

SORORITY INTEREST LETTER

Sorority Initiation Letter

Amanda L. Golbeck

Sorority Initiation Letter:

Black Greek-Letter Organizations in the 21st Century Gregory S. Parks, 2008-06-13 A masterpiece of multidisciplinary scholarship that clearly demonstrates the contemporary relevance of black fraternities and sororities Hasan Kwame Jeffries author of *Bloody Lowndes* During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance of BGLOs arguing that their golden age has passed To foster a greater engagement with the history and contributions of BGLOs Black Greek Letter Organizations in the Twenty first Century brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance Black Greek Letter Organizations in the Twenty first Century demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead

The Sorority Handbook Ida Shaw Martin, 1909 *College Girls* Lynn Peril, 2013-12-16 The author of *Pink Think* takes on a twentieth century icon the college girl A geek who wears glasses Or a sex kitten in a teddy This is the dual vision of the college girl the unique American archetype born when the age old conflict over educating women was finally laid to rest College was a place where women found self esteem and yet images in popular culture reflected a lingering distrust of the educated woman Thus such lofty cultural expressions as *Sex Kittens Go to College* 1960 and a raft of naughty pictorials in men's magazines As in *Pink Think* Lynn Peril combines women's history and popular culture peppered with delightful examples of femorabilia from the turn of the twentieth century through the 1970s in an intelligent and witty study of the college girl the first woman to take that socially controversial step toward educational equity

Black Greek-letter Organizations in the Twenty-First Century Gregory S. Parks, 2008-06-13 During the twentieth century black Greek Letter organizations BGLOs united college students dedicated to excellence fostered kinship and uplifted African Americans Members of these organizations include remarkable and influential individuals such as Martin Luther King Jr Congresswoman Barbara Jordan novelist Toni Morrison and Wall Street pioneer Reginald F Lewis Despite the profound influence of these groups many now question the continuing relevance

of BGLOs arguing that their golden age has passed Partly because of their perceived link to hip hop culture black fraternities and sororities have been unfairly reduced to a media stereotype a world of hazing without any real substance The general public knows very little about BGLOs and surprisingly the members themselves often do not have a thorough understanding of their history and culture or of the issues currently facing their organizations To foster a greater engagement with the history and contributions of BGLOs Black Greek Letter Organizations in the Twenty first Century Our Fight Has Just Begun brings together an impressive group of authors to explore the contributions and continuing possibilities of BGLOs and their members Editor Gregory S Parks and the contributing authors provide historical context for the development of BGLOs exploring their service activities as well as their relationships with other prominent African American institutions The book examines BGLOs responses to a number of contemporary issues including non black membership homosexuality within BGLOs and the perception of BGLOs as educated gangs As illustrated by the organized response of BGLO members to the racial injustice they observed in Jena Louisiana these organizations still have a vital mission Both internally and externally BGLOs struggle to forge a relevant identity for the new century Internally these groups wrestle with many issues including hazing homophobia petty intergroup competition and the difficulty of bridging the divide between college and alumni members Externally BGLOs face the challenge of rededicating themselves to their communities and leading an aggressive campaign against modern forms of racism sexism and other types of fear driven behavior By embracing the history of these organizations and exploring their continuing viability and relevance Black Greek Letter Organizations in the Twenty first Century demonstrates that BGLOs can create a positive and enduring future and that their most important work lies ahead

The Trident of Delta Delta Delta Delta Delta Delta, 1917 **Baird's Manual of American College Fraternities** ,1929

