**The Smile** A. R. Easterling,2015-07-30 This is a story of love Love which is the same no matter the soul's shell No one should have to be ashamed of the people they love as we are all human I love you Who would have ever thought the words which caused me such dread in the past could ever come to sound so beautiful and feel so very wonderful Returning to Japan after the loss of his mother Hitori hopes to start anew He enters school and longs to make new friends Quickly he realizes that friendship will not be the only thing he finds Befriending a quiet classmate Hitori finds himself falling hopelessly in love Akaya is a shy quiet boy who finds himself stumbling through life afraid of many things At first he is bothered by the outrageous look of the new student Before long however he comes to enjoy the company of the blue haired man and wonders how he made it so long without a friend like Hitori As their friendship blossoms then turns to love the boys have to learn to ignore harsh words from school society and family alike Despite this their love grows and soon they realize soul mates really do exist The sun shines brighter than ever before and the nights aren't nearly as cold as they once were Love has finally warmed the two distraught souls and created an illusion of serenity As seasons change the boys continue to defy society and become something magical But upon receiving horrible news from his mother everything in Akaya's life changes When a time limit is placed on their love the boys fight to make their remaining time together something meaningful Love becomes their whole life as they realize they may not get the fairytale ending to their relationship Without him I am like a book ripped in half Without the beginning you would surely be confused and without the end you will never be fulfilled What could tear these two apart After fighting past societal norms school bullying and angry parents what could finally break them apart

Jack Holmes and His Friend Edmund White,2012-01-24 Many straight men and gay men are best friends but if the phenomenon is an urban commonplace it has never been treated before as the focus of a major novel Jack Holmes is in love but the man he loves never shares his bed The other men Jack sleeps with never last long and he dallies with several women He sees a shrink and practices extreme discretion about his gay adventures since the book begins in the 1960s before gay liberation and ends after the advent of AIDS in the 1980s Jack's friend Will Wright comes from old stock has aspirations to be a writer and like Jack works on the Northern Review a staid cultural quarterly Will is shy and lonely and Jack introduces him to the beautiful brittle young woman he will marry Over the years Will discovers his sensuality and almost destroys his marriage in doing so Towards the end of the 1970s Jack's and Will's lives merge as they both become

accomplished libertines Jack Holmes and his Friend deploys Edmund White's wonderful perceptions of American society to dazzling effect as character after character is delicately and colourfully rendered and one social milieu after another glows in the reader's mind. He is a connoisseur of the nuances of personality and mood and here unveils his very human cast in all their radical individuality. New York itself is a principle character with its old society and its bohemians rich and poor with its sleek European immigrants and its rough and tumble transplanted Midwesterners. With narrative daring and a gifted sense of the rueful submerged drama of life the novel is a beautifully sculpted exploration of sexuality and sensibility. **The Girl's**

**Own Paper**, 1883 **How's the Pain? [Editions Gallic]** Pascal Garnier, 2020-11-03 How's the Pain is way off kilter blackly comic and quintessentially Gallic Crime Time. One of the most remarkable and in the English speaking world at least one of the most inexplicably underappreciated French writers of the twentieth century John Banville. Death is Simon's business. And now the ageing vermin exterminator is preparing to die. But he still has one last job down on the coast and he needs a driver. Bernard is twenty-one. He can drive and he's never seen the sea. He can't pass up the chance to chauffeur for Simon whatever his mother may say. As the unlikely pair set off on their journey Bernard soon finds that Simon's definition of vermin is broader than he'd expected. Veering from the hilarious to the horrific this offbeat story from master stylist Pascal Garnier is at heart an affecting study of human frailty. **The Dog MEGAPACK** © Robert Reginald, Mary Wickizer
