D.P.A., 2018-11-01 As the pages of *The World and the Word* Exploring the Lost Cause unfold there is a kind of internal consistency with both the worldview social sciences and the word view the Bible However where such consistency appeared to diverge this author attempts to filter out the noise by applying critical thinking criteria to a worldview that may not be consistent with the word view The goal of this book therefore is to provide some exegesis of the word and see how the world fits Born again Christians can be credible social scientists and not compromise God's Word the Bible While my goal was to prepare a credible manuscript I take responsibility for any oversights or errors as the book's author After reading please send reflective comments to Dr Herb Green Jr at docgreen48 outlook com Please use the phrase World Word Lost Cause in the subject line The book's website is <http://www.lostcause.worldandtheword.com> **The Right Word** Elizabeth

War Is Just a Word I.J. Gysen, 2011-12-02 War is just a word To young Anna that s all it is just a word it s where Pappa goes to work until one day the War comes home WW II the world s most horrific War was on its way and they had no idea of its coming No one could have foreseen that so much madness would erupt from such a small country a land of the Fairytales and Legends nor could they have imagined that their Fuehrer Adolf Hitler whom they had raised to glorious heights would take them to the depth of hell Through the horror amidst the chaos emerges the story of a family of Ludwig his wife Marta and their high spirited young daughter Anna who wake up one morning to find their lives threatened by the outbreak of WWII It takes Ludwig to distant lands to fight for his Fatherland while Marta and Anna learn to live with the pangs of hunger They survive the hell of the air raids with their falling bombs only to find survival after the War as difficult as the War itself There however were also extraordinary times who could ever forget the American Soldiers Though coming as conquerors their kindness and compassion soon made them friends especially to the children who followed them around like the Pied Piper This is a story of historical reality whose purpose it is to share part of an era that destroyed so many millions of people along with an entire Continent

The Last Thousand Days of the British Empire Peter Clarke, 2010-09-01 A sweeping brilliantly vivid history of the sudden end of the British empire and the moment when America became a world superpower I have not become the King s First Minister in order to preside over the liquidation of the British Empire Winston Churchill s famous statement in November 1942 just as the tide of

the Second World War was beginning to turn pugnaciously affirmed his loyalty to the world wide institution that he had served for most of his life Britain fought and sacrificed on a worldwide scale to defeat Hitler and his allies and won Yet less than five years after Churchill s defiant speech the British Empire effectively ended with Indian Independence in August 1947 and the end of the British Mandate in Palestine in May 1948 As the sun set on Britain s Empire the age of America as world superpower dawned How did this rapid change of fortune come about Peter Clarke s book is the first to analyze the abrupt transition from Rule Britannia to Pax Americana His swiftly paced narrative makes superb use of letters and diaries to provide vivid portraits of the figures around whom history pivoted Churchill Gandhi Roosevelt Stalin Truman and a host of lesser known figures though whom Clarke brilliantly shows the human dimension of epochal events The Last Thousand Days of the British Empire is a captivating work of popular history that shows how the events that followed the war reshaped the world as profoundly as the conflict itself