Kappa Alpha Theta ,1910 *Equivalence* Amanda L. Golbeck,2017-04-28 *Equivalence* Elizabeth L Scott at Berkeley is the compelling story of one pioneering statistician s relentless twenty year effort to promote the status of women in academe and science Part biography and part microhistory the book provides the context and background to understand Scott s masterfulness at using statistics to help solve societal problems In addition to being one of the first researchers to work at the interface of astronomy and statistics and an early practitioner of statistics using high speed computers Scott worked on an impressively broad range of questions in science from whether cloud seeding actually works to whether ozone depletion causes skin cancer Later in her career Scott became swept up in the academic women s movement She used her well developed scientific research skills together with the advocacy skills she had honed in such activities as raising funds for Martin Luther King Jr and keeping Free Speech Movement students out of jail toward policy making that would improve the condition of the academic workforce for women The book invites the reader into Scott s universe a window of inspiration made possible by the fact that she saved and dated every piece of paper that came across her desk **But It's Your Family** . . . Sherrie Campbell,2019-01-01 A psychologist offers a roadmap for those looking to break free of toxic family relationships

and thrive in the aftermath Toxic family abuse is always two fold The first layer of abuse is the original poor treatment by toxic family members and the second is someone s denial of the ways in which abusers treat and harm them Loving someone doesn t always mean having a relationship with them just like forgiveness doesn t always mean reconciliation A significant part of healing comes with accepting that there are some relationships that are so poisonous that they destroy one s ability to be healthy and function best But It s Your Family is a remarkable account of what it means to cut ties to toxic family abuse and thrive in the aftermath Inside Dr Sherrie Campbell clarifies How parents adult children siblings grandparents and in laws can be toxic The difference between flawed and toxic family members Explaining the cutting of ties to children and others who may not understand Spiritual and religious views on forgiveness The definition of cutting ties and what No Contact actually means When readers are able to bring closure to those toxic relationships they give themselves the space to love those family members from a distance as fellow human beings with the knowledge that it is unwise to remain connected Readers learn how to love themselves in the process and fundamentally change their lives for the better

The Mirage Man David Willman,2011-06-07 For the first time Pulitzer Prize winning journalist David Willman tells the whole gripping story of the hunt for the anthrax killer who terrorized the country in the dark days that followed the September 11th attacks Letters sent surreptitiously from a mailbox in New Jersey to media and political figures in New York Florida and Washington D C killed five people and infected seventeen others For years the case remained officially unsolved and it consumed the FBI and became a rallying point for launching the Iraq War Far from Baghdad at Fort Detrick Maryland stood Bruce Ivins an accomplished microbiologist at work on patenting a next generation anthrax vaccine Ivins it turned out also was a man the FBI consulted frequently to learn the science behind the attacks The Mirage Man reveals how this seemingly harmless if eccentric scientist hid a sinister secret life from his closest associates and family and how the trail of genetic and circumstantial evidence led inexorably to him Along the way Willman exposes the faulty investigative work that led to the public smearing of the wrong man Steven Hatfill a scientist specializing in biowarfare preparedness whose life was upended by media stakeouts and op ed page witch hunts Engrossing and unsparing The Mirage Man is a portrait of a deeply troubled scientist who for more than twenty years had unlimited access to the U S Army s stocks of deadly anthrax It is also the story of a struggle for control within the FBI investigation the missteps of an overzealous press and how a cadre of government officials disregarded scientific data while spinning the letter attacks into a basis for war As The Mirage Man makes clear America must at last come to terms with the lessons to be learned from what Bruce Ivins wrought The nation s security depends on it From the Hardcover edition

The College Cut-up De Witt Clinton Millen,1927

White Sororities and the Cultural Work of Belonging Charlotte Hogg,2023-12-19 Charlotte Hogg takes a close look through the example of White university sororities at how we create and cling to subcultures through the notion of belonging and how spoken and unspoken rhetorics contribute to this notion Renewed calls to end Greek letter organizations for racism and sexism including

increased scrutiny on White women's social justice failings have intensified. But as Hogg shows, rhetorics of belonging have always occurred amid and even in response to anti-GLO sentiment. She shows how rhetorical efforts by members for members foster belonging for insiders while also seeking to appease those on the outside. In her analysis, Hogg positions the study of rhetoric beyond traditional methods of persuasion to show how we communicate and participate in communities as citizens in subtle ways beyond speaking and writing. Through engaging narrative drawing on her experiences as a member of a White sorority, archival research, and interviews with collegians and alumni, she shows how efforts toward belonging can influence particular beliefs about womanhood in complex ways. This thought-provoking volume will interest scholars and students from a range of disciplines including rhetoric and communication studies, gender studies, feminism, sociology, cultural anthropology, and history.

