

Washingtons General Nathanael American Revolution

Emilie Sanchez

Washington's General Nathanael American Revolution:

Washington's General Terry Golway, 2005-01-10 Terry Golway's new book drawn from field documents, letters, diaries and other sources takes full account of the scope of Nathanael Greene's remarkable accomplishments, returning the forgotten patriot to his proper place in American history. **BOOK JACKET** *Nathanael Greene* Gerald M. Carbone, 2008-06-24 An engaging new biography, a rounded portrait of an unsung hero of the American Revolution from the award-winning author *The Washington Times*. When the Revolutionary War began, Nathanael Greene was a private in the militia, the lowest rank possible; yet he emerged from the war with a reputation as George Washington's most gifted and dependable officer, celebrated as one of three most important generals. Upon taking command of America's Southern Army in 1780, Nathanael Greene was handed troops that consisted of one 500 starving, nearly naked men. Gerald Carbone explains how, within a year, the small, worn-out army ran the British troops out of Georgia, South Carolina, and North Carolina, and into the final trap at Yorktown. Despite his huge military successes and tactical genius, Greene's story has a dark side. Gerald Carbone drew on twenty-five years of reporting and researching experience to create his chronicle of Greene's unlikely rise to success and his fall into debt and anonymity. Carbone gives a little-known Revolutionary War leader his due in this admiring biography. A lucid account of the Revolutionary War from the point of view of its most successful general. **Kirkus Reviews**. To this much-needed new biography of America's most unjustly neglected Revolutionary War hero, Gerald Carbone brings a journalist's concision, a storyteller's eye for illuminating detail, a wry New England sensibility, and a historian's diligence. **Charles F. Price** award-winning author of *Season of Terror*. **General Nathanael Greene and the American Revolution in the South** Gregory D. Massey, Jim Piecuch, 2026-03-26 A major general in the Continental Army during the American Revolution, Nathanael Greene has received historical attention as a commander who successfully coordinated the actions of seemingly disparate kinds of soldiers: regular Continental troops, militia men, and partisan guerrillas. He has often been acclaimed as the second most important military figure of the Revolution, behind George Washington. *General Nathanael Greene and the American Revolution in the South* offers new perspectives on Greene's leadership of Continental troops, his use of the mounted troops of South Carolina, partisan leaders Thomas Sumter and Francis Marion, his integration of local militia into his fighting force, and his proposal that slaves be armed and freed in return for their military service. During the first five years of the War of Independence, Greene served in the North as General George Washington's most trusted subordinate. Through successes, failures, and hard-earned experience, Greene learned that mobility, logistical support, and effective civil-military relations were crucial components of eighteenth-century warfare, and especially of a successful revolution. He applied these lessons as commander in the Southern Department, where he led one of the most startling turnabouts in American military history, reversing a rigid British occupation and saving American liberty. This collection of essays provides an assessment of the most important period of Greene's military career. Editors Gregory D. Massey and Jim Piecuch have compiled essays from

