friend Jake Lehrer is flirting with Declan's crush and always ditching him to hang out with the team or his friends from synagogue. So Declan ends up playing a lot of Imperialist Empires online and making new friends. It's there he realizes he's been playing with Finn, a kid from his class. Finn is the first person who might be just as angry as Declan. He gets it. As the two spend more time together, Finn also introduces Declan to others who understand what it's like when the world is working against you, no matter how much you try. How white kids like them are being denied opportunities because others are manipulating the system. And the more time Declan spends with Finn, the more he sees what they're saying as true. So when his new friends decide it's time to fight back, Declan is right there with them. Even if it means going after Jake and his family. And each new battle for the cause makes Declan feel in control of his rage, channeling it into saving his future. But when things turn deadly, Declan is going to have to decide just how far he'll go and what he's willing to sacrifice. In a stunning story set against the rise of white nationalism, comes an unflinching exploration of the destruction of hate, the power of fear, and the hope of redemption.

59 Reasons to Write Kate Messner, 2023-10-10 In order to teach writing effectively, teachers must be writers themselves. They must experience the same uncertainty of starting a new draft and then struggling to revise. As they learn to move past the fear of failure, they discover the nervous rush and exhilaration of sharing work with an audience, just as their students do. Only by engaging in the real work of writing can teachers become part of the writing community they dream of creating for their students. Kate Messner's new book *59 Reasons to Write* shows teachers and librarians who teach writing how to be stronger role models for their students. Writing for my students provided me with appropriate mentor texts to share, she writes. Writing with my students made me a mentor and a far better teacher. *59 Reasons to Write* grew out of Messner's popular online summer writing camp Teachers Write Throughout the book, she offers mini lessons, writing prompts, and bursts of inspiration designed to get you writing every day, whether on your own or as part of a group. Dozens of guest authors also share their writing processes and secrets, from brainstorming ideas and organizing research to developing characters and getting unstuck from writer's block. *59 Reasons to Write* is for anyone who has always wanted to write but never managed to get into the habit. Daily warm-ups will help you flex your writing muscles and energize your teaching. As Messner shares, One of the greatest gifts of writing is the way it nudges us to look more closely, not only at the world but also at ourselves.

Deepfake Sarah Darer Littman, 2020-10-06 What happens when anyone can make a video of you saying anything? Dara Simons and Will Halpern have everything they've ever wanted. They are the rulers of Greenpoint High's geekdom, overachieving in every way, and it's an intense competition to see who will be valedictorian. One, the entire school is invested in. That is, until Rumor Has It, the anonymous gossip site, posts a video of Dara accusing Will of paying someone to take the SAT for him. When the video goes viral, suddenly Will's being investigated, and everyone's wondering how he pulled off cheating on the SAT. But Dara swears that she didn't say any of those things, which seems a little hard to believe, since it's her in the video. Did Will cheat? Is it Dara saying he did? Who's lying and who's telling the truth? The answer is more shocking.
