Wander In The Night A Poem For Children And Grownups:

Wander in the Night Adam Day,2014-11-07 Bedtime and I m tucked in tightly teeth are clean and all my nightly Stories have been read to me I m ready for my goodnight hug I cuddle close with teddy bear while mother brushes through my hair And as she s leaving she declares Sleep now safe and snug Children love to hear bedtime stories invitations to where their imagination might lead them in their sleep But sometimes even kids can get tired of hearing the same old story over and over again Adults can get a bit worn out from reading the same story time and time again too Wander in the Night is not just a poem for children it is a poem for children and their grownups It tells the tale of a little girl trying to find a comfy place to sleep Her explorations will take you into every nook and cranny in her house and then out to the stars With poems that are as much fun to read as they are to hear beautiful illustrations and a sweet adventure to follow Wander in the Night just might become your new favorite bedtime story and it might even inspire you to write your own poems and stories too It s a fun new poetic way to end your day

Crockett Johnson and Ruth Krauss Philip Nel,2012-07-05 An illustrated biography of the innovative geniuses who created children s classics The Delineator R. S. O'Loughlin,H. F. Montgomery,Charles Dwyer,1920 Robert Frost Lesley Lee Francis,2017-09-29 In this volume Lesley Lee Francis granddaughter of Robert Frost brings to life the Frost family s idyllic early years Through their own words we enter the daily lives of Robert known as RF to his family and friends his wife Elinor and their four children Lesley Carol Irma and Marjorie The result is a meticulously researched and beautifully written evocation of a fleeting chapter in the life of a literary family Taught at home by their father and mother the Frost children received a remarkable education Reared on poetry nurtured on the world of the imagination and instructed in the art of direct observation the children produced an exceptional body of writing and artwork in the years between 1905 and 1915 Drawing upon previously unexamined journals notebooks letters and the little magazine entitled The Bouquet produced by the Frost children and their friends Francis shows how the genius of Frost was enriched by his interactions with his children Francis depicts her grandfather as a generous devoted and playful

man with a striking ability to communicate with his children and grandchildren She traces the family s adventures from their farm years in New Hampshire through their nearly three years in England This enchanting evocation of the Frost family s life together makes more poignant the unforeseen personal tragedies that would befall its members in later years **Continent**,1914 **Index to Poetry and Recitations** Edith Granger,1918 **New York** ,1975 **Saturday Night** ,1925