distinguished scholars and written a joint introduction demonstrating how Greene's actions shaped the war in the South and deepening our understanding of Greene's role in winning American independence *The Papers of General Nathanael Greene* Richard K. Showman, Robert E. McCarthy, Dennis M. Conrad, E. Wayne Carp, 2015-12-01 These volumes published in conjunction with the Rhode Island Historical Society represent the result of an exhaustive search for documents relating to the life and career of Revolutionary War general Nathanael Greene The papers letters and documents received by Greene as well as those sent by him are carefully edited and fully annotated The editors reproduce many items in full but abstract papers that are of lesser significance Greene who served as quartermaster general of the army and later as commander of the forces fighting in the southern theater is generally considered the ablest of Washington's generals His papers are a vital source of information on the war itself as well as on the man Nathanael Greene in South Carolina: Hero of the American Revolution Leigh M. Moring, 2016 In December 1780 former Quaker turned general Nathanael Greene took command of the entire Southern Department He reported only to George Washington himself Leadership of the southern states to that point in the American Revolution had failed as the British held all major southern cities including the important port city of Charleston Greene faced the British in several key battles in South Carolina in 1781 and ultimately was able to rid the state of the British and free Charleston but not until 1782 long after the victory at Yorktown Join author and historian Leigh Moring as she tells the forgotten story of General Nathanael Greene and the liberation of the Lowcountry at the end of the American Revolution **Italian Opera in the Age of the American Revolution** Pierpaolo Polzonetti, 2011-03-17 Polzonetti reveals how revolutionary America inspired eighteenth century European audiences and how it can still inspire and entertain us **Historical Dictionary of the American Revolution** Terry M. Mays, 2019-02-08 The American Revolution pitted 13 loosely united colonies in a military political and economic struggle against Great Britain the mother country and arguably the most powerful state in the world during the late 18th century The independent spirit that led many individuals to leave homes in Europe and settle in the New World during the 17th and 18th centuries evolved into the drive that persuaded these same settlers and their descendants to challenge the colonial economic and taxation policies of Great Britain which led to the armed conflict that resulted in a declaration of independence This third edition of Historical Dictionary of the American Revolution contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on the politics battles weaponry and major personalities of the war This book is an excellent resource for students researchers and anyone wanting to know more about the American Revolution Seven Myths of the American Revolution Jim Piecuch, 2023-09-18 In fast paced crystal clear prose these four veteran historians quash not just seven myths about the American Revolution but dozens If you think that slavery was inevitable that British commanders were lazy nincompoops or that Indigenous warriors were nothing more than British pawns you will savor the challenge of Seven Myths of the American Revolution just as much as I did Woody Holton University of South Carolina

author of *Liberty Is Sweet The Hidden History of the American Revolution* Simon Schuster 2021 **The Revolutionary War in South Carolina** Steven D. Smith, Kevin Dougherty, 2025-03-31 A real page turner a must read for devotees of America's struggle for Liberty and for scholars and students of the Military Art of Leadership Joining history and modern management thought in one volume illuminating great men in the crucible of crisis and combat from the strategic to the tactical from the political to the logistical Here is a compelling expert telling of the Revolutionary War in its critical human dimension Leadership Steven Smith and Kevin Dougherty's collaboration is a winning combination of history and applied leadership theory as to illuminate the bloody contest in South Carolina that changed the world Major General J B Burns US Army Ret Trustee SC RevWar250 An examination of the panorama of individuals whose leadership helped make the Patriot cause successful in South Carolina Historians Steven D Smith and Kevin Dougherty look beyond the towering figure of Francis Marion to profile significant personalities and actions both on and off the battlefield in this innovative approach to the Revolutionary War in South Carolina The book profiles a range of individuals Henry Laurens was the President of the Council of Safety Richard Furman was the pastor of a church John Rutledge was the Governor of South Carolina and Rebecca Motte was a plantation owner William Moultrie and Andrew Pickens perhaps most familiar as soldiers are discussed in their non combatant roles Moultrie as a prisoner of war and Pickens as a post war civic leader Military leaders William Jasper Thomas Sumter Francis Marion Isaac Shelby Nathanael Greene Daniel Morgan Tadeusz Kosciuszko Hezekiah Maham and Henry Lee round out the selection of profiles The profiles are preceded by a historical overview of the Southern Campaign and the Revolutionary War in South Carolina in order to provide the reader the background necessary to understand the leadership profiles in context The book's conclusion highlights that the Revolutionary War was a landmark in the democratization of war and that the choices made by these leaders and their followers reflect the same element of choice inherent in the democratic process **Freedom's Cost** Janet Uhlar, 2011-05 Nathanael Greene was the strategist of the American Revolution His role in the War for Independence was second only to General George Washington Born and reared a Quaker with no military experience he was promoted from private to brigadier general over night Greene quickly became Washington's confidant and close friend He was chosen by the Commander to lead the Continental Army should Washington be killed injured or taken captive Nathanael's vivacious wife Caty a favorite of the Washingtons added brightness to the dark dreary existence of camp life She proved to be a source of joy and comfort to her husband throughout the war as well as a heartache and challenge It was General Nathanael Greene who pulled the Continental Army from the throes of death at Valley Forge It was General Greene who petitioned Congress for a Declaration of Independence It was Nathanael Greene who was given the desperate task of commanding the Southern Department of the Continental Army after other commanders had failed It was Greene who drove British General Cornwallis to surrender at Yorktown Unable to participate or witness the victorious battle he was forced to immediately return South with his troops and subdue the remaining British forces Greene

