feel they were not alone not really with loyal friends and family They share how their once right sized houses suddenly felt empty too big and too full of stuff that no longer made sense They write about all the legal and accounting woes that befell them And they tell readers what it s like to be over 50 and dating again after decades out of that scene which had changed in unfathomable yet often hilarious ways Suddenly Single After 50 addresses what life is really like when it s suddenly shaped as single It helps readers understand the grief frustration and sadness alongside reawakening into the world Anyone who finds themselves suddenly single in middle age and beyond or knows someone who is will find in these pages both advice and reflection support and a way forward
