

What are the steps to the writing process?

- Rewriting and using all of the advice that you got from your peer edits will help you with the Revised draft. After all it would be a huge waste of time if you didn't go back and fix your mistakes.
- Finally after you think you have caught all of your mistakes create your final draft. Final drafts should be typed in a 12 pt font or handwritten in blue or black ink. If you type then you can save yourself a lot of time.