led his troops in battle and laid siege for a year after the victory at Yorktown His persistence finally forced the British to evacuate the South George Washington and Nathanael Greene were the only general officers who served in that position throughout the war Greene led his men in more battles than any other general officer including Washington Moreover it was Greene who was constantly harassed by Congress and ultimately forsaken by them Three years after the official end of the war Nathanael Greene was dead His premature death was not only a result of the intense hardships of war but the hardships and cruelty inflicted on him by the United States Congress Janet Uhlar was born in Quincy Massachusetts the hometown of John Adams John Quincy Adams John Hancock and Josiah Quincy Jr Through her works of biographical fiction she hopes to present the extraordinary stories of forgotten heroes of the American Revolution Janet firmly believes that when the private lives and unique personalities of historical figures are presented and the dynamics between these characters brought out history becomes much more than cold black print on a stark white page History takes on a life of its own with true flesh and blood individuals whose acts of courage indifference or cowardice shaped the world we live in today This living history helps us relate to those who have gone before offering inspiration courage and a sense of determination Janet is also the author of *Liberty's Martyr: The Story of Dr Joseph Warren* She lives on Cape Cod in Massachusetts

Martyr of the American Revolution C. L. Bragg, 2017-01-02 This military history examines the complex factors surrounding the execution of an American militia colonel in British occupied Charleston SC South Carolina patriot militiamen played an integral role in helping the Continental army reclaim their state from its British conquerors In *Martyr of the American Revolution* Cordell L Bragg III examines the events that set Col Isaac Hayne into a disastrous conflict with two British officers his execution in Charleston and the repercussions that extended from South Carolina to the Continental Congress and the halls of British Parliament Hayne was the most prominent American executed by the British for treason He and his two principal antagonists Lt Col Nisbet Balfour and Lt Col Francis Lord Rawdon were unwittingly set on a collision course that climaxed in an act that sparked one of the war's most notable controversies *Martyr of the American Revolution* sheds light on why two professional soldiers were driven to commit a seemingly arbitrary deed that halted prisoner exchange and nearly brought disastrous consequences to captive British officers The death of a patriot in the cause of liberty was not a unique occurrence but the unusually well documented events surrounding the execution of Hayne and the involvement of his friends and family makes his story compelling and poignant Unlike young Capt Nathan Hale who suffered a similar fate in 1776 Hayne did not become a folk hero Yet his execution became an international affair debated in both Parliament and the Continental Congress

Almost a Miracle John E. Ferling, 2009 Describes the military history of the American Revolution and the grim realities of the eight year conflict while offering descriptions of the major engagements on land and sea and the decisions that influenced the course of the war *Washington's Crossing* David Hackett Fischer, 2004-02-12 Six months after the Declaration of Independence the American Revolution was all but lost A powerful British force had routed the Americans at

New York occupied three colonies and advanced within sight of Philadelphia Yet as David Hackett Fischer recounts in this riveting history George Washington and many other Americans refused to let the Revolution die On Christmas night as a howling nor easter struck the Delaware Valley he led his men across the river and attacked the exhausted Hessian garrison at Trenton killing or capturing nearly a thousand men A second battle of Trenton followed within days The Americans held off a counterattack by Lord Cornwallis s best troops then were almost trapped by the British force Under cover of night Washington s men stole behind the enemy and struck them again defeating a brigade at Princeton The British were badly shaken In twelve weeks of winter fighting their army suffered severe damage their hold on New Jersey was broken and their strategy was ruined Fischer s richly textured narrative reveals the crucial role of contingency in these events We see how the campaign unfolded in a sequence of difficult choices by many actors from generals to civilians on both sides While British and German forces remained rigid and hierarchical Americans evolved an open and flexible system that was fundamental to their success The startling success of Washington and his compatriots not only saved the faltering American Revolution but helped to give it new meaning

