Gbadamosi, Ayantunji

Solomon M 2012 Consumer Behavior 10th Edition:

Leveraging Computer-Mediated Marketing Environments Bowen, Gordon, Ozuem, Wilson, 2019-01-25 Social media has redefined the way marketers communicate with their customers giving consumers an advantage that they did not have previously. However, recent issues in online communication platforms have increased the challenges faced by marketers in developing and retaining their customers. Practitioners need to develop effective marketing communication programs that incorporate the meaningful forms of sociality into a customer driven marketing program. *Leveraging Computer Mediated Marketing Environments* discusses the nature of heightened interaction between marketers and consumers in the evolving technological environments, particularly on the central nature of online communities and other emerging technologies on dialogic engagement. Additionally, it aims to examine the relevant roles of online communities and emerging technologies in creating and retaining customers through effective dialogue management. Highlighting brand strategy, e-services, and web analytics, it is designed for marketers, brand managers, business managers, academicians, and students. *Consumer Behavior* Arunkumar K, Rajesh Naik, Dr. Srinivasa Murthy M D, 2025-08-21 **Exploring the Dynamics of Consumerism in Developing Nations** Gbadamosi, Ayantunji, 2019-01-11 As developing nations increase their consumption rate, their relevance in the global marketplace grows. Existing assumptions and postulations about consumer consumption in various societies are being displaced largely due to the dynamic nature of the market. However, research has not been adequately devoted to explore the developments in consumer behavior in developing nations, which has resulted in numerous unanswered questions. *Exploring the Dynamics of Consumerism in Developing Nations* provides vital research on consumer behavior in developing countries and changes in the socio-cultural dimensions of marketing. While highlighting topics such as celebrity influence, marketing malpractices, and the adoption of e-government, this publication is ideally designed for researchers, advanced level students, policymakers, and managers. **Handbook of Research on Economic Growth and Technological Change in Latin America** Christiansen, Bryan, 2014-06-30 Investment in Latin America is continuously developing in complex patterns due to the region's increasing role in the global economy. The *Handbook of Research on Economic Growth and Technological Change in Latin America* helps readers to better understand the importance of Latin America in today's global economy. The book discusses the developments of investments involving Latin American Multinational Corporations (Multinationals) within the region. This investment is having profound influences on the state of business, government, and technological development in Latin America, which are all explored in this reference publication for use by researchers, scholars, practitioners, business executives, students, and academicians. *Analyzing Children's Consumption Behavior: Ethics, Methodologies, and Future Considerations* Haryanto, Jony, Moutinho, Luiz, 2016-08-30 To gain the most competitive edge, marketers must continually optimize their promotional strategies. While the adult population is a prominent target, there is significant market potential for young consumers as well. *Analyzing Children's Consumption*

Behavior Ethics Methodologies and Future Considerations presents a dynamic overview of the best practices for marketing products that target children as consumers and analyzes the most effective promotional strategies being utilized Highlighting both the advantages and challenges of targeting young consumers this book is a pivotal reference source for marketers professionals researchers upper level students and practitioners interested in emerging perspectives on children s consumption behavior
