

The Watsons Go to Birmingham—1963

Tic-Tac-Toe

Select three boxes to complete a Tic-Tac-Toe. You may choose three across, down, or vertically.

Create a "Meet the World Watsons" Common Initiative Card similar to baseball cards for all 5 of the "mixed Watson" characters (your choice of characters). The cards should include a drawing of the featured character, a description of the character, and the character's name. (200; info cards work well)	You are a newspaper reporter without job title to interview Byron about why he skips school and is sometimes cruel to his little brothers. Write 10 interview questions and 10 responses using Byron's perspective.	You just discovered that Byron has a diary about all of the "juvenile delinquent" things he does. Create a mini-diary with at least 5 of Byron's entries. Be sure to write from Byron's perspective.
Team Kenny vs. Team Byron! Create a Venn Diagram that compares and contrasts Kenny and Byron. Then make a decision: Which character do you like best? Why? Write a detailed paragraph explaining your decision.	You are a well-known artist who has just been hired to create a new cover for the book. The cover is in celebration of the novel being selected as a Newbery Honor Book. Use drawing paper or poster board to create the beautiful new cover. Be sure to include the title and the author's name.	When we meet Byron, he is a teen who seems to get into a lot of trouble. Fast-forward 20 years into the future. What is Byron like now? 20's? Has his life changed? Does he have a family? Write a newspaper article called, "Byron Watson—20 years later" (or something along those lines.) Be sure to cover the 5 W's (who, what, where, when, and why) of the reporting.
When we read, it is important to make connections. We may make personal connections (text to self), connections to other text (text to text), or connections to the world in which we live (text to world). Describe in detail 2 connections you made while reading <i>The Watsons Go to Birmingham—1963</i>.	The novel consists of chapters that are like mini-stories and a denouement. Think of another chapter that could be added to the middle of the book. Write the new chapter. Be certain to write in a similar style to Christopher Paul Smith, the author of the book.	Write a review of the book. How would you rate the book? For what age group is this novel appropriate? Are the characters believable? Why or why not? Would you recommend this author?