Revolutionary Leadership Pat Williams,Jim Denney,2021-05-11 Times of crisis call for revolutionary leadership What better model could we have for courage and creativity under fire than those who found themselves in positions of leadership during the American Revolutionary War Men and women famous and obscure of European and African descent the leaders of the revolution faced outrageous odds and dire consequences should they fail Yet they stuck to their principles winning the most unlikely of victories and not only shaping a new country but reshaping the world Now Pat Williams helps you apply their genius to your sphere of influence Through the remarkable stories of more than 25 leaders of the American Revolution you ll discover fresh insight into how great leaders are formed refined tested and strengthened As Thomas Paine wrote We have it in our power to begin the world over again Let Pat Williams show you how to lead in our day with revolutionary courage confidence and a serving heart

The Making of the Prefident 1789 Marvin Kitman,2007-12-01 A witty funny and hysterically silly political parody that dares to take on the Mount Vernon Machine The New York Times Lampooning the modern campaign insider books this book asks How is it possible that a man with no military experience becomes a general He loses more battles than he wins and becomes a war hero He has absolutely no political opinions in the most sophisticated intellectual period of our history He has no ambitions and he wins Through careful research and with plenty of laughs as well as a foreword by John Cleese journalist Marvin Kitman exposes George Washington s weaknesses for social climbing and high stakes whist not to mention his relationships with the Founding Girlfriends Hilarious Will entertain and fascinate even those who think they hate history Houston Chronicle

For Liberty and Glory: Washington, Lafayette, and Their Revolutions James R. Gaines,2008-09-17 They began as courtiers in a hierarchy of privilege but history remembers them as patriot citizens in a commonwealth of equals On April 18 1775 a riot over the price of flour broke out in the French city of Dijon That night across the Atlantic Paul Revere mounted the fastest

horse he could find and kicked it into a gallop So began what have been called the sister revolutions of France and America In a single thrilling narrative this book tells the story of those revolutions and shows just how deeply intertwined they actually were Their leaders George Washington and the Marquis de Lafayette were often seen as father and son but their relationship while close was every bit as complex as the long fraught history of the French American alliance Vain tough ambitious they strove to shape their characters and records into the form they wanted history to remember James R Gaines provides fascinating insights into these personal transformations and is equally brilliant at showing the extraordinary effect of the two freedom fighters on subsequent history Lafayette in the Somewhat United States Sarah Vowell,2016-10-04 From the bestselling author of Assassination Vacation and The Partly Cloudy Patriot an insightful and unconventional account of George Washington s trusted officer and friend that swashbuckling teenage French aristocrat the Marquis de Lafayette Chronicling General Lafayette s years in Washington s army Vowell reflects on the ideals of the American Revolution versus the reality of the Revolutionary War Riding shotgun with Lafayette Vowell swerves from the high minded debates of Independence Hall to the frozen wasteland of Valley Forge from bloody battlefields to the Palace of Versailles bumping into John Adams Thomas Jefferson Lord Cornwallis Benjamin Franklin Marie Antoinette and various kings Quakers and redcoats along the way Drawn to the patriots war out of a lust for glory Enlightenment ideas and the traditional French hatred for the British young Lafayette crossed the Atlantic expecting to join forces with an undivided people encountering instead fault lines between the Continental Congress and the Continental Army rebel and loyalist inhabitants and a conspiracy to fire George Washington the one man holding together the rickety seemingly doomed patriot cause While Vowell s yarn is full of the bickering and infighting that marks the American past and present her telling of the Revolution is just as much a story of friendship between Washington and Lafayette between the Americans and their French allies and most of all between Lafayette and the American people Coinciding with one of the most contentious presidential elections in American history Vowell lingers over the elderly Lafayette s sentimental return tour of America in 1824 when three fourths of the population of New York City turned out to welcome him ashore As a Frenchman and the last surviving general of the Continental Army Lafayette belonged to neither North nor South to no political party or faction He was a walking talking reminder of the sacrifices and bravery of the revolutionary generation and what the founders hoped this country could be His return was not just a reunion with his beloved Americans it was a reunion for Americans with their own astonishing singular past Vowell s narrative look at our somewhat united states is humorous irreverent and wholly original **The President Shall Nominate** Mitchel A. Sollenberger,2008 A comprehensive and path breaking study of what happens behind the scenes before presidents publicly announce to the Senate and thus the nation their nominees for federal positions **Band of Giants** Jack Kelly,2025-09-23 Band of Giants brings to life the founders who fought for our independence in the Revolutionary War Jefferson Adams and Franklin are known to all men like Morgan Greene and Wayne are less familiar Yet