A Pledge with Purpose Gregory S. Parks, Matthew W. Hughey, 2024-02-06. Reveals the historical and political significance of The Divine Nine, the Black Greek Letter Organizations. In 1905, Henry Arthur Callis began his studies at Cornell University. Despite their academic pedigrees, Callis and his fellow African American students were ostracized by the majority white student body, and so in 1906, Callis and some of his peers started the first intercollegiate Black Greek Letter Organization, BGLO Alpha Phi Alpha. Since their founding, BGLOs have not only served to solidify bonds among many African American college students; they have also imbued them with a sense of purpose and a commitment to racial uplift, the endeavor to help Black Americans reach socioeconomic equality. *A Pledge with Purpose* explores the arc of these unique, important, and relevant social institutions. Gregory S. Parks and Matthew W. Hughey uncover how BGLOs were shaped by and labored to transform the changing social, political, and cultural landscape of Black America from the era of the Harlem Renaissance to the civil rights movement. Alpha Phi Alpha boasts such members as Thurgood Marshall, civil rights lawyer and US Supreme Court Justice, and Dr. Charles Wesley, noted historian and college president. Delta Sigma Theta members include Bethune Cookman College founder Mary McLeod Bethune and women's rights activist Dorothy Height. Huey P. Newton, co-founder of the Black Panther Party, who left an indelible mark on the civil rights movement, was a member of Phi Beta Sigma, while Dr. Mae Jemison, a celebrated engineer and astronaut, belonged to Alpha Kappa Alpha. Through such individuals, Parks and Hughey demonstrate the ways that BGLO members have long been at the forefront of innovation, activism, and scholarship. In its examination of the history of these important organizations, *A Pledge with Purpose* serves as a critical reflection of both the collective African American racial struggle and the various strategies of Black Americans in their great and unfinished march toward freedom and equality.

Opinions of the Attorney General of Ohio Ohio.

Attorney General's Office, 1923

Campus Life in the Movies John E. Conklin, 2014-01-10. Hollywood films have presented audiences with stories of campus life for nearly a century, shaping popular perceptions of our colleges and universities and the students who attend them. These depictions of campus life have even altered the attitudes of the students themselves, serving as both a mirror of and a model for behavior. One can only imagine how many high school seniors enter college today

with the hopes of living the proverbial Animal House or PCU Greek experience or how many have worried over the SAT and college admissions after watching more recent movies like 2004's *The Perfect Score*. This book explores themes of college life in 681 live action theatrically released feature length films set in the United States and released from 1915 through 2006 evaluating how these movies both reflected and distorted the reality of undergraduate life. Topics include college admissions the freshman experience academic work professor student relations student romance fraternity and sorority life sports political activism and other extracurricular activities. The book also includes a complete filmography and 66 illustrations.

Opinions of the Attorney General, Ohio Ohio. Attorney General's Office, 1927 *Catalog* University of Maryland Eastern Shore, 1905 *The Mask*, 1914 *Ohio State University Bulletin*, 1921 *My Dearest Sister* Melanie J. Pellowski, 2018-09-18 Satisfy the expectations of sorority newbies and legacies alike by showcasing what makes each chapter special. *My Dearest Sister* is a sweet and funny interactive journal and a genuine reflection of what real sorority life is all about. Fit for any present past or future sorority girl, this cute keepsake honors the spirit, community, and chapter secrets of sororities while leaving room for girls to capture all of their own special memories and traditions in one book for years to come. Inside this heartfelt guide, you'll discover the colorful history and tradition surrounding Greek life. Sorority houses, songs, handshakes, and secrets. A personalized guide to crafting and party planning. Alumni chapters. Stickers and journal pages to customize your own sorority experience. And more. Any sorority girl who's ever craved a time capsule to keep her friendships everlasting and fresh should look no further. *My Dearest Sister* is the token gift that celebrates womanhood and seals the bonds of sisterhood for life.
