppe of Horrors Hammer Complete is every bit the monster as the vampire adorning its cover It's thorough as hell more thorough than thorough Flick Attack Deserves immense praise there is plenty of new and insightful material here a huge well researched reference book that no Hammer aficionado should be without Cinema Retro Maxford is a superb writer his book is well researched entertaining and good humoured It's also an invaluable book if you purchase it you will never part with it Kudos to McFarland for producing such a well bound and presented book Well done No disposable download compare to a thing of beauty and joy forever as Hammer Complete Hellbound It is really hard to be not excited when a book comes out on one of your favorite studios that is just a few pages shy of a 1000 Sure some of you that ask do we really need another book on Hammer Films Well if it is as massive and thorough as this one then that would be a definite yes I have been waiting on this book to come out since McFarland announced it well over a year ago but had no idea how colossal of a tome this would be Buy this book If you are any kind of Hammer fan that craves information about the studio that dripped blood then you must own this It will be a never ending source of not only a few minutes to browse through this before you come across a few titles that is going to make you want to go watch them again That is a sign of a great book I know I will be pulling this out each and every time I do any research on Hammer Kitley's Krypt It's thorough as hell more thorough than thorough Bookgasm Massive volume a true treasure trove of information about all things Hammer valuable ICv2 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company's less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution

Fighting Robots Michael Benson, 2002 It's an ear splitting gut crunching armor crashing booby trapped fight to the death and the fastest growing sport on television the world of hard driving robot combat Millions watch as these metallic maulers handmade with a vengeance by technical wizards slash buzz and hammer each other into a crowd pleasing pulp in awesome displays of motorized muscle This is the only A to Z guide to the fascinating world of mechanical warriors from the best Bots in the business to the inventors who created them Whether you want to build and fight your own robot learn more

about the sport or get a close up behind the scenes look at every bit of the action this comprehensive book delivers it all the guts the gears and the pulverizing glory Book jacket **Titans** Armond Boudreaux, Corey Latta, 2017-07-14 These days it seems like heroes fight each other more often than they fight villains The hero vs hero trope so common in comic books and in superhero movies these days can provide us with a means of thinking about the deeply polarized state of modern politics and public opinion about civic life morality and even God There is a real divide in our public life that nobody seems to be able to cross It s easy to complain that people should be more willing to meet each other half way that politicians should be more willing to compromise in order to get things done but there are plenty of important issues on which compromise really isn t possible We see this problem dramatized in comics like Marvel s Civil War and Avengers vs X Men in DC s Kingdom Come and The Dark Knight Returns and in film media like Daredevil Batman v Superman and Captain America Civil War The consequences of the conflicts that arise in these stories can serve as warnings about our current political environment They re safe places in which we can see the logic of our political dysfunction carried to frightening but perhaps inevitable conclusions **Library Journal** ,1989
