God's Solution Declan Hayes, 2007-08 God's Solution demolishes the anti religious arguments of Richard Dawkins Sam

Harris Daniel Dennett Peter Singer and atheism's other polemicists who have scurried aboard this lucrative bandwagon God's Solution begins by showing us that science not religion has always been war's harlot God's Solution then proceeds to show how and why sacred scripture makes sense and how the secular ideologies raged against it have always brought out the worst in people God's Solution then demolishes Darwinism as a scientific theory and denounces Darwin as the racist bigot that he was God's Solution uses a wide array of examples to show that Mother Nature is much too varied to be shoehorned into a simplistic theory like evolution God's Solution then uses the charity industry to show that religion not atheism holds the moral high ground In using the arguments of the secular jihadists to show how life without religion is meaningless God's Solution will prove a valuable resource to all readers who honestly seek the scientifically grounded metaphysical truths of their own inherited faith and who wish to imbue their children and grandchildren with those same beliefs **Practical**

Micromechanics of Composite Materials Jacob Aboudi, Steven M. Arnold, Brett A.
