How It Feels to Be Free Ruth Feldstein, 2013-11-26 Winner of the Benjamin L Hooks National Book Award Winner of the Michael Nelson Prize of the International Association for Media and History In 1964 Nina Simone sat at a piano in New York's Carnegie Hall to play what she called a show tune Then she began to sing Alabama's got me so upset Tennessee made me lose my rest And everybody knows about Mississippi Goddam Simone and her song became icons of the civil rights movement But her confrontational style was not the only path taken by black women entertainers In *How It Feels to Be Free* Ruth Feldstein examines celebrated black women performers illuminating the risks they took their roles at home and abroad and the ways that they raised the issue of gender amid their demands for black liberation Feldstein focuses on six women who made names for themselves in the music film and television industries Simone Lena Horne Miriam Makeba Abbey Lincoln Diahann Carroll and Cicely Tyson These women did not simply mirror black activism their performances helped constitute the era's political history Makeba connected America's struggle for civil rights to the fight against apartheid in South Africa while Simone sparked high profile controversy with her incendiary lyrics Yet Feldstein finds nuance in their careers In 1968 Hollywood cast the outspoken Lincoln as a maid to a white family in *For Love of Ivy* adding a layer of complication to the film That same year Diahann Carroll took on the starring role in the television series *Julia* Was *Julia* a landmark for casting a black woman or for treating her race as unimportant The answer is not clear cut Yet audiences gave broader meaning to what sometimes seemed to be apolitical performances *How It Feels to Be Free* demonstrates that entertainment was not always just entertainment and that *We Shall Overcome* was not the only soundtrack to the civil rights movement By putting black women performances at center stage Feldstein sheds light on the meanings of black womanhood in a revolutionary time

The Great Depression on Film David Luhrssen, 2022-08-23 This book presents the Great Depression through the lens of 13 films beginning with movies made during the Depression and ending with films from the 21st century and encourages readers to examine the various depictions of this period throughout history *The Great Depression on Film* is a unique guide to how the Great Depression was represented and is remembered making it an excellent resource for students or anyone interested in film history or U S history Each film is set in a different sector of American life focusing on such topics as white supremacy political protest segregation environmental degradation crime religion the class system and popular culture in the U S during the 1930s This book is indispensable for clearing away misconceptions fostered by the movies while acknowledging the power of film in shaping public memory The book separates fact from fiction detailing where the movies are accurate and where they depart from reality and places them in the larger context of historical and social events Eyewitness or journalistic accounts are referenced and quoted in the text to help readers differentiate between ideas attitudes and events presented in the films as well as the historical facts which inspired those films

Island of the Blue Dolphins Scott O'Dell, Sara L. Schwebel, 2016-10-04 This is the first authoritative edition of one of the most significant

children's books of the twentieth century Winner of the 1961 Newbery Medal *Island of the Blue Dolphins* tells the story of a girl left alone for eighteen years in the aftermath of violent encounters with Europeans on her home island off the coast of Southern California This special edition includes two excised chapters published here for the first time as well as a critical introduction and essays that offer new background on the archaeological, legal and colonial histories of Native peoples in California Sara L Schwebel explores the composition history and editorial decisions made by author Scott O Dell that ensured the success of *Island of the Blue Dolphins* at a time when second wave feminism, the civil rights movement and multicultural education increasingly influenced which books were taught This edition also considers how readers might approach the book today when new archaeological evidence is emerging about the Lone Woman of San Nicolas Island on whom O Dell's story is based and Native peoples are engaged in the reclamation of indigenous histories and ongoing struggles for political sovereignty

Educational Screen and Audiovisual Guide, 1930 *Film Study* Frank Manchel, 1990-10 The four volumes of *Film Study* include a fresh approach to each of the basic categories in the original edition Volume one examines the film as film volume two focuses on the thematic approach to film volume three draws on the history of film and volume four contains extensive appendices listing film distributors, sources and historical information as well as an index of authors, titles and film personalities

TV Guide, 1989 *The Educational Screen*, 1929 **Readers' Guide to Periodical Literature**, 1937 An author-subject index to selected general interest periodicals of reference value in libraries

Picking Up the Tab Carlton Jackson, 1994 At the memorial held after Martin Ritt's death in 1990 he was hailed as this country's greatest maker of social films From *No Down Payment* early in his career to *Stanley* yet he went to a small college in North Carolina, Elon, where he played football for The Fighting Christians His school days in the South gave him a lifelong love for the region Thus in his movies he was just as much at home with southern as with northern topics He did not deal totally in his southern experience with racism and poverty He directed *The Long Hot Summer* and *The Sound and the Fury* both of which described conflicts between and among white social groups He once remarked I have spent most of my film life in the South Some referred to his films as 'think movies' and perhaps this is why he never won an Oscar for best directing But he gave moviegoers all over the world an opportunity to see what America was really like from the viewpoint both of the wealthy and of the poor It may be unfortunately that we will never see his likes again