the dreams of the politicians and theorists only became real because fighting men were willing to take on the grim risky brutal work of war We know Fort Knox but what about Henry Knox the burly Boston bookseller who took over the American artillery at the age of 25 Eighteen counties in the United States commemorate Richard Montgomery but do we know that this revered martyr launched a full scale invasion of Canada The soldiers of the American Revolution were a diverse lot merchants and mechanics farmers and fishermen paragons and drunkards Most were ardent amateurs Even George Washington assigned to take over the army around Boston in 1775 consulted books on military tactics Here Jack Kelly vividly captures the fraught condition of the war the bitterly divided populace the lack of supplies the repeated setbacks on the battlefield and the appalling physical hardships That these inexperienced warriors could take on and defeat the superpower of the day was one of the remarkable feats in world history *From Trenton to Yorktown* John R. Maass, 2025-02-13

Published to coincide with the 250th anniversary this sweeping narrative is an astute exploration of the five critical military events that changed the outcome of the Revolutionary war For eight grueling years American and British military forces struggled in a bloody war over colonial independence This conflict also ensnared Native American warriors and the armies and navies of France Spain the Dutch Republic and several German principalities From frozen Canada to tropical Florida and as far west as the Mississippi River the Revolutionary War included hundreds of campaigns battles and skirmishes on land and sea in which soldiers and sailors fought and died for causes crowns and comrades In this masterful yet accessible narrative of America's fight for liberty John R Maass identifies the five decisive events that secured independence for the 13 hard pressed but determined colonies These include not only the obvious military victories such as Trenton Princeton and Yorktown but also the leadership and reforms that ensured Washington's forces were capable of enduring the harsh conditions of the winter of 1778 Similarly King Louis XVI's decision to supply Continental troops during the Saratoga Campaign with desperately needed soldiers arms money and fleets is also detailed as a key factor These turning points not all of them triumphs on the battlefield delivered a victory for the new United States By challenging conventional interpretations of what ensures victory in warfare *From Trenton to Yorktown* offers a fresh perspective on the Revolutionary War

Washingtons General Nathanael American Revolution Introduction

Washingtons General Nathanael American Revolution Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Washingtons General Nathanael American Revolution Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Washingtons General Nathanael American Revolution : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Washingtons General Nathanael American Revolution : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Washingtons General Nathanael American Revolution Offers a diverse range of free eBooks across various genres. Washingtons General Nathanael American Revolution Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Washingtons General Nathanael American Revolution Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Washingtons General Nathanael American Revolution, especially related to Washingtons General Nathanael American Revolution, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Washingtons General Nathanael American Revolution, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Washingtons General Nathanael American Revolution books or magazines might include. Look for these in online stores or libraries. Remember that while Washingtons General Nathanael American Revolution, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Washingtons General Nathanael American Revolution eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Washingtons General Nathanael American Revolution full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Washingtons General Nathanael American Revolution eBooks, including some popular titles.

FAQs About Washingtons General Nathanael American Revolution Books

1. Where can I buy Washingtons General Nathanael American Revolution books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Washingtons General Nathanael American Revolution book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Washingtons General Nathanael American Revolution books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Washingtons General Nathanael American Revolution audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Washingtons General Nathanael American Revolution books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
